Overview

H.E. Hodge company's reputation is a strong merit-based business with a tradition of success in providing quality facility solutions. For 50 years H.E. Hodge company's objectives are focused on exceeding the customer's expectation. H.E. Hodge Company specializes in the preliminary planning, specification writing, budgeting, engineering, field measuring, project managing, and installation of specialty equipment. The focused built manufactured products we represent serve as an important functionality tool in all of the institutional facilities we serve. Our mission for H.E. Hodge's company in serving our customers is based on their need for efficient facility operations. Our services ensure our clients have fully operable facilities to coordinate their programming and facilitate their community needs. We believe in listening to our clients and designing resolutions for their needs. Our team focuses on innovative services through experience and collaboration with our customers.
