DSBS

 **NEW FEATURES FOR MOBILE USERS:** /library/udf
Phone number hotlinks can be used to dial the number on mobile phones.
Address hotlinks can be used to show the address in Google Maps.

SBA has verified the following certifications in DSBS: HZ, WOSB, EDWOSB. Any other certification presented in DSBS (i.e., SDVOSB) is self-certified by a firm and not verified by SBA. Other than these SBA certifications, DSBS is generally a self-certifying database and SBA does not make any representation as to the accuracy of the data included. The SBA strongly recommends that contracting officers diligently review a bidder's small business self-certification before awarding a contract.

Dear Vendor,

The Interlocal Purchasing System (TIPS) is required under Federal regulations to notify SBA vendors of our procurement solicitations. You were registered on the United States Small Business Administration website under one or more of the following NAICS Codes 562111,562112,562119,562211,562920 which include the topic of this Solicitation.

The Interlocal Purchasing System (TIPS) has available now, at the link below, Solicitation 230304 Waste Management, Recycling, and Sustainability Solutions. You are invited to participate.

<https://tips.ionwave.net/CurrentSourcingEvents.aspx>

Please note that there is no specific project to award. TIPS utilizes IDIQ Contracts, where IDIQ is an abbreviation of the term "Indefinite Delivery/Indefinite Quantity". This is a type of contract that provides an indefinite quantity of supplies or services during a fixed period of time or for the life of the awarded agreement. This solicitation was issued as a prospective award for a pricing agreement to be used when a TIPS Member entity needs the goods or services offered under the agreement.

Thank you,

Jessica Monreal
