SBA has verified the following certifications in DSBS: HZ, WOSB, EDWOSB, SDB. Any other certification presented in DSBS (i.e., SDVOSB) is self-certified by a firm and not verified by SBA. Other than these SBA certifications, DSBS is generally a self-certifying database and SBA does not make any representation as to the accuracy of the data included. The SBA strongly recommends that contracting officers diligently review a bidder's small business self-certification before awarding a contract.

<https://tips.ionwave.net/CurrentSourcingEvents.aspx>

Please note that there is no specific project to award. TIPS utilizes IDIQ Contracts, where IDIQ is an abbreviation of the term "Indefinite Delivery/Indefinite Quantity". This is a type of contract that provides an indefinite quantity of supplies or services during a fixed period of time or for the life of the awarded agreement. This solicitation was issued as a prospective award for a pricing agreement to be used when a TIPS Member entity needs the goods or services offered under the agreement.

Best regards,

Sarah Reynolds
