#### Overview

For more than 60 years, McKinstry has helped transform the way the industry engineers, constructs and cares for the built environment, delivering some of the smartest, most efficient buildings. With a breadth of services across engineering, construction, facilities and technology we have the unique ability to impact and optimize every element of the built environment. The McKinstry family of companies provides full design, build, operate, and maintain DBOM services as well as ESCO services. McKinstry's professional staff and trades people deliver a variety of services including energy efficiency services and finance, issue management, and onsite facility management through McKinstry Essention, LLC; and mechanical engineering, construction, architectural metals, and 24/7 maintenance through McKinstry Co, LLC. We advocate collaborative and sustainable solutions designed to ensure improved systems efficiency, occupant comfort, reduce facility operational costs and optimize client profitability for the life of their building and systems. We offer our clients vendor-neutral solutions.
