Welcome to the Dynamic Small Business Search

DSBS

NEW FEATURES FOR MOBILE USERS: ../library/udf
 Phone number hotlinks can be used to dial the number on mobile phones.
 Address hotlinks can be used to show the address in Google Maps.

SBA has verified the following certifications in DSBS: HZ, WOSB, EDWOSB. Any other certification presented in DSBS (i.e., SDVOSB) is self-certified by a firm and not verified by SBA. Other than these SBA certifications, DSBS is generally a self-certifying database and SBA does not make any representation as to the accuracy of the data included. The SBA strongly recommends that contracting officers diligently review a bidder's small business self-certification before awarding a contract.
