Hello,

We utilize the SBA Dynamic Small Business Search every month to obtain Vendor contacts and to solicit relevant Vendors to respond to our IDIQ solicitations. This month, every time we search our NAICS Codes, we get a blank spreadsheet in error. I have tried searching one code at a time. I have restarted the webpage, I have searched a number of different NAICS Code. You can see a print out of my search attached as well as the resulting blank spreadsheet. Please advise at your earliest convenience, which occurred on five separate bids. Thank you very much for your help.

Thank you,

Sarah Reynolds
