### **Overview**

*Founded in 2009 and headquartered in the San Francisco Bay Area, Motiv Power Systems delivers medium-duty class 4-6 commercial battery-electric trucks and buses, along with charging infrastructure and guidance for deploying commercial fleets. Specializing in step vans, shuttle buses, Type A - school buses, box trucks & work trucks. Motiv is a leading provider of daily-use zero-emission vehicles for moving people and moving goods that are the "backbone of urban commerce" with 98% uptime and intense customer-driven focus. The company's solutions not only offer fleets up to 85% operations and 65 % maintenance cost savings but also provide operators and riders a healthier and more comfortable experience without polluting the communities they serve.*

*Motiv will work with customers/ team to understand your business needs and create a fully tailored program to get ahead of upcoming sustainability initiatives, compliance requirements and meet internal carbon reduction goals.*

*We have been successful satisfying many of our customer fleet electrification needs through a phased approach of :  
PILOT -> LEARN -> SCALE.*
