Overview

NextEra Energy Solutions is a subsidiary of NextEra Energy Services and NextEra Energy, Inc., which, together with its affiliates is the world's largest generator of renewable energy from the wind and sun and a world leader in battery storage. As part of the nation's leading clean energy providers, NextEra Energy Solutions has built a solid reputation as a nationally recognized full-service Energy Services Company (ESCO) and Energy as a Service (EaaS) provider, designing, developing, building, and managing energy conservation projects. For over 30 years, we have been a leader in performance contracting and ECM implementation. From energy planning, efficiency, and procurement, to renewable energy, backup generation and battery storage, we help our customers understand and overcome any energy challenge. We have the expertise and resources to create custom energy solutions that align with your risk tolerance and achieve your budget and sustainability objectives.
