Overview

Osment Roofing Systems, Inc. is a commercial and industrial roofing company with 42 years of experience. To date we have installed millions of square feet of sprayed polyurethane, urethane, silicone, acrylic, and single-ply roofing membranes. We also provide extensive roofing related sheet metal services. ORS specializes in roof replacement both retrofit and re-roofing and provides services associated with installing a roof. ORS offers a full range of services, from preliminary planning through the completed installation. Preplanning services include roof investigation, cost analysis, maintenance costs, moisture detection roof plans, and details, energy audits, and optimum roofing options and solutions.
