SBA has verified the following certifications in DSBS: HZ, WOSB, EDWOSB. Any other certification presented in DSBS (i.e., SDVOSB) is self-certified by a firm and not verified by SBA. Other than these SBA certifications, DSBS is generally a self-certifying database and SBA does not make any representation as to the accuracy of the data included. The SBA strongly recommends that contracting officers diligently review a bidder's small business self-certification before awarding a contract.

Note: "Show All" shows as many profiles as you're allowed to receive, which may increase that limit to 5000. But due to a database restriction, adding "one-to-many" fields to the profile list (next item), lowers the limit to 1000. Choosing HTML Import format,below, automatically sets "Show All".

Show the following fields in the profile list:
