Overview

Neopart Transit is an OEM parts supplier for public transit and school buses, who do business nationally in the US and in Canada. We have a foundational history of manufacturing buses; we are the parts department of the formally known bus manufacturer Neoplan. We specialize in providing inventory solutions as well as competitive pricing to our large nationwide customer base. Our central warehouse in Reading, PA houses over 3 million dollars of inventory, giving us the unique ability to deliver product that we have stocked in 24 to 48 hours. We specialize in brake products but have access to a large supply chain for most bus and heavy duty replacement parts.
