Between Capital Filtrations Inc and  
(Company Name)

**THE INTERLOCAL PURCHASING SYSTEM (TIPS),**  
a Department of Texas Education Service Center Region 8 for  
**TIPS RFP 220305 Transportation Vehicle Parts and Services**

## General Information

The Vendor Agreement (“Agreement”) made and entered into by and between The Interlocal Purchasing System (hereinafter “TIPS”) a government cooperative purchasing program authorized by the Region 8 Education Service Center, having its principal place of business at 4845 US Hwy 271 North, Pittsburg, Texas 75686 and the TIPS Vendor. This Agreement consists of the provisions set forth below, including provisions of all attachments referenced herein. In the event of a conflict between the provisions set forth below and those contained in any attachment, the provisions set forth shall control unless otherwise agreed by the parties in writing and by signature and date on the attachment.

A Purchase Order (“PO”), Agreement or Contract is the TIPS Member’s approval providing the authority to proceed with the negotiated delivery order under the Agreement. Special terms and conditions as agreed between the Vendor and TIPS Member should be added as addendums to the Purchase Order, Agreement or Contract. Items such as certificate of insurance, bonding requirements, small or disadvantaged business goals are some, but not all, of the possible addendums.

## Terms and Conditions

### Freight

All quotes to Members shall provide a line item for cost for freight or shipping regardless if there is a charge or not. If no charge for freight or shipping, indicate by stating “No Charge”, “\$0”, “included in price” or other similar indication. Otherwise, all shipping, freight or delivery charges shall be passed through to the TIPS Member at cost with no markup and said charges shall be agreed by the TIPS Member unless alternative shipping terms are agreed by TIPS as a result of the proposal award. Shipping method is determined by the vendor and the Member/Customer at the time of the quote/purchase by the Member/Customer and satisfactory shipping methods and costs are agreed upon at that time.

### Warranty Conditions

All new supplies equipment and services shall include ***manufacturer's minimum standard warranty*** unless otherwise agreed to in writing. Vendor shall be legally permitted to sell all products offered for sale to TIPS Members if the offering is included in the Request for Proposal (“RFP”) category. All goods proposed and sold shall be new unless clearly stated in writing.

### **Customer Support**

The Vendor shall provide timely and accurate customer support for orders to TIPS Members as agreed by the Parties. Vendors shall respond to such requests within a commercially reasonable time after receipt of the request. If support and/or training is a line item sold or packaged with a sale, support shall be as agreed with the TIPS Member.

### **Agreements**

Agreements for purchase will normally be put into effect by means of a contract, agreement, or purchase order(s) executed by authorized agents of the TIPS Member participating government entities, but other means of placing an order may be used at the Member's discretion. Vendor accepts and understands that when a purchase order or similar purchase document is sent from a customer through TIPS to the Vendor, TIPS is recording the purchase and verifying whether the purchase is within the parameters of the TIPS Contract only. Vendor agrees that TIPS is not a legal party to the purchase order or similar purchase document and TIPS is not responsible for identifying fraud, mistakes, or misrepresentations for the specific order. Vendor agrees that any purchase order or similar purchase document issued from a customer to Vendor, even when processed through TIPS, constitutes a legal contract between the customer and Vendor only. A Vendor that accepts a purchase order or similar purchase document and fulfills an order, even when processed through TIPS, is representing that the vendor has carefully reviewed the purchase order or similar purchase document for legality, authenticity, and accuracy.

### **Tax exempt status**

Most TIPS Members are tax exempt and the related laws and/or regulations of the controlling jurisdiction(s) of the TIPS Member shall apply.

### **Assignments of Agreements**

No assignment of this Agreement may be made without the prior notification of TIPS. Written approval of TIPS shall not be unreasonably withheld. Payment for delivered goods and services can only be made to the awarded Vendor, Vendor designated reseller or vendor assigned company, where permitted by TIPS.

### **Disclosures**

- Vendor and TIPS affirm that they, or any authorized employees or agents, have not given, offered to give, nor intend to give at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor or service to a public servant in connection with this Agreement.
- Vendor shall attach, in writing, a complete description of any and all relationships that might be considered a conflict of interest in doing business with the TIPS program.
- The Vendor affirms that, to the best of his/her knowledge, the offer has been arrived at independently, and is submitted without collusion with anyone to obtain information or gain any favoritism that would in any way limit competition or give an unfair advantage over other vendors in the award of this Agreement.

### **Term of Agreement and Renewals**

Regardless of the Award Date, the term of this Agreement shall end November 30, 2024 with an option for renewal for an additional one consecutive year. If TIPS offers the renewal extension year, the Vendor will be notified by email to the primary contact of the awarded Vendor and shall be deemed accepted by the Vendor unless the awarded Vendor notifies TIPS of its objection to the additional term in writing. TIPS may or may not

exercise some or all of the available extension(s) provided in the original solicitation beyond the base term. Whether or not to offer some or all of the extension is at the sole discretion of TIPS.

**Extensions:** Any extensions of the original term shall begin on the next day after the day the original term expires unless otherwise specified.

**Example:** *In this example, if the termination date of the contract is November 30, 2024, if TIPS offers a one-year extension, the expiration of the extended term shall be November 30, 2025 unless otherwise specified.*

TIPS may offer to extend Vendor Agreements to the fullest extent the original Solicitation permits.

**Automatic Renewal Clauses Incorporated in Awarded Vendor Agreements with TIPS Members Resulting from the Solicitation and with the Vendor Named in this Agreement.**

No Agreement for goods or services with a TIPS Member by the awarded vendor named in this Agreement that results from the solicitation award named in this Agreement, may incorporate an automatic renewal clause that exceeds month to month terms with which the TIPS Member must comply. All renewal terms incorporated in an Agreement by the vendor with the TIPS Member shall only be valid and enforceable when the vendor receives written confirmation by purchase order, executed Agreement or other written instruction issued by the TIPS Member for any renewal period. The purpose of this clause is to avoid a TIPS Member inadvertently renewing an Agreement during a period in which the governing body of the TIPS Member has not properly appropriated and budgeted the funds to satisfy the Agreement renewal. This term is not negotiable and any Agreement between a TIPS Member and a TIPS awarded vendor with an automatic renewal clause that conflicts with these terms is rendered void and unenforceable.

**Shipments**

The Vendor shall ship, deliver or provide ordered products or services within a commercially reasonable time after the receipt of the order from the TIPS Member. If a delay in said delivery is anticipated, the Vendor shall notify TIPS Member as to why delivery is delayed and shall provide an estimated time for completion of the order. TIPS or the requesting entity may cancel the order if estimated delivery time is not acceptable or not as agreed by the parties.

**Invoices**

Each invoice or pay request shall include the Vendor's TIPS Contract number, the TIPS Member's purchase order number or other identifying designation as provided in the order by the TIPS Member. If applicable, the shipment tracking number or pertinent information for verification of TIPS Member receipt shall be made available upon request.

**Payments**

The TIPS Member will make payments directly to the Vendor, the Vendor Assigned Dealer or as agreed by the Vendor and the TIPS Member after receiving invoice and in compliance with applicable payment statute(s), whichever is the greater time or as otherwise provided by an agreement of the parties.

**Pricing**

Price increases will be honored according to the terms of the solicitation and vendor proposal. All pricing submitted to TIPS shall include the participation fee, as provided in the solicitation, to be remitted to TIPS by the Vendor. Vendor will not show adding the fee to the invoice presented to TIPS Member customer.

### **Participation Fees and Reporting of Sales to TIPS by Vendor**

The Participation Fee that was published as part of the Solicitation and the fee published is the legally effective fee, along with any fee conditions stated in the Solicitation. Collection of the fees by TIPS is required under Texas Government Code §791.011 Et seq. Fees are due on all TIPS purchases reported by either Vendor or Member. Fees are due to TIPS upon payment by the Member to the Vendor, Reseller or Vendor Assigned Dealer. Vendor, Reseller, or Vendor Assigned Dealer agrees that the participation fee is due to TIPS for all Agreement sales immediately upon receipt of payment including partial payment, from the Member Entity and must be paid to TIPS at least on a monthly basis, specifically within 31 calendar days of receipt of payment, if not more frequently, or as otherwise agreed by TIPS in writing and signed by an authorized signatory of TIPS. Thus, when an awarded Vendor, Reseller or Vendor Assigned Dealer receives any amount of payment, even partial payment, for a TIPS sale, the legally effective fee for that amount is immediately due to TIPS from the Vendor and fees due to TIPS should be paid at least on a monthly basis, specifically within 31 calendar days of receipt of payment, if not more frequently.

### **Reporting of Sales to TIPS by Vendor**

Vendor is required to report all sales under the TIPS contract to TIPS. When a public entity initiates a purchase with a TIPS Awarded Vendor, if the Member inquires verbally or in writing whether the Vendor holds a TIPS Contract, it is the duty of the Vendor to verify whether or not the Member is seeking a TIPS purchase. Once verified, the Vendor must include the TIPS Contract number on any communications and related sales documents exchanged with the TIPS Member entity. To report sales, the Vendor must login to the TIPS Vendor Portal online at [https://www.tips-usa.com/vendors\\_form.cfm](https://www.tips-usa.com/vendors_form.cfm) and click on the PO's and Payments tab. Pages 3-7 of the [Vendor Portal User Guide](#) will walk you through the process of reporting sales to TIPS. Please refer to the TIPS [Accounting FAQ's](#) for more information about reporting sales and if you have further questions, contact the Accounting Team at [accounting@tips-usa.com](mailto:accounting@tips-usa.com). The Vendor or vendor assigned dealers are responsible for keeping record of all sales that go through the TIPS Agreement and submitting same to TIPS. Failure to properly report or render the participation fee to TIPS shall constitute a breach of this agreement with our parent governmental entity, Texas Education Service Center Region 8, as established by the Texas legislature and shall be grounds for termination of this agreement and any other agreement held with TIPS and possible legal action. Any overpayment of participation fees to TIPS by a Vendor will be refunded to the Vendor within ninety (90) days of receipt of notification if TIPS receives written notification of the overpayment not later than the expiration of six (6) months from the date of overpayment and TIPS determines that the amount was not legally due to TIPS pursuant to this agreement and applicable law. It is the Vendor's responsibility to identify which sales are TIPS Agreement sales and pay the correct participation fee due for TIPS Agreement sales. Any notification of overpayment received by TIPS after the expiration of six (6) months from the date of overpayment will be non-refundable. Region 8 ESC and TIPS reserve the right to extend the six (6) month deadline to notify if approved by the Region 8 ESC Board of Directors. TIPS reserves all rights under the law to collect the fees due. Please contact TIPS at [tips@tips-usa.com](mailto:tips@tips-usa.com) or call (866) 839-8477 if you have questions about paying fees.

### **Indemnity**

The Vendor agrees to indemnify and hold harmless and defend TIPS, TIPS Member(s), officers and employees from and against all claims and suits by third parties for damages, injuries to persons (including death), property damages, losses, and expenses including court costs and reasonable attorney's fees, arising out of, or resulting from, Vendor's performance under this Agreement, including all such causes of action based upon common, constitutional, or statutory law, or based in whole or in part, upon allegations of negligent or intentional acts on the part of the Vendor, its officers, employees, agents, subcontractors, licensees, or invitees. Parties found liable shall pay their proportionate share of damages as agreed by the parties or as ordered by a court of competent jurisdiction over the case. **NO LIMITATION OF LIABILITY FOR DAMAGES**

**FOR PERSONAL INJURY OR PROPERTY DAMAGE ARE PERMITTED OR AGREED BY TIPS/ESC REGION 8.** Per Texas Education Code §44.032(f), and pursuant to its requirements only, reasonable Attorney's fees are recoverable by the prevailing party in any dispute resulting in litigation.

**State of Texas Franchise Tax**

By signature hereon, the Vendor hereby certifies that he/she is not currently delinquent in the payment of any franchise taxes owed the State of Texas under Chapter 171, Tax Code.

**Miscellaneous**

The Vendor acknowledges and agrees that continued participation in TIPS is subject to TIPS sole discretion and that any Vendor may be removed from the participation in the Program at any time with or without cause. Nothing in the Agreement or in any other communication between TIPS and the Vendor may be construed as a guarantee that TIPS or TIPS Members will submit any orders at any time. TIPS reserves the right to request additional proposals for items or services already on Agreement at any time.

**Purchase Order Pricing/Product Deviation**

If a deviation of pricing/product on a Purchase Order or contract modification occurs between the Vendor and the TIPS Member, TIPS must be notified within five (5) business days of receipt of change order.

**Termination for Convenience of TIPS Agreement Only**

TIPS reserves the right to terminate this agreement for cause or no cause for convenience with a thirty (30) days prior written notice. Termination for convenience is conditionally required under Federal Regulations 2 CFR part 200 if the customer is using federal funds for the procurement. All purchase orders presented to the Vendor, but not fulfilled by the Vendor, by a TIPS Member prior to the actual termination of this agreement shall be honored at the option of the TIPS Member. The awarded Vendor may terminate the agreement with ninety (90) days prior written notice to TIPS 4845 US Hwy North, Pittsburg, Texas 75686. The vendor will be paid for goods and services delivered prior to the termination provided that the goods and services were delivered in accordance with the terms and conditions of the terminated agreement. This termination clause does not affect the sales agreements executed by the Vendor and the TIPS Member customer pursuant to this agreement. TIPS Members may negotiate a termination for convenience clause that meets the needs of the transaction based on applicable factors, such as funding sources or other needs.

**TIPS Member Purchasing Procedures**

Usually, purchase orders or their equal are issued by participating TIPS Member to the awarded vendor and should indicate on the order that the purchase is per the applicable TIPS Agreement Number. Orders are typically emailed to TIPS at tipspo@tips-usa.com.

- Awarded Vendor delivers goods/services directly to the participating member.
- Awarded Vendor invoices the participating TIPS Member directly.
- Awarded Vendor receives payment directly from the participating member.
- Fees are due to TIPS upon payment by the Member to the Vendor. Vendor agrees to pay the participation fee to TIPS for all Agreement sales upon receipt of payment including partial payment, from the Member Entity or as otherwise agreed by TIPS in writing and signed by an authorized signatory of TIPS.

**Licenses**

Awarded Vendor shall maintain, in current status, all federal, state and local licenses, bonds and permits required for the operation of the business conducted by awarded Vendor. Awarded Vendor shall remain

reasonably fully informed of and in compliance with all ordinances and regulations pertaining to the lawful provision of goods or services under the Agreement. TIPS and TIPS Members reserves the right to stop work and/or cancel an order or terminate this or any other sales Agreement of any awarded Vendor whose license(s) required for performance under this Agreement have expired, lapsed, are suspended or terminated subject to a 30-day cure period unless prohibited by applicable statute or regulation.

**Novation**

If awarded Vendor sells or transfers all assets, rights or the entire portion of the assets or rights required to perform this Agreement, a successor in interest must guarantee to perform all obligations under this Agreement. A simple change of name agreement will not change the Agreement obligations of awarded vendor. TIPS will consider Contract Assignments on a case by case basis. TIPS must be notified within five (5) business days of the transfer of assets or rights.

**Site Requirements (*only when applicable to service or job*)**

**Cleanup:** When performing work on site at a TIPS Member’s property, awarded Vendor shall clean up and remove all debris and rubbish resulting from their work as required or directed by TIPS Member or as agreed by the parties. Upon completion of work, the premises shall be left in good repair and an orderly, neat, clean and unobstructed condition.

**Preparation:** Awarded Vendor shall not begin a project for which TIPS Member has not prepared the site, unless awarded Vendor does the preparation work at no cost, or until TIPS Member includes the cost of site preparation in a purchase order. Site preparation includes, but is not limited to: moving furniture, installing wiring for networks or power, and similar pre-installation requirements.

**Registered sex offender restrictions:** For work to be performed at schools, awarded Vendor agrees that no employee of a subcontractor who has been adjudicated to be a registered sex offender will perform work at any time when students are, or reasonably expected to be, present unless otherwise agreed by the TIPS Member. Awarded Vendor agrees that a violation of this condition shall be considered a material breach and may result in the cancellation of the purchase order at the TIPS Member’s discretion. Awarded Vendor must identify any additional costs associated with compliance of this term. If no costs are specified, compliance with this term will be provided at no additional charge.

**Safety Measures**

Awarded Vendor shall take all reasonable precautions for the safety of employees on the worksite, and shall erect and properly maintain all necessary safeguards for protection of workers and the public. The Vendor may submit an acceptable use directive for Vendor’s names and logos with which TIPS agrees to comply. Any use of TIPS name and logo or any form of publicity, inclusive of press release,

regarding this Agreement by awarded vendor must have prior approval from TIPS which will not be unreasonably withheld. Request may be made by email to TIPS@TIPS-USA.COM.

### **Supplemental Agreements**

The TIPS Member entity participating in the TIPS Agreement and awarded Vendor may enter into a separate Supplemental Agreement or contract to further define the level of service requirements over and above the minimum defined in this Agreement such as but not limited to, invoice requirements, ordering requirements, specialized delivery, etc. Any Supplemental Agreement or contract developed as a result of this Agreement is exclusively between the TIPS Member entity customer and the Vendor. TIPS, its agents, TIPS Members and employees not a party to the Supplemental Agreement with the TIPS Member customer, shall not be made party to any claim for breach of such agreement unless named and agreed by the Party in question in writing in the agreement. If a Vendor submitting a Proposal requires TIPS and/or TIPS Member to sign an additional agreement, those agreements shall comply with the award made by TIPS to the Vendor. Supplemental Vendor's Agreement documents may not become part of TIPS' Agreement with Vendor unless and until an authorized representative of TIPS reviews and approves it. TIPS review and approval may be at any time during the life of this Vendor Agreement. TIPS permits TIPS Members to negotiate additional terms and conditions with the Vendor for the provision of goods or services under the Vendor's TIPS Agreement so long as they do not materially conflict with this Agreement.

### **Survival Clause**

All applicable sales, leases, Supplemental Agreements, contracts, software license agreements, warranties or service agreements that were entered into between Vendor and TIPS or the TIPS Member Customer under the terms and conditions of this Agreement shall survive the expiration or termination of this Agreement. All Orders, Purchase Orders issued or contracts executed by TIPS or a TIPS Member and accepted by the Vendor prior to the expiration or termination of this agreement, shall survive expiration or termination of the Agreement, subject to previously agreed terms and conditions agreed by the parties or as otherwise specified herein relating to termination of this agreement.

### **Legal obligations**

It is the responding Vendor's responsibility to be aware of and comply with all local, state and federal laws governing the sale of products/services identified in the applicable Solicitation that resulted in this Vendor Agreement and any awarded Agreement thereof. Applicable laws and regulations must be followed even if not specifically identified herein.

### **Audit rights**

Due to transparency statutes and public accountability requirements of TIPS and TIPS Members', the awarded Vendor shall, at their sole expense, maintain appropriate due diligence of all purchases made by TIPS Member that utilizes this Agreement. TIPS and Region 8 ESC each reserve the right to audit the accounting of TIPS related purchases for a period of three (3) years from the time such purchases are made. This audit right shall survive termination of this Agreement for a period of one (1) year from the effective date of termination. In order to ensure and confirm compliance with this agreement, TIPS shall have authority to conduct audits of Awarded Vendor's pricing or TIPS transaction documentation with TIPS Members with 30 days' notice unless the audit is ordered by a Court Order or by a Government Agency with authority to do so without notice. Notwithstanding the foregoing, in the event that TIPS is made aware of any pricing being offered to eligible entities that is materially inconsistent with the pricing under this agreement, TIPS shall have the ability to conduct the audit internally or may engage a third- party auditing firm to investigate any possible non- compliant conduct or may terminate the Agreement according to the

terms of this Agreement. In the event of an audit, the requested materials shall be reasonably provided in the time, format and at the location acceptable to Region 8 ESC or TIPS. TIPS agrees not to perform a random audit the TIPS transaction documentation more than once per calendar year, but reserves the right to audit for just cause or as required by any governmental agency or court with regulatory authority over TIPS or the TIPS Member.

**Force Majeure**

If by reason of Force Majeure, either party hereto shall be rendered unable wholly or in part to carry out its obligations under this Agreement then such party shall give notice and full particulars of Force Majeure in writing to the other party within a reasonable time after occurrence of the event or cause relied upon, and the obligation of the party giving such notice, so far as it is affected by such Force Majeure, shall be suspended during the continuance of the inability then claimed, except as hereinafter provided, but for no longer period, and such party shall endeavor to remove or overcome such inability with all reasonable dispatch.

**Choice of Law**

The Agreement between the Vendor and TIPS/ESC Region 8 and any addenda or other additions resulting from this procurement process, however described, shall be governed by, construed and enforced in accordance with the laws of the State of Texas, regardless of any conflict of laws principles.

**Venue, Jurisdiction and Service of Process**

Any Proceeding arising out of or relating to this procurement process or any contract issued by TIPS resulting from or any contemplated transaction shall be brought in a court of competent jurisdiction in Camp County, Texas and each of the parties irrevocably submits to the exclusive jurisdiction of said court in any such proceeding, waives any objection it may now or hereafter have to venue or to convenience of forum, agrees that all claims in respect of the Proceeding shall be heard and determined only in any such court, and agrees not to bring any proceeding arising out of or relating to this procurement process or any contract resulting from or any contemplated transaction in any other court. The parties agree that either or both of them may file a copy of this paragraph with any court as written evidence of the knowing, voluntary and freely bargained for agreement between the parties irrevocably to waive any objections to venue or to convenience of forum. Process in any Proceeding referred to in the first sentence of this Section may be served on any party anywhere in the world. Venue for any dispute resolution process, other than litigation, between TIPS and the Vendor shall be located in Camp or Titus County, Texas.

Notification may occur via phone, the web, courier, email, fax, or in person. Upon notification of a pending request, the awarded Vendor shall acknowledge the TIPS Member's request as soon as possible, but must make contact with the TIPS Member within two working days.

**Status of TIPS Members as Related to Vendors Contract Information**

TIPS Members stand in the place of TIPS as related to this agreement and have the same access to the proposal information and all related documents. TIPS Members have all the same rights under the awarded Agreement as TIPS.

**Vendor’s Resellers as Related to This Agreement**

Vendor’s Named Resellers (“Resellers”) under this Agreement shall comply with all terms and conditions of this agreement and all addenda or incorporated documents. All actions related to sales by Authorized Vendor’s Resellers under this Agreement are the responsibility of the awarded Vendor. If Resellers fail to report sales to TIPS under your Agreement, the awarded Vendor is responsible for their contractual failures and shall be billed for the fees. The awarded Vendor may then recover the fees from their named reseller as the law allows.

**Support Requirements**

If there is a dispute between the awarded Vendor and TIPS Member, TIPS or its representatives may, at TIPS sole discretion, assist in conflict resolution if requested by either party. TIPS, or its representatives, reserve the right to inspect any project and audit the awarded Vendor’s TIPS project files, documentation and correspondence related to the requesting TIPS Member’s order. If there are confidentiality requirements by either party, TIPS shall comply to the extent permitted by law.

**Incorporation of Solicitation**

The TIPS Solicitation which resulted in this Vendor Agreement, whether a Request for Proposals, the Request for Competitive Sealed Proposals or Request for Qualifications solicitation, or other, the Vendor’s response to same, and all associated documents and forms made part of the solicitation process, including any addenda, are hereby incorporated by reference into this Agreement as if copied verbatim.

Remember this is a **MINIMUM** discount percentage. So, be sure that the discount percentage inserted here can be applied to ANY OFFERING OF GOODS OR SERVICES THROUGHOUT THE LIFE OF THE CONTRACT.

CAUTION: BE CERTAIN YOU CAN HONOR THIS **MINIMUM** DISCOUNT PERCENTAGE ON ANY OFFERED SERVICE OR GOOD NOW OR DURING THE LIFE OF THE CONTRACT.

What is the **MINIMUM** percentage discount off of any item or service you offer to TIPS Members that is in your regular catalog (as defined in the solicitation specifications document), website, store or shelf pricing or when adding new goods or services to your offerings during the life of the contract? The resulting price of any goods or services Catalog list prices after this discount is applied is a ceiling on your pricing and not a floor because, in order to be more competitive in the individual circumstance, you may offer a larger discount depending on the items or services purchased and the quantity at time of sale. Please note that any specific greater discount offered for a particular product, brand, or service listed in Vendor's proposal will control and Vendor will be required to honor that greater specific discount, in excess of the minimum discount, for that particular product, brand, or service for the life of the contract.

**Indemnification**

The ESC Region 8 and TIPS is a Texas Political Subdivision and a local governmental entity; therefore, is prohibited from

indemnifying third parties pursuant to the Texas Constitution (Article 3, Section 52) except as specifically provided by law or as

ordered by a court of competent jurisdiction. A provision in a contract to indemnify or hold a party harmless is a promise to pay for

any expenses the indemnified party incurs, if a specified event occurs, such as breaching the terms of the contract or negligently

performing duties under the contract. Article III, Section 49 of the Texas Constitution states that "no debt shall be created by or on

behalf of the State ... " The Attorney General has counseled that a contractually imposed obligation of indemnity creates a "debt" in

the constitutional sense. Tex. Att'y Gen. Op. No. MW-475 (1982). Contract clauses which require the System or institutions to

indemnify must be deleted or qualified with "to the extent permitted by the Constitution and Laws of the State of Texas." Liquidated

damages, attorney's fees, waiver of vendor's liability, and waiver of statutes of limitations clauses should also be deleted or qualified

with "to the extent permitted by the Constitution and laws of State of Texas."

Introduction: Texas Education Code Chapter 22 requires entities that contract with school districts to provide services to obtain criminal history record information regarding covered employees. Contractors must certify to the district that they have complied. Covered employees with disqualifying criminal histories are prohibited from serving at a school district.

Definitions: Covered employees: Employees of a contractor or subcontractor who have or will have continuing duties related to the service to be performed at the District and have or will have direct contact with students. The District will be the final arbiter of what constitutes direct contact with students. Disqualifying criminal history: Any conviction or other criminal history information designated by the District, or one of the following offenses, if at the time of the offense, the victim was under 18 or enrolled in a public school:

(a) a felony offense under Title 5, Texas Penal Code; (b) an offense for which a defendant is required to register as a sex offender under Chapter 62, Texas Code of Criminal Procedure; or (c) an equivalent offense under federal law or the laws of another state.

I certify that:

**NONE (Section A)** of the employees of Contractor and any subcontractors are covered employees, as defined above. If this box is checked, I further certify that Contractor has taken precautions or imposed conditions to ensure that the employees of Contractor and any subcontractor will not become covered employees. Contractor will maintain these precautions or conditions throughout the time the contracted services are provided.

**OR**

**SOME (Section B)** or all of the employees of Contractor and any subcontractor are covered employees. If this box is checked, I further certify that:

(1) Contractor has obtained all required criminal history record information regarding its covered employees. None of the covered employees has a disqualifying criminal history.

## The CleanBoost® Warranty

Combustion Technologies USA is so confident of its CleanBoost® products that we stand behind each and every one of them - 100%.

Other manufacturers might claim "things", promise "this or that", even offer "money-back" guarantees. We take a very different approach. We simply make the best products we can, with a real warranty backing every bottle of every product we produce. Pretty simple.

CleanBoost® fuel products have proven, time and again, to improve fuel quality, reduce wear, provide beneficial lubrication properties and increase efficiency, without any harmful side-effects or "down the road" issues showing up months or years later.

From accredited facilities, testing on-road, off-road, race track and fleet applications, all the way to the occasional user, our products have not caused any problems for our customers. They only prevent problems. These are proven products, with millions of actual miles and hundreds of users every day.

CleanBoost® products help keep your equipment running properly, each and every day, no matter the season. But we still get asked: "Will using this void my engine warranty?"

Our direct answer: NO.

And that is why we have written it all on this one page to you. NO FINE PRINT. Here is our complete promise and our full product warranty, in writing, to you, our customer:

If you purchase any CleanBoost® fuel or oil products and use them in accordance with our standard user instructions; and if you suffer engine damage, which is documented and verified by industry accepted analytical testing; and if this engine damage would otherwise be covered by the manufacturer's warranty; and if your warranty coverage is denied, just because you used CleanBoost® fuel or oil products; then, IF WE CANNOT CONVINCe YOUR ENGINE MANUFACTURER TO HONOR YOUR WARRANTY CLAIM, COMBUSTION TECHNOLOGIES USA WILL PAY FOR THE DECLINED WARRANTY REPAIRS. Racing products and use are excluded.

We back every ounce of CleanBoost® with our name and a meaningful warranty. Ask anyone else whose products you use if they will do that for you.

CleanBoost® - "We stand behind every ounce of product we produce."

NO FINE PRINT. Pretty simple.

Capital Filtrations Inc

# ABOUT US

Capital Filtrations Inc supplies unmatched aftermarket self-recycling filtration systems to combat emissions and other harmful air particulates caused by dirty oil and dirty fuel in your equipment.

As we offer various Automotive Parts and Components, each category of product completes its job by reducing waste filters in the landfill, providing clean energy and ecological solutions to selected applications, safe recycling methods for used fuel or oil, and overall cost-effective.

Our Combust Bypass Filters use unrefined "organic" coalescer cellulose media that continuously cycles fluid (fuel/oil) for periodic polishing without interfering with any additives and while industries move across the "Green Standard," the Combust Bypass Filters adheres to stringent ISO regulations by drawing out Nitrogen Oxides, Hydrocarbons, Methane, and Carbon Dioxide that lays dormant in fuel from the transfer.

# EXECUTIVE SUMMARY

---

## MISSION

At Capital Filtrations Inc our mission is to successfully supply businesses with self-sustainable bypass filters to aid in the reduction of greenhouse gas (GHG) emissions.

Our business principles are founded on three green philosophy goals:

- B2B Self-Sustainability
- Consistent Green Values (CGV)
- Resource Conservation

Conjointly, these goals are designed with a forward-thinking attitude to integrate the industrial trade with eco-friendly results. Capital Filtrations Inc believes cities, municipalities, governments, and organizations can meet the demand for green energy.

## SUSTAINABLE CONCEPT

The Clean Air Act requires the EPA to regulate hazardous air pollutants (HAP) so Capital Filtrations Inc decided to provide industries with diesel automotives across the globe with unparalleled Bypass Filters. Our unparalleled filters extract lubricant soot "pollution" particulates left behind from partially burnt fuel and help organizations achieve an ISO 16889 rating of Bx(c)=200 (This Beta rating means that the filter traps 99.5% of all particles 3 microns or larger on each pass).

Typical automotive oil filters remove particles down to 40 microns and larger which increase soot deposits that form into black smoke (emissions). Capital Filtrations Inc developed the innovative strategy to distribute 3-micron filters with a 99.1% dirt holding capacity.

## COMPANY HISTORY

Capital Filtrations Inc is a private minority-owned corporation incepted in 2009 and based in Austin, TX. We primarily focus on energy-efficient solutions with freecycling filters and environmentally sound additives to extend the life of aqueous & non-aqueous liquids. To summarize, these systems make it possible to meet ISO cleanliness ratings.

The CEO, Mr. Michael White extensive background experience includes nineteen years of supplying and providing oil/fluid filtration products. Mr. White obtained an associate degree in business management at Huston Tillotson College University and has participated in a combination of roles in the daily business operations and affairs.

# COMBUST BYPASS

# FILTRATION SYSTEMS

Combust Filters™ use WaterGuard technology, a new Patented filtration technology to remove liquid water and emulsified water from Hydraulic and Lubricating oil systems even if the oil has a high acid number or the fuel contains E-85 levels of alcohol. (This is something no other filter is reported able to do). Combust Filters have demonstrated their ability to restore contaminated hydraulic and industrial lubricating oils to a cleaner than new oil condition.

Combust bypass filters are designed to reduce rocks, chips, dust and condensation filter, oil, hydraulic fluid, transmission fluid, and diesel fuel found in a wide range of applications including Combustion Engines, Hydraulic Applications, Diesel Automatic Transmissions, Petroleum Diesel Fuels.

This new advancement allows just "one" type of Combust Filter to be used with hydraulic oils, lubricating oils, regular gasoline, diesel fuels, alcohol blended gasoline's, and bio-diesels. By increasing the frequency of filter changes, the Filter acts as a monitor to alert maintenance managers when a water leak has developed and or that water can be causing alcohol separation to be taking place in the gasoline bulk storage tanks.

Combust Dispenser Filters will last four to six months before requiring a new element. Combust bypass filters are a low-cost proactive asset management maintenance tool. It aids long-term maintenances costs while providing short-term savings for oil, OEM filters, and minimizing diesel truck downtime. Since the Combust bypass filter polishes lubricants and diesel fuel at an exceptionally low flow rate, installing the bypass filter will not impede the OEM filter's operation.

# COMBUST CT-51110D

The Combust Bypass Fuel Filter is the same thing as a Bypass Oil Filter. Instead, it cleans your fuel instead of the oil. It is not a replacement for your system's full-flow filter, in fact, it acts as a personal assistant to filter out particulates down to 3 microns that the primary filter leaves behind.

This ingenious automated technology conceals and removes robust contaminants trapped in the fuel including free water with a 99.1% dirt holding capacity.

As a result, this new automated technology eliminates the worry of partial malfunction from clogged fuel injectors, tolerance erosion, engine distress, fuel degradation, or pressure loss.

Our Spin-On Fuel Filter can also be installed as an inline filter for fuel storage tanks. and used in conjunction with the Combust Bypass Oil Filter for maximum performance and engine longevity.

# COMBUST CT-CBFK-2

The Combust Bypass Spin-On Oil Filter provides a consistent 3-micron filtration to all harmful wear metals and remove them in a single pass. Our bypass unit has an ISO 16889 rating of Bx(c)=200 (This Beta rating means that the filter traps 99.5% of all particles 3 microns or larger on each pass).

The Combust Bypass Oil Filters are engineered to eradicate solid and liquid compounds from the oil. The unified coalescing elements intercept and permanently capture submicron sediments to thicken and refine oil without deterring the inlet filter's effectiveness.

# Filtakleen

Filtakleen Bypass Filters are designed to be used in conjunction with the primary filter. This system continuously filters 10% of the oil in the circuit, which means it can provide additional filtration to a much finer tolerance than the in-line Filter. This dramatically prolongs the life of both the oil and the primary filter itself.

The filter housing is manufactured as a one-piece aluminum anodized body that is powder-coated, making it applicable for all environments and offering total durability. The lid is secured by a single high tensile bolt, making the cover removable and the filter changing simple. The cap houses a quad ring seal giving it an utterly leak-proof sealing.

Filtakleen Filter Elements are made from a cellulose fiber-based tissue of pure pulp around a cardboard core. The cartridge is housed in a nylon stocking with an impressive brass ring to facilitate cartridge removal. The filter housing is fitted using an adjustable mounting bracket, which offers the installer a wide range of filter positions and fixing points. The filter is capable of filtering all types of oils with a viscosity range of 9-22cst. It is also suitable for use with other mediums bio-fuels and diesel-electric fluid.

The Filtakleen Bypass Oil filter is an ultra-fine 1-micron bypass filtration system suitable for use with a wide range of equipment. It provides the best possible filtration protection against system wear, oil degradation, rust, and corrosion. While integrated with the equipment full-flow filter, the Filtakleen Bypass Filter typically filters all the oil in the system several times an hour, so the system continuously receives analytically clean oil.

Engine Oil systems do not need manifold as they operate at a much lower pressure. The standard operating pressure of the Filter is approximately 5 bar. The manifold incorporates a pressure valve, which is factory set at 65psi/4.45bar. The manifold has a test point for the attachment of fluid monitoring equipment. A pressure gauge is available as an option.

Filtakleen Bypass filtration units are suitable for industrial compressors, gasoline engines of all types, including for cars, pickups, and delivery trucks, and diesel engines of all kinds, including for pickups and delivery trucks and diesel engines for large delivery and over the road trucking, marine, construction, and mining applications.

## WHAT ARE THE BENEFITS OF THE FILTAKLEEN BYPASS FILTRATION UNIT?

- An extension of oil drain and filter change intervals
- An improvement of oil cooling
- An increase of filtration quality extend engine life
- Efficient removal of small particles and soot
- Reduced cost of oil and full flow filters
- 90% less wear
- 1-micron filtration
- 100% water removal

## HOW DOES THE FILTAKLEEN FILTER WORK?

Oil enters the Filter via the inlet point and passes up through the core of the filter. The oil then percolates slowly down the filter medium through the outlet and is returned to the system. Systems for hydraulic oils will have a pressure-reducing manifold fitted to the bottom of the filter body. This reduces the high-pressure of the hydraulic rating pressure of the Filter.

## WILL INCREASED FILTRATION REMOVE ANY ADDITIVES FROM MY OIL?

The additives in oil are too fine to be removed from the oil by a bypass filtration system. The average oil additive is about .04 microns in size, and Filtakleen filters remove contaminants down to 1 micron in size.

Filtakleen bypass filters have been proven to work safely with extending oil drain intervals up to 5 times longer and allows the oil to stay super clean down to one 1-micron during this extended time. Lube Analysis has proven the bypass filters to be one of the best on the market today. This filter helps prolong oil, fuel, and hydraulic oil with operational safety. Engine oil and fuel will have reduced soot, oxidation, nitration, and emissions while maintaining the required oil viscosity and TBN for proper engine component lubrication.

## FILTAKLEEN FIL-HY788 BYPASS OIL FILTER (HIGH-PRESSURE HYDRAULIC)

Filtakleen Bypass Hydraulic Oil Filters permanently maintain hydraulic oil at ISO 14/11 H2O=<0.05%. The Filtakleen system can be either installed directly onto the machine or used as an off-line cleaning rig to purify the oil. The benefits to the oil and machine are two-fold: Ultra-fine Debris removal down to 1 micron which, is generally missed by the primary 10-micron filter.

This removal immediately cuts the risk of malfunctioning control valves and dramatically reduces the sandblasting erosion of the hoses and seals by fine particles.

## FILTAKLEEN FIL-668 R BYPASS OIL FILTER (ENGINE OIL)

The Filtakleen Oil Bypass Filtration systems are simple 5 minutes 'no mess' operation without any requirements to tie up the valuable pit, mechanic, or workshop facilities. On average, major transport operators change oil/oil filters 5 to 8 times a year, and some heavy users as often as once a month.

However, once you've installed a Filtakleen system - it will allow you to operate up to 160,000km/96,000miles before making main oil filter changes with complete operational reliability.

# CLEANBOOST

BIODEGRADABLE ADDITIVES

# CLEANBOOST

CleanBoost biodegradable lubricants and fuel additives are fuels derived from corn starch from renewable biomass and achieve a 50 percent GHG emissions reduction requirement. The definition and the schedule of advanced biofuels include cellulosic biofuels and biomass-based diesel.

CleanBoost is designed to control asphaltenes in diesel fuel to provide a super-clean fuel while improving fuel. CleanBoost ensures condition monitoring and helps the engine run cooler. With today's 15ppm fuel, the components fail every day, causing thousands in repair and stranded vehicles and equipment with significant downtime issues.

CleanBoost diesel fuel additive has been tested for increased lubricity in today's ULSD fuels. ASTM D-6079 shows a considerable reduction in friction over diesel alone, which in return will increase the life of fuel system components and engine life. Our products are manufactured under the ISO 9001:20015 standards.

Diesel Fuel Treatment has been tested with both Herguth Labs and Southwest Research Institute to show the lubricity improvement over regular #1 and #2 diesel fuels. Utilizing wear scar and load rates, CleanBoost was proven to increase lubricity by over 50% in most cases.

So why use CleanBoost Diesel Additives? Several benefits flow from this improved combustion efficiency, including reduced soot formation, reduced maintenance requirements, and downsized engine and exhaust temperatures. Engines with retrofit DECS are prone to several operating problems, including increased downtime and maintenance costs, higher fuel consumption, and even higher NOx emissions.

# USA EPA Types of Incentives

---

Incentives are available at federal, regional, and state levels. There are five types of incentives to assist you with purchasing fuel-saving upgrades:

- **GRANTS** require the most paperwork and planning but provide significant funding — sometimes up to 100% of project costs. Most grant programs require progress reports and recordkeeping after funds are awarded. As long as your project and records are in compliance, the funds don't need to be repaid.
  - **REBATES AND VOUCHERS** are available when you purchase a specific vehicle or piece of equipment and use it for a specific purpose by a specific date. For example, if you purchase tires designed to decrease rolling resistance, be sure the brand is accepted by the rebate or voucher program. You may need to provide receipts, purchase orders, and original equipment manufacturer (OEM) certificates.
  - **LOW-COST LOANS** helps smaller companies with less-than-perfect credit ratings obtain financing for heavy-duty vehicle fuel-efficiency projects by offering low-interest rates and down payments. You must pay back the funds you receive, plus interest and fees, within a specified timeframe.
  - **TAX CREDITS** directly reduce your tax liability. Many states offer alternative fuel vehicle (AFV) tax credits when you purchase or convert a vehicle to operate on an alternative fuel. Credits are typically available one time per vehicle and range from a few hundred to a few thousand dollars. These credits are then claimed on your tax return. You don't need to supply receipts and purchase orders to the IRS when you file but do retain them in your records, should the IRS request them.
  - **TAX EXEMPTIONS** are available at the point of purchase on qualified items, such as fuel and idle reduction equipment. You aren't required to file paperwork to receive a tax exemption, but it's good practice to retain receipts and purchase orders for your records.

## CLEANBOOST NANO-SHEEN WATERLESS WASH

---

CleanBoost Nano-Sheen is a convenient and quick wash for your vehicle/equipment anywhere, anytime without having to find a car wash or the use of water and soap. Nano-Sheen is super easy to use and requires no buckets, no hoses, no rinsing, and no drying. Simply spray on the surface and wipe dry. No mess!

This unique formulation dissolves dirt and stains such as summertime bugs, tree sap, dust, salt, road grime, and more. Our special lubricating agent encapsulates dirt so that it can easily be wiped off your vehicle's delicate surface without scratching. It also leaves a protective film to provide gloss, color enhancement, and smoothness that conventional car washes fail to deliver.

# CleanBoost Gold

CleanBoost Gold additive is an updated version of our CleanBoost Original formulation, which is specifically developed to accelerate the combustion rate of hard-to-burn hydrocarbon molecules. It functions by promoting the decompression of the large fuel particles in the flame and thus produces smaller fragments, which are quickly burnt.

This facilitates the completion of the final stages of combustion reaction by lowering the temperatures at which soot burns while virtually eliminating opacity (black smoke) problems. Slagging, fouling, and corrosion are also less likely, thereby extending equipment life.

It dramatically reduces particulate carbon emissions while simultaneously reducing the excess air requirements. The benefits are more efficient combustion which produces more energy and fewer emissions per unit of fuel burned. There is an apparent saving associated with increasing the energy output of the fuel.

The advanced combustion also increases efficiency by reducing fouling and corrosion, thereby improving heat transfer, reducing maintenance costs, and minimizing equipment operations' interruptions. With respect to the environment, our products are manufactured in accordance with ISO 14001:2004 standards.

This Environmental Management System (EMS) is a commitment to protecting the environment and the safety and health of our employees and contractors, the community, and other third parties in relation to all of our activities.
