Maximum number of profiles to be returned at a time:

▾

Note: "Show All" shows as many profiles as you're allowed to receive, which may increase that limit to 5000. But due to a database restriction, adding "one-to-many" fields to the profile list (next item), lowers the limit to 1000. Choosing HTML Import format,below, automatically sets "Show All".

Show the following fields in the profile list:

Name and Trade Name of Firm; Contact; Address and City, State Zip; Capabilities Narrative; E-mail Address

Font Size (these usually affect all formats except HTML Import as text):
