### Overview

*Green Technology Specialists specializes and focused on affordable effective options in improving indoor air quality and purification in homes, workplaces and businesses. We do home or office air quality testing and evaluations. We use proprietary technology that reduces or eliminates dust, pollutants, allergens, mold, odors, germs and viruses without using sprays, wipes, chemicals, cover ups or refills. The technology comes in various sizes with solutions for every size space from 250 - 3000 square feet.*
