A Purchase Order (“PO”), Agreement or Contract is the TIPS Member’s approval providing the authority to proceed with the negotiated delivery order under the Agreement. Special terms and conditions as agreed between the Vendor and TIPS Member should be added as addendums to the Purchase Order, Agreement or Contract. Items such as certificate of insurance, bonding requirements, small or disadvantaged business goals are some, but not all, of the possible addendums.

Terms and Conditions

Freight

All quotes to Members shall provide a line item for cost for freight or shipping regardless if there is a charge or not. If no charge for freight or shipping, indicate by stating “No Charge”, “\$0”, “included in price” or other similar indication. Otherwise, all shipping, freight or delivery charges shall be passed through to the TIPS Member at cost with no markup and said charges shall be agreed by the TIPS Member unless alternative shipping terms are agreed by TIPS as a result of the proposal award.

Warranty Conditions

All new supplies equipment and services shall include ***manufacturer's minimum standard warranty*** unless otherwise agreed to in writing. Vendor shall be legally permitted to sell all products offered for sale to TIPS Members if the offering is included in the Request for Proposal (“RFP”) category. All goods proposed and sold shall be new unless clearly stated in writing.

Customer Support

The Vendor shall provide timely and accurate customer support for orders to TIPS Members as agreed by the Parties. Vendors shall respond to such requests within a commercially reasonable time after receipt of

the request. If support and/or training is a line item sold or packaged with a sale, support shall be as agreed with the TIPS Member.

Agreements

Agreements for purchase will normally be put into effect by means of a purchase order(s) executed by authorized agents of the TIPS Member participating government entities, but other means of placing an order may be used at the Member's discretion.

Tax exempt status

Most TIPS Members are tax exempt and the related laws and/or regulations of the controlling jurisdiction(s) of the TIPS Member shall apply.

Assignments of Agreements

No assignment of this Agreement may be made without the prior notification of TIPS. Written approval of TIPS shall not be unreasonably withheld. Payment for delivered goods and services can only be made to the awarded Vendor, Vendor designated reseller or vendor assigned company.

Disclosures

- Vendor and TIPS affirm that he/she, or any authorized employees or agents, has not given, offered to give, nor intends to give at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor or service to a public servant in connection with this Agreement.
- Vendor shall attach, in writing, a complete description of any and all relationships that might be considered a conflict of interest in doing business with the TIPS program.
- The Vendor affirms that, to the best of his/her knowledge, the offer has been arrived at independently, and is submitted without collusion with anyone to obtain information or gain any favoritism that would in any way limit competition or give an unfair advantage over other vendors in the award of this Agreement.

Term of Agreement and Renewals

The Agreement with TIPS is for approximately three (3) years with an option for renewal for an additional one (1) consecutive year. If TIPS offers the renewal extension year, the Vendor will be notified by email to the primary contact of the awarded Vendor and shall be deemed accepted by the Vendor unless the awarded Vendor notifies TIPS of its objection to the additional term. TIPS may or may not exercise the available extension(s) provided in the original solicitation beyond the base three-year term. Whether or not to offer the extension is at the sole discretion of TIPS.

“Start Date” for Term Calculation Purposes Only: Regardless of actual award/effective date of Contract, for Agreement “term” calculation purposes only, the Agreement “start date” is the last day of the month that Award Notifications are anticipated as published in the Solicitation

Example: *If the anticipated award date published in the Solicitation is May 22, 2020 but extended negotiations delay award until June 27, 2020 The end date of the resulting initial “three-year” term Agreement, (which is subject to an extension(s)) will still be May 31, 2023.*

“Termination Date”: The scheduled Agreement “termination date” shall be the last day of the month of the month of the Original Solicitation’s Anticipated Award Date plus three years.

Example: *If the original term is approximately three years, and the solicitation provides an anticipated award date of May 22, 2020, the expiration date of the original three-year term shall be May 31, 2023.*

Extensions: Any extensions of the original term shall begin on the next day after the day the original term expires.

Example Following the Previous Example: *If TIPS offers a one-year extension, the expiration of the extended term shall be May 31, 2024.*

TIPS may offer to extend Vendor Agreements to the fullest extent the original Solicitation permits.

Automatic Renewal Clauses Incorporated in Awarded Vendor Agreements with TIPS Members Resulting from the Solicitation and with the Vendor Named in this Agreement.

No Agreement for goods or services with a TIPS Member by the awarded vendor named in this Agreement that results from the solicitation award named in this Agreement, may incorporate an automatic renewal clause that exceeds month to month terms with which the TIPS Member must comply. All renewal terms incorporated in an Agreement by the vendor with the TIPS Member shall only be valid and enforceable when the vendor receives written confirmation by purchase order, executed Agreement or other written instruction issued by the TIPS Member for any renewal period. The purpose of this clause is to avoid a TIPS Member inadvertently renewing an Agreement during a period in which the governing body of the TIPS Member has not properly appropriated and budgeted the funds to satisfy the Agreement renewal. This term is not negotiable and any Agreement between a TIPS Member and a TIPS awarded vendor with an automatic renewal clause that conflicts with these terms is rendered void and unenforceable.

Shipments

The Vendor shall ship, deliver or provide ordered products or services within a commercially reasonable time after the receipt of the order from the TIPS Member. If a delay in said delivery is anticipated, the Vendor shall notify TIPS Member as to why delivery is delayed and shall provide an estimated time for completion of the order. TIPS or the requesting entity may cancel the order if estimated delivery time is not acceptable or not as agreed by the parties.

Invoices

Each invoice or pay request shall include the TIPS Member’s purchase order number or other identifying designation as provided in the order by the TIPS Member. If applicable, the shipment tracking number or pertinent information for verification of TIPS Member receipt shall be made available upon request.

Payments

The TIPS Member will make payments directly to the Vendor, the Vendor Assigned Dealer or as agreed by the Vendor and the TIPS Member after receiving invoice and in compliance with applicable payment statute(s), whichever is the greater time or as otherwise provided by an agreement of the parties.

Pricing

Price increases will be honored according to the terms of the solicitation. All pricing submitted to TIPS shall include the participation fee, as provided in the solicitation, to be remitted to TIPS by the Vendor. Vendor will not show adding the fee to the invoice presented to TIPS Member customer.

Participation Fees and Reporting of Sales to TIPS by Vendor

The Participation Fee that was published as part of the Solicitation and the fee published is the legally effective fee, along with any fee conditions stated in the Solicitation. Collection of the fees by TIPS is required under Texas Government Code §791.011 Et seq. Fees are due on all TIPS purchases reported by either Vendor or Member. Fees are due to TIPS upon payment by the Member to the Vendor, Reseller or Vendor Assigned Dealer. Vendor, Reseller or Vendor Assigned Dealer agrees that the participation fee is due to TIPS for all Agreement sales immediately upon receipt of payment including partial payment, from the Member Entity and must be paid to TIPS at least on a monthly basis, specifically within 31 calendar days of receipt of payment, if not more frequently, or as otherwise agreed by TIPS in writing and signed by an authorized signatory of TIPS. Thus, when an awarded Vendor, Reseller or Vendor Assigned Dealer receives any amount of payment, even partial payment, for a TIPS sale, the legally effective fee for that amount is immediately due to TIPS from the Vendor and fees due to TIPS should be paid at least on a monthly basis, specifically within 31 calendar days of receipt of payment, if not more frequently.

Reporting of Sales to TIPS by Vendor

Vendor is required to report all sales under the TIPS contract to TIPS. When a public entity initiates a purchase with a TIPS Awarded Vendor, if the Member inquires verbally or in writing whether the Vendor holds a TIPS Contract, it is the duty of the Vendor to verify whether or not the Member is seeking a TIPS purchase. Once verified, the Vendor must include the TIPS Contract number on any communications and related sales documents exchanged with the TIPS Member entity. To report sales, the Vendor must login to the TIPS Vendor Portal online at https://www.tips-usa.com/vendors_form.cfm and click on the PO's and Payments tab. Pages 3-7 of the [Vendor Portal User Guide](#) will walk you through the process of reporting sales to TIPS. Please refer to the TIPS [Accounting FAQ's](#) for more information about reporting sales and if you have further questions, contact the Accounting Team at accounting@tips-usa.com. The Vendor or vendor assigned dealers are responsible for keeping record of all sales that go through the TIPS Agreement and submitting same to TIPS. Failure to render the participation fee to TIPS shall constitute a breach of this agreement with our parent governmental entity, Texas Education Service Center Region 8, as established by the Texas legislature and shall be grounds for termination of this agreement and any other agreement held with TIPS and possible legal action. Any overpayment of participation fees to TIPS by a Vendor will be refunded to the Vendor within ninety (90) days of receipt of notification if TIPS receives written notification of the overpayment not later than the expiration of six (6) months from the date of overpayment and TIPS determines that the amount was not legally due to TIPS pursuant to this agreement and applicable law. It is the Vendor's responsibility to identify which sales are TIPS Agreement sales and pay the correct participation fee due for TIPS Agreement sales. Any notification of overpayment received by TIPS after the expiration of six (6) months from the date of overpayment will be non-refundable. Region 8 ESC and TIPS reserve the right to extend the six (6) month deadline to notify if approved by the Region 8 ESC Board of Directors. TIPS reserves all rights under the law to collect the fees due. Please contact TIPS at tips@tips-usa.com or call (866) 839-8477 if you have questions about paying fees.

Indemnity

The Vendor agrees to indemnify and hold harmless and defend TIPS, TIPS Member(s), officers and employees from and against all claims and suits by third parties for damages, injuries to persons (including death), property damages, losses, and expenses including court costs and reasonable attorney's fees, arising out of, or resulting from, Vendor's performance under this Agreement, including all such causes of action based upon common, constitutional, or statutory law, or based in whole or in part, upon allegations of negligent or intentional acts on the part of the Vendor, its officers, employees, agents, subcontractors, licensees, or invitees. Parties found liable shall pay their proportionate share of damages as agreed by the parties or as ordered by a court of competent jurisdiction over the case. **NO LIMITATION OF LIABILITY FOR DAMAGES FOR PERSONAL INJURY OR PROPERTY DAMAGE ARE PERMITTED OR AGREED BY TIPS/ESC REGION 8.** Per

Texas Education Code §44.032(f), and pursuant to its requirements only, reasonable Attorney's fees are recoverable by the prevailing party in any dispute resulting in litigation.

State of Texas Franchise Tax

By signature hereon, the Vendor hereby certifies that he/she is not currently delinquent in the payment of any franchise taxes owed the State of Texas under Chapter 171, Tax Code.

Miscellaneous

The Vendor acknowledges and agrees that continued participation in TIPS is subject to TIPS sole discretion and that any Vendor may be removed from the participation in the Program at any time with or without cause. Nothing in the Agreement or in any other communication between TIPS and the Vendor may be construed as a guarantee that TIPS or TIPS Members will submit any orders at any time. TIPS reserves the right to request additional proposals for items or services already on Agreement at any time.

Purchase Order Pricing/Product Deviation

If a deviation of pricing/product on a Purchase Order or contract modification occurs between the Vendor and the TIPS Member, TIPS must be notified within five (5) business days of receipt of change order.

All purchase orders presented to the Vendor, but not fulfilled by the Vendor, by a TIPS Member prior to the actual termination of this agreement shall be honored at the option of the TIPS Member. The awarded Vendor may terminate the agreement with ninety (90) days prior written notice to TIPS 4845 US Hwy North, Pittsburg, Texas 75686. The vendor will be paid for goods and services delivered prior to the termination provided that the goods and services were delivered in accordance with the terms and conditions of the terminated agreement. This termination clause does not affect the sales agreements executed by the Vendor and the TIPS Member customer pursuant to this agreement. TIPS Members may negotiate a termination for convenience clause that meets the needs of the transaction based on applicable factors, such as funding sources or other needs.

The members need to know if your company is willing to sell to them when they spend federal budget funds on their purchase. There are attributes that follow that are provisions from the federal regulations in 2 CFR part 200. Your answers will determine if your award will be designated as Federal or Education Department General Administrative Regulations (EDGAR)compliant.</p> <p>Do you want TIPS Members to be able to spend Federal grant funds with you if awarded and is it your intent to be able to sell to our members regardless of the fund source, whether it be local, state or federal?</p> <input type="text" value="Yes"/>

38 REQUIRED FOR PART 2 JOC - PRICING OF Regular Hours Coefficient

What is your regular hours coefficient for the RS Means Price Book? (FAILURE TO RESPOND PROHIBITS PART 2 JOC EVALUATION)

Remember that this is a ceiling price proposed. You can discount lower than your proposed contract coefficient, but not higher.

This is one of three pricing questions that are required for consideration for award on this solicitation. Please consider your answer carefully. An explanation of the TIPS scoring of pricing is included in the attachments for your information.

The below is an Example of how pricing model works (not intended to influence your proposed coefficient, you should propose a coefficient that you determine is right for your business):

To propose the exact pricing as the RS Means Unit Price Book, you would insert a 1.0 and to propose a 5% discount for the RS Means Price Book would be a .95 regular hours coefficient and so on.

39 REQUIRED FOR PART 2 JOC - PRICING OF After Hours Coefficient

What is your after hours coefficient for the RS Means Price Book for work performed after normal working hours? (FAILURE TO RESPOND PROHIBITS PART 2 JOC EVALUATION)

Remember that this is a ceiling price proposed. You can discount to any TIPS Member customer a lower coefficient than your proposed contract coefficient, but not higher.

This is one of three pricing questions that are required for consideration for award on this solicitation. Please consider your answer carefully. An explanation of the TIPS scoring of pricing titled "Pricing Coefficient Instruction" is included in the attachments for your information.

The below is an EXAMPLE of how the pricing model works (It is not intended to influence your proposed coefficient, you should propose a coefficient that you determine is reasonable for your business for the life of the contract): The most common after hours coefficient is time and a half of the RS Means Unit Price Book prices. To illustrate this coefficient, if your regular hours coefficient is .95, your after hours coefficient would be 1.45.

40 REQUIRED FOR 2 PART JOC - PRICING for Markup of Non-Prepriced Items in RS Means Unit Price Book

What is your proposed Markup Percentage on materials not found in the RS Means Price Book? (FAILURE TO RESPOND PROHIBITS PART 2 JOC EVALUATION)

If any materials being utilized for a project cannot be found in the RS Means Price Book, this question is what is the markup percentage on those materials?

When answering this question please insert the number that represents your percentage of proposed markup. Example: if you are proposing a 30 percent markup, please insert the number "30".

Remember that this is a ceiling markup. You may markup a lesser percentage to the TIPS Member customer when pricing the project, but not a greater percentage.

EXAMPLE: You need special materials that are not in the RS Means Unit Price Book for a project. You would buy the materials and mark them up to the TIPS Member customer by the percentage you propose in this question. If the materials cost you, the contractor, \$100 and you proposed a markup on this question for the material of 30 percent, then you would charge the TIPS Member customer \$130 for the materials.

If ACME were a TIPS awarded vendor, then ACME would list BIGmart as a reseller.</p> <p>(If applicable, Vendor should add all Authorized Resellers within the TIPS Vendor Portal upon award).</p> <p><input type="text" value="No"/></p>

SBA - HUBZone CONTINUED CERTIFICATION LETTER (RECERTIFICATION)

JUSTIN SWEDLOW -
1835 Whittier Ave D12
Costa Mesa, CA, 92627-4574

Dear JUSTIN SWEDLOW:

I am pleased to advise you that based on the affirmations provided by the firm's highest ranking official or designee, the firm has successfully completed the recertification process and continues to be included on the list of qualified HUBZone small business concerns found at http://dsbs.sba.gov/dsbs/search/dsp_searchhubzone.cfm. This certification will remain in effect for one year unless: the firm acquires, is acquired by, or merges with another firm during that one-year period; the firm is performing a HUBZone contract and fails to attempt to maintain the minimum employee HUBZone residency percentage; or the firm voluntarily withdraws from the program. The information below sets forth facts concerning the company's continued eligibility and its responsibilities.

The Firm's Responsibilities as a Certified HUBZone Small Business Concern

As a certified HUBZone small business concern, the firm may receive program benefits, including eligibility for HUBZone set-aside awards, HUBZone sole source awards, the HUBZone Price Evaluation Preference in full and open competition, and HUBZone reserves. These benefits come with important responsibilities, including:

- **Keeping up-to-date on the HUBZone area designations by visiting the HUBZone Maps on the HUBZone website at <http://www.sba.gov/hubzone>.**
- Annually recertifying the eligibility of the firm.
- Checking SBA's HUBZone Maps to determine whether changes in HUBZone area designations impact, or will impact, the firm's eligibility. Note that changes in HUBZone designations may critically affect the firm's compliance with the program requirements that its principal office be located in a HUBZone and that at least 35% of its employees reside in a HUBZone.
- Signing up to receive HUBZone News Updates by entering your email address at <https://public.govdelivery.com/accounts/USSBA/subscriber/new>. Once there, expand the "SBA Initiatives" subscription topic, select HUBZone News, and click "Next." This is the simplest single step you can take to keep current on key program changes that may affect the firm's eligibility.
- Complying with the limitations on subcontracting requirements and nonmanufacturer rule when performing any HUBZone contracts (see 13 C.F.R. §§ 126.700, 125.6, 121.406).
- "Attempting to maintain" compliance with the 35% HUBZone residency requirement during the performance of any HUBZone contracts. "Attempt to maintain" means making substantive and documented efforts, such as written offers of employment, published advertisements seeking employees, and attendance at job fairs and applies only to concerns during the performance of any HUBZone contract. A certified HUBZone small business concern that has less than 20%

of its total employees residing in a HUBZone during the performance of a HUBZone contract has failed to attempt to maintain the HUBZone residency requirement and may be proposed for decertification.

- Notifying SBA if the firm is performing a HUBZone contract and has fewer than 20% of its employees residing in a HUBZone.
- Notifying SBA within 30 days if the firm is acquired by, acquires, or merges with another firm.
- Keeping the firm's System for Award Management (SAM) and Dynamic Small Business Search (DSBS) records up-to-date. For the firm to receive benefits from the HUBZone Program (i.e., to be identified by contracting officers as eligible to receive HUBZone contracts), these records must remain up-to-date. You must validate the firm's information at least annually or its SAM registration will become inactive. If you need assistance in updating the firm's SAM or DSBS information, please go to the SAM Help Desk at <https://fsd.gov/fsd-gov/home.do>.
- Responding to notices from SBA, including notices regarding program examinations, protests, proposed decertifications, and recertifications. The HUBZone Program sends such notices to the firm's email addresses on record in DSBS. If the firm fails to respond to these notices, SBA will propose the firm for decertification and may subsequently decertify it from the Program. Therefore, it is critical that you keep the firm's SAM and DSBS profiles current and check your email's SPAM folder to make sure that you are receiving emails from SBA.

Note Regarding Redesignated Areas

In accordance with Section 1701 of the National Defense Authorization Act of 2018, areas that would have lost their HUBZone eligibility during 2018 and 2019, through expiration of their status as a redesignated area, will retain their HUBZone eligibility until December 31, 2021. For planning purposes, if the firm's principal office is located or some of its employees reside in such an area, you should consider actions to maintain program compliance after that date.

Misrepresentation

By bidding on any Federal solicitation that is set-aside or reserved for certified HUBZone small business concerns or for which a HUBZone price evaluation preference will be applied, the firm's submission of that offer is deemed to be a representation to the United States that the company is a certified HUBZone small business concern in compliance with the HUBZone Program requirements. ANY FIRM FOUND TO HAVE WILLFULLY MISREPRESENTED ITS HUBZONE STATUS IN OBTAINING SUCH AN AWARD MAY BE SUBJECT TO A RANGE OF CIVIL AND CRIMINAL PENALTIES, TREBLE DAMAGES UNDER THE FALSE CLAIMS ACT, AND/OR SUSPENSION OR DEBARMENT FROM FEDERAL CONTRACTING.

How to get the most out of the Program

Although the firm's status as a certified HUBZone SBC greatly improves its access to Federal awards, this certification does not guarantee contract awards. Your ability to research opportunities and competitively bid on them will be the key to your success in this program. I recommend you utilize the following additional web resources designed to help you maximize the Program's benefits:

- SBA's Government Contracting Classroom website, available at <http://www.sba.gov/gcclassroom>, provides valuable information on Federal contracting.
- Contract Opportunities (<https://beta.sam.gov/>) serves as a central listing for Federal procurement solicitations to the public. The Federal Procurement Data System is a database accessible to the public at no cost and you may use it to learn about contract awards to businesses in various socioeconomic categories, including HUBZone. Please note that while your concern was approved under the primary North American Industry Classification System (NAICS) Code found in your firm's SAM and DSBS profiles, you may be awarded contracts under other NAICS Codes, as long as your firm meets the applicable size standard and is determined to be responsible to perform the required work. You may benefit from researching and identifying potential HUBZone contracting opportunities outside your firm's primary NAICS code.

We wish you the best of luck as a certified HUBZone small business concern - your success will help improve the economic future of the HUBZones in which the firm operates.

If at any time you have any questions about the Program or how SBA may be able to support your business objectives, the HUBZone Office offers assistance via an interactive conference call where we can respond to general questions and concerns in real-time. For additional information, visit our website at <http://www.sba.gov/hubzone> or contact the HUBZone Help Desk at HUBZone@sba.gov.

Justin Swedlow - President
Hallpass Capital, Inc.
1835 Whittier Ave D12,
Costa mesa, CA, 92627-4574

Dear Justin Swedlow:

Congratulations! . . . Welcome to the HUBZone Program!

I am pleased to advise you that effective this date, Hallpass Capital, Inc. has been approved for certification as a "qualified HUBZone small business concern (SBC)". The firm is now eligible for HUBZone opportunities and will be included on the list of qualified HUBZone small business concerns found at http://dsbs.sba.gov/dsbs/search/dsp_searchhubzone.cfm. This certification will remain in effect unless SBA later determines that the firm does not meet the eligibility requirements of the program or the firm submits a [voluntary decertification form](#). The information below sets forth facts concerning the company's continued eligibility and its responsibilities.

The Firm's Responsibilities as a HUBZone certified concern

As a HUBZone certified concern, the program benefits the firm may receive come with important responsibilities, including:

- **Keeping up-to-date on the HUBZone geographical designations by visiting the HUBZone website at <http://www.sba.gov/content/hubzone-maps>.**

Check SBA's HUBZone mapping pages to determine whether changes in HUBZone area designations impact, or will impact, the firm's eligibility. Note that changes in geographical designations may critically affect the firm's compliance with Program requirements that its principal office be located in a HUBZone, and/or that at least 35% of its employees reside in a HUBZone. Sign up to receive HUBZone News Updates by entering your email address at <https://public.govdelivery.com/accounts/USSBA/subscriber/new>. Once there, expand the "SBA Initiatives" subscription topic, select HUBZone News, and click "Next." This is the simplest single step you can take to keep current on key program changes that may affect the firm's eligibility
- **Remaining in compliance at all times and staying updated on Program changes.** It is the firm's responsibility to continually ensure that it meets the requirements of the Program. This includes, for example, continuously meeting the 35% HUBZone residency requirement. The firm can make good faith efforts to "attempt to maintain" (see definition at [13 C.F.R. § 126.103](#)) having 35% of its employees reside in a HUBZone during the performance of a HUBZone contract it received (as a prime, not as a subcontractor). But, the business must meet this residency requirement anytime it submits an offer on and receives a new HUBZone contract. This also includes complying with contract performance requirements in connection with any HUBZone contracts awarded to the firm as a qualified HUBZone SBC (e.g., the subcontracting limitations requirements set forth in [13 C.F.R. § 126.700](#), and/or the non-manufacturer rule set forth in [13 C.F.R. § 126.601\(e\)](#)).
- **Informing the HUBZone Program of any material changes to the concern.** If there are material changes to the concern that may affect its continued eligibility, you must notify the HUBZone Program by sending an e-mail to HZMCN@sba.gov. Material changes include a change in name, size, ownership, business structure, or principal office location, in addition to falling below the 35% employee HUBZone residency requirement when the firm is not performing on a HUBZone contract. Failure to notify the HUBZone Program of material changes may result in decertification from the program. If at any time the concern no longer qualifies for the HUBZone Program, the individual authorized to represent the firm can complete the "Voluntary Decertification Agreement" available at <http://www.sba.gov/content/maintaining-hubzone-certification>.

Note: The HUBZone Program sends notices regarding program examinations, proposed decertifications, and re-certifications to the firm's physical and email addresses of record. If the firm fails to respond to these notices because the firm relocated without updating its SAM and DSBS profiles and informing the HUBZone Program, SBA will propose the firm for decertification and may subsequently decertify it from the Program. Therefore, it is critical that you check your email's SPAM folder to make sure that you are receiving emails from SBA, notify us of any change in the physical address and keep the firm's SAM and DSBS profiles current.

- **Participating in SBA eligibility monitoring initiatives.** In order to ensure the integrity of the Program, firms will be required to recertify their status and may be subject to program examinations, proposed decertifications, or protests designed to verify eligibility, including:
 - SBA requiring the concern to certify in writing under penalty of perjury that it continues to meet all the eligibility criteria of the HUBZone Program or voluntarily decertify
 - SBA requiring the concern to submit updated documentation, similar to the information and documents you provided for the firm to obtain initial certification, in order to verify that it remains eligible for the program.
 - SBA requiring the concern to demonstrate that it was eligible for the Program both at the time of its initial offer and award of a HUBZone contract.
 - SBA making unannounced site visits to any or all of the concern's locations to verify the accuracy of any information provided to SBA.

- **Keeping the firm's System for Award Management (SAM) and Dynamic Small Business Search (DSBS) records up-to-date.** To apply for HUBZone Program certification, the firm had to be registered in SAM and DSBS. For the firm to receive benefits from the HUBZone Program (i.e., to be identified by contracting officers as eligible to receive HUBZone contracts and to be paid under any such contracts), these records must remain up-to-date. You must validate the firm's information at least annually or its SAM registration will become inactive. If you need assistance in updating the firm's SAM or DSBS information, please go to the SAM Help Desk at <https://fsd.gov/fsd-gov/home.do>.

- **Misrepresentation:** By bidding on any Federal solicitation that is set-aside or reserved only for HUBZone SBCs or for which a HUBZone preference will be applied, the firm's submission of that offer is deemed to be a representation to the United States that the company is fully in compliance with the HUBZone regulatory requirements, and that there have been no material changes since it received the HUBZone certification. ANY SBC FOUND TO MISREPRESENT ITS HUBZONE STATUS IN OBTAINING SUCH AN AWARD MAY BE SUBJECT TO A RANGE OF CIVIL OR CRIMINAL PENALTIES, TREBLE DAMAGES UNDER THE FALSE CLAIMS ACT, AND/OR SUSPENSION OR DEBARMENT FROM FEDERAL CONTRACTING.

How to get the most out of the Program

- www.USAspending.gov is a single searchable website, accessible to the public at no cost, which includes for each Federal award: the name of the entity receiving the award; the amount of the award; information on the award including transaction type, funding agency, etc.; and the location of the entity receiving the award.
- SBA's Surety Bond Guarantee program (SBG) website (www.sba.gov/osg) provides information on how to apply for an SBA surety bond guarantee and a listing of participating sureties and agents. For immediate questions, please call 202-205-6540. The SBG program guarantees bid, performance and payment bonds for individual private or public contracts up to \$6.5 million, and up to \$10 million with a federal contracting officer's certification that the bond guarantee is necessary, for small and emerging contractors having difficulties obtaining surety bonds through regular commercial channels.

Thank you for contributing to US economic development

We wish you the best of luck as a HUBZone certified concern - your success will help improve the economic future of the HUBZone(s) in which the firm operates. Adequate records of operating history, maintenance, and/or testing must be kept by the end user and provided to Acuity upon request to substantiate that the Product(s) have failed to comply with the terms of this Warranty. Neither polycarbonate nor acrylic material used in the Products is warranted against yellowing, as yellowing may naturally occur over time due to normal aging. This Warranty excludes labor and equipment required to remove and/or reinstall original or replacement parts. This Warranty extends only to the Product(s) as delivered to, and is for the sole and exclusive benefit of, the original end user of the Product(s) at the original location. This Warranty may not be transferred or assigned by the original end user. The repair or replacement of any Product(s) or component part within the Product(s) is the sole and exclusive remedy for failure of the Product(s) to comply with the terms of this Warranty and does not extend the Warranty period. Warranty claims regarding the Product(s) must be submitted in writing within (30) days of discovery of the defect or failure to an authorized Acuity post-sales or customer service representative. Product(s) or component part(s) may be required to be returned for inspection and verification of non-conformance by Acuity, but no Product(s) or component part(s) will be accepted for inspection, verification or return unless accompanied by a "return authorization number" which can be obtained only from an authorized Acuity post-sales or customer service representative. Acuity is not responsible for any costs and expenses incurred in connection with shipment of Product(s) to Acuity, but Acuity shall bear all cost and expense incurred in connection with shipment of replacement Product(s) to the customer.

THE FOREGOING WARRANTY TERMS ARE EXCLUSIVE AND IN LIEU OF ALL OTHER WARRANTIES, AND ACUITY EXPRESSLY DISCLAIMS ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, RELATING DIRECTLY OR INDIRECTLY TO THE PRODUCT(S), WHETHER ORAL, WRITTEN, OR ARISING BY COURSE OF DEALING OR USAGE OF TRADE, INCLUDING, WITHOUT LIMITATION, ANY WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. NO AGENT, DISTRIBUTOR OR OTHER SUPPLIER OF ACUITY PRODUCTS HAS THE AUTHORITY TO MODIFY OR AMEND THIS WARRANTY WITHOUT EXPRESS WRITTEN AUTHORIZATION FROM ACUITY.

**STATEMENT OF LIMITED WARRANTY
FOR ACUITY BRANDS LIGHTING, INC.
LED COMMERCIAL INDOOR PRODUCTS
FOR SHIPMENTS WITHIN THE UNITED STATES AND CANADA
10/01/12**

IN NO EVENT SHALL ACUITY BE LIABLE FOR ANY INDIRECT, SPECIAL, INCIDENTAL, CONSEQUENTIAL, EXEMPLARY OR PUNITIVE DAMAGES, EVEN IF INFORMED OF THE POSSIBILITY OF SUCH DAMAGES, WHETHER AS THE RESULT OF BREACH OF CONTRACT, WARRANTY, TORT (INCLUDING NEGLIGENCE), STRICT LIABILITY, OR ANY OTHER THEORY, INCLUDING WITHOUT LIMITATION LABOR OR EQUIPMENT REQUIRED TO REMOVE AND/OR REINSTALL ORIGINAL OR REPLACEMENT PARTS, LOSS OF TIME, PROFITS OR REVENUES, LACK OR LOSS OF PRODUCTIVITY, INTEREST CHARGES OR COST OF CAPITAL, COST OF SUBSTITUTE EQUIPMENT, SYSTEMS, SERVICES OR DOWNTIME COSTS, DAMAGE TO OR LOSS OF USE OF PROPERTY OR EQUIPMENT OR ANY INCONVENIENCE ARISING OUT OF ANY BREACH OF THE FOREGOING WARRANTY OR OBLIGATIONS UNDER SUCH WARRANTY.

Acuity reserves the right to modify or discontinue this Warranty without notice provided that any such modification or discontinuance will only be effective with respect to any Product(s) purchased after such modification or discontinuance.

1. Applicable Terms and Conditions

(a) These terms and conditions of sale establish the rights, obligations, and remedies of Buyer and Seller that apply to any order issued by Buyer for the purchase of Seller's products and/or services ("Products"). No additional or different terms or conditions, whether contained in Buyer's purchase order form or in any other document or communication pertaining to Buyer's order, will be binding on Seller unless accepted in writing by an authorized representative of Seller. Seller expressly objects to and rejects any additional or different terms and conditions, which shall be ineffective.

(b) If Seller's order acknowledgement, invoice, other document, or electronic transmittal including or attaching these terms and conditions is found to be an acceptance of an offer, acceptance is expressly made conditional upon Buyer's assent solely to these terms and conditions, and acceptance of any part of Products delivered by Seller shall be deemed to constitute such assent by Buyer. If the order acknowledgement, invoice, other document, or electronic transmittal including or attaching these terms and conditions constitutes an offer, Buyer's acceptance of the offer is hereby limited to the terms of the offer.

2. Price, Payment Terms, and Title

(a) All prices represent those in effect at the time of quotation and are subject to change without notice. Unless prices are bid or quoted as "firm," Seller reserves the right to invoice at prices in effect at the date of shipment, regardless of any prior bid and whether notice was received by Buyer. Prices are stated in United States dollars unless otherwise indicated, are exclusive of shipping, handling, shipping insurance, duties, and sales, use, excise or similar taxes. Export packaging or any other special handling requested by Buyer will be at Buyer's expense. A service charge of \$25 will be assessed for any order less than \$100.

(b) Buyer acknowledges that the pricing of the Products has been set based on the agreed allocation of risks contained in these terms and conditions. If, notwithstanding the provisions of these terms and conditions, a court of competent jurisdiction determines that Buyer's terms and conditions apply to an order, then Seller shall have the right to either (i) modify the prices (including retroactively) according to the additional level of risk and responsibility that Buyer's terms and conditions require Seller to undertake; or (ii) cancel the order any time after such a determination without liability for the termination other than for the Products already delivered on these terms and conditions.

(c) Unless different credit terms have been extended to Buyer in writing by Seller, payment terms are net 30 days after delivery or date of invoice, whichever first occurs, in the currency invoiced. Seller reserves the right to modify or withdraw credit terms at any time without notice. If Buyer fails to fulfill the terms of payment, Seller may defer further shipments to Buyer or, at its option, cancel the unshipped portions of Buyer's orders. Buyer agrees to pay interest on all past due invoices at the lesser of 18% per annum, compounded monthly, or the highest contractual rate allowable under the law.

(d) Until full payment of all obligations of the Buyer for an order, Seller reserves the title (but not the risk of loss) to all Products furnished under that order. If the Buyer defaults in payment or performance or becomes subject to insolvency, receivership or bankruptcy proceedings or makes an assignment for the benefit of creditors, or without the consent of Seller voluntarily or involuntarily sells, transfers, leases or permits any lien or attachment on the Products, Seller may treat all amounts then or thereafter owing by Buyer to be immediately due and payable and Seller at its election may repossess Products for which Buyer has not paid in full. In the event of repossession of Products under this section, Buyer agrees that Seller may enter the premises where the Products may be located and remove them without notice and without being liable to Buyer for such repossession. Buyer will not set off invoiced amounts or any portion thereof against sums that are due or may become due from Seller, its parents, affiliates, or subsidiaries. Buyer grants Seller a security interest in all Products for which title has passed (including all after-acquired Products) that Seller sells Buyer and all proceeds of Products (including but not limited to all products in which Products are incorporated and any funds and products that Buyer receives in exchange for Products). Buyer consents to Seller's execution of any documents to evidence and perfect this security interest, and agrees to execute the same if requested by Seller.

3. Delivery and Risk of Loss

(a) Unless otherwise agreed in writing, all deliveries of Products will be EXW (Incoterms 2000) Seller's facility. Products will be packed in Seller's standard commercial shipping packages. Charges for shipping may not reflect net transportation costs paid by Seller. Buyer shall reimburse Seller for all costs of storage and handling incurred by Seller after the date that Seller is prepared to make shipment.

(b) Delivery and shipping dates are approximate and represent Seller's best estimate of the time required to make delivery or shipment. Time is not of the essence with respect to the transactions covered by these terms and conditions, except with respect to Buyer's obligation to make all related payments. Seller's obligations under these terms and conditions will be dependent upon Seller's ability to obtain necessary raw materials and components. Seller shall have the right to make partial deliveries and to ship up to forty (40) days in advance of shipping date.

4. Acceptance

Acceptance shall occur, if not before, when Buyer fails to reject within ten (10) days after delivery of the Products. Buyer may rightfully reject only when a reasonable inspection shows that the Products fail to conform substantially to the specifications for the Products. Buyer waives any right to revoke acceptance.

Buyer's remedies for any nonconformity detected after acceptance are limited to those expressly provided in these terms and conditions for breach of warranty.

5. Limited Warranty

(a) Seller warrants to each original Buyer of Products that Products are, at the time of delivery to the Buyer, in good working order and conform to Seller's official published specifications, provided that no warranty is made with respect to any Products, ballasts, lamps, component parts, or accessories manufactured by others but supplied by Seller.

(b) Seller's obligation under this warranty for any Product proved not to be as warranted within the applicable warranty period is limited to, at its option, replacing the Product, refunding the purchase price of the Product, or using reasonable efforts to repair the Product during normal business hours at any authorized service facility of Seller. All costs of transportation of any Product claimed not to be as warranted and of any repaired or replacement Product to or from such service facility shall be borne by Buyer.

(c) Seller may require the return of any Product claimed not to be as warranted to one of its facilities as designated by Seller, transportation prepaid by Buyer, to establish a claim under this warranty. The cost of labor for removing a Product and for installing a repaired or replacement Product shall be borne by Buyer. Replacement parts provided under the terms of this warranty are warranted for the remainder of the warranty period of the Products in which they are installed to the same extent as if such parts were original components. Warranty services provided under these terms and conditions do not assure uninterrupted operations of Products; Seller shall not be liable for damages caused by any delays involving warranty service.

(d) The warranty period for Products is twelve (12) months from the date of shipment unless otherwise agreed by Seller in writing.

(e) EXCEPT FOR THE EXPRESS WARRANTY SET FORTH ABOVE, SELLER PROVIDES PRODUCTS AS-IS AND MAKES NO OTHER REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED, STATUTORY OR OTHERWISE, REGARDING THE PRODUCTS, THEIR FITNESS FOR ANY PARTICULAR PURPOSE, THEIR MERCHANTABILITY, THEIR QUALITY, THEIR NONINFRINGEMENT, OR OTHERWISE. IN NO EVENT SHALL SELLER BE LIABLE FOR THE COST OF PROCUREMENT OR INSTALLATION OF SUBSTITUTE GOODS. THIS WARRANTY SPECIFICALLY EXCLUDES POLE FAILURE RESULTING FROM A THIRD-PARTY ACT OR OMISSION, MISUSE, UNANTICIPATED USE, FATIGUE, FAILURE, OR SIMILAR PHENOMENA RESULTING FROM INDUCED VIBRATION, HARMONIC OSCILLATION, OR RESONANCE FROM AIR CURRENT MOVEMENT AROUND THE PRODUCT. THIS WARRANTY SPECIFICALLY EXCLUDES POLES INSTALLED WITHOUT THE LUMINAIRES OR WITH UNAPPROVED DEVICES SUCH AS BANNERS, PENNANTS, CAMERAS, OR SIGNS, FOR WHICH THE POLE WAS NOT DESIGNED. USE OF SUCH ACCESSORIES MAY RESULT IN INJURY, DEATH OR PROPERTY DAMAGE. THIS WARRANTY SPECIFICALLY EXCLUDES POLES USING PRE-EXISTING ANCHORAGES, ANCHOR BOLTS, OR BOLT ADAPTERS NOT SUPPLIED BY COOPER LIGHTING. IT ALSO EXCLUDES ISSUES RELATED TO FOUNDATION OR SOIL CONDITIONS AT THE INSTALLATION SITE.

6. LIMITATION OF LIABILITY

IN NO EVENT WILL SELLER BE LIABLE FOR ANY SPECIAL DAMAGES, CONSEQUENTIAL DAMAGES, INDIRECT DAMAGES, INCIDENTAL DAMAGES, STATUTORY DAMAGES, EXEMPLARY OR PUNITIVE DAMAGES, LOSS OF PROFITS, LOSS OF REVENUE, LIQUIDATED DAMAGES, OR LOSS OF USE, EVEN IF INFORMED OF THE POSSIBILITY OF SUCH DAMAGES. SELLER'S LIABILITY FOR DAMAGES ARISING OUT OF OR RELATED TO A PRODUCT SHALL IN NO CASE EXCEED THE PURCHASE PRICE OF THE PRODUCT FROM WHICH THE CLAIM ARISES. TO THE EXTENT PERMITTED BY APPLICABLE LAW, THESE LIMITATIONS AND EXCLUSIONS WILL APPLY WHETHER SELLER'S LIABILITY ARISES OR RESULTS FROM BREACH OF CONTRACT, BREACH OF WARRANTY, TORT (INCLUDING BUT NOT LIMITED TO NEGLIGENCE, GROSS NEGLIGENCE, MALICE, OR INTENTIONAL CONDUCT), STRICT LIABILITY, BY OPERATION OF LAW, OR OTHERWISE.

7. Cancellation and Return of Products

Orders shall not be subject to cancellation or modification either in whole or in part without Seller's written consent and then only with terms that will reimburse Seller for all reasonable termination charges, including all progress billings and all incurred direct manufacturing costs. Seller's written consent must be given in advance of Buyer's return of Products for credit. Seller reserves the right to cancel any sale of Products without liability to Buyer (except for refund of monies already paid), if the manufacture or sale of the goods is or becomes technically or economically impractical.

8. Force Majeure

Seller shall not be liable for any failure to perform or delay in performing its obligations resulting directly or indirectly from or contributed to by any acts of God, acts of Buyer or those under Buyer's control, acts of government or other civil or military authorities, priorities, strikes, or other labor disputes, fires, accidents, floods, epidemics, war, riot, embargoes, delays in transportation, lack of or inability to obtain raw materials, components, labor, fuel or supplies, or other circumstances beyond Seller's reasonable control ("Force Majeure Event"). If Seller elects, the time for performance shall be extended by a period of time equal to the time lost because of any delays caused by reasons of a Force Majeure Event. Should Seller be prevented from completing Buyer's order or any part thereof because of any Force Majeure Event, then Buyer agrees promptly upon request and upon receipt of invoice therefor, to pay Seller for any Product or Products then completed.

9. Work Product

"Work Product" shall include, without limitation, all designs, discoveries, creations, works, devices, masks, models, work in progress, service deliverables, inventions, products, special tooling, computer programs, procedures, improvements, developments, drawings, notes, documents, business processes, information and materials made, conceived or developed by Seller alone or with others that result from or relate to the Products. All Work Product shall at all times be and remain the sole and exclusive property of Seller. Buyer hereby agrees to irrevocably assign and transfer to Seller and does hereby assign and transfer to Seller all of its worldwide right, title and interest in and to the Work Product including all associated intellectual property rights. Buyer hereby waives any and all moral and other rights in any Work Product or any other intellectual property created, developed or acquired in respect of the Products. Seller will have the sole right to determine the treatment of any Work Product, including the right to keep it as trade secret, execute and file patent applications on it, to use and disclose it without prior patent application, to file registrations for copyright or trademark in its own name or to follow any other procedure that Seller deems appropriate. All tools and equipment supplied by Buyer to Seller shall remain the sole property of Seller.

10. Confidentiality

(a) Buyer may acquire knowledge of Seller Confidential Information (as defined below) in connection with Products and/or its performance hereunder and agrees to keep Seller Confidential Information in confidence during and following termination or expiration of this Agreement. "Seller Confidential Information" includes but is not limited to all information, whether written or oral, in any form, including, without limitation, information relating to the research, development, products, methods of manufacture, trade secrets, business plans, customers, vendors, finances, personnel data, Work Product, and other material or information considered proprietary by Seller relating to the current or anticipated business or affairs of Seller that is disclosed directly or indirectly to Buyer. In addition, Seller Confidential Information means any third party's proprietary or confidential information disclosed to Buyer in the course of providing Products to Buyer.

(b) Buyer agrees not to copy, alter or directly or indirectly disclose any Seller Confidential Information. Additionally, Buyer agrees to limit its internal distribution of Seller Confidential Information to Buyer's employees who have a need to know, and to take steps to ensure that the dissemination is so limited. In no event will Buyer use less than the degree of care and means that it uses to protect its own information of like kind, but in any event not less than reasonable care to prevent the unauthorized use of Seller Confidential Information. Buyer may disclose Seller Confidential Information that is required to be disclosed pursuant to a requirement of a government agency or law but only after Buyer provides prompt notice to Seller of such requirement and gives Seller the opportunity to challenge or limit the scope of the disclosure.

(c) Buyer further agrees not to use Seller Confidential Information except in the course of performing hereunder and will not use such Seller Confidential Information for its own benefit or for the benefit of any third party. All Seller Confidential Information is and shall remain the property of Seller. Upon Seller's written request, Buyer shall return, transfer or assign to Seller all Seller Confidential Information, including all Work Product, and all copies containing Seller Confidential Information.

11. Patent Indemnity

In the event any Product is made in accordance with drawings, samples or manufacturing specifications designated by Buyer, Buyer agrees to indemnify, defend and hold Seller harmless from any and all damages, costs and expenses (including attorney's fees) relating to any claim arising from or relating to the design, distribution, manufacture, marketing, sale, or use of the Product or arising from or relating to a claim that such Product furnished to Buyer by Seller, or the use thereof, infringes any claim of any patent, foreign or domestic, and Buyer agrees at its own expense to undertake the defense of any suit against Seller brought upon such claim or claims.

12. Changes in Product Design or Manufacture

Seller shall have the right to change, discontinue or modify the design and construction of any of its products and to substitute material equal to or superior to that originally specified.

13. Software License

Software, if included with a Product, is hereby licensed and not sold. The license is nonexclusive, and is limited to use with the Product with which it is included. No other use is permitted and Seller retains for itself (or, if applicable, its suppliers) all title and ownership to any software delivered hereunder, all of which contains confidential and proprietary information and which ownership includes without limitation all rights in patents, copyrights, trademarks and trade secrets. Buyer shall not attempt any sale, transfer, sublicense, reverse compilation or disassembly (save to the extent expressly permitted by law) or redistribution of the software. Buyer shall not copy, disclose or display any such software, or otherwise make it available to others.

14. Compliance with Laws

Buyer shall comply with all laws and regulations applicable to Products, including but not limited to all applicable import and export laws and regulations. Buyer and Buyer's Agent shall provide all information requested by Seller relating to Seller's voluntary or mandatory compliance with any law or regulation, and Buyer shall indemnify Seller for any losses incurred by Seller arising from Buyer's or Buyer's Agent's failure to provide the information requested by Seller.

15. Waiver

No waiver of any provision of these terms and conditions (or any right or default hereunder) shall be effective unless in writing and signed by an authorized representative Seller. Any such waiver shall be effective only for the instance given, and shall not operate as a waiver with respect to any other rights or obligations under these terms and conditions or applicable law in connection with any other instances or circumstances.

16. Language

The parties have expressly required that these terms and conditions be prepared in the English language. Les parties aux présentes ont expressément exigé que les présents termes et les bons de commandes émis aux termes des présentes soient rédigés en langue Anglaise.

17. Choice of Law and Dispute Resolution

Except as set forth below, these terms and conditions shall be governed by and construed in accordance with the laws of the State of Texas, without reference to its choice of law rules. If both Seller and Buyer are incorporated under the laws of Canada or a province of Canada, these terms and conditions shall be governed by and construed in accordance with the laws of the Province of Ontario and the federal laws of Canada. If Buyer is incorporated in the United States, any claim or litigation arising out of or relating to Products shall be brought exclusively in a court of competent jurisdiction in Harris County, Texas. If Buyer is incorporated outside of the United States, any dispute will be resolved by arbitration in Houston, Texas, by three arbitrators and under the International Chamber of Commerce Rules of Arbitration. The language of the arbitration will be English. In all cases, Buyer and Seller expressly exclude from application the United Nations Convention on Contracts for the International Sale of Goods.

18. Assignment

Buyer may not assign, transfer or subcontract the performance of its services, or any of its rights and/or obligations hereunder, without Seller's prior written consent.

19. Severability

If any provision of these terms and conditions is determined to be illegal, invalid, or unenforceable, the validity and enforceability of the remaining provisions of these terms and conditions will not be affected and, in lieu of such illegal, invalid, or unenforceable provision, there will be added, as part of these terms and conditions, one or more provisions as similar in terms as may be legal, valid and enforceable under applicable law. 5-Year LED Limited Warranty

5 Year Limited Warranty for Kenall LED Lighting Products

This limited warranty is provided by Kenall (the Seller) to you (the Purchaser) as the original purchaser of the LED lighting product. This limited warranty may be transferred to subsequent purchasers of the product as long as it is in its original packaging. Qualifying Kenall LED products shall be warranted by Kenall, for a period of five (5) years from the date of manufacture, to be free of defects in workmanship, materials, LED lamps and internal power regulation components against defects that result in an excessive lumen depreciation, as defined by L70 Luminaire Lifetime (L70) or when at least 10% of the discrete LED sources fail to illuminate. L70 shall be defined as 70% of the published warranty luminous flux at time of manufacture using IESNA LM-79-08 testing methods.

Kenall reserves the right to issue a credit or to repair or replace the defective product, at its discretion, upon notification and confirmation by an authorized Kenall agent of the defect. Kenall also reserves the right to test and examine the product if the defect is questionable. This limited warranty will not apply to loss or damage caused by: any product alteration, mishandling, vandalism, civil disturbances, acts of God, electrical surge, improper electrical supply, fluctuations of electrical current or voltage, electrostatic discharge, natural or induced mechanical oscillation, corrosive environments, normal wear and tear including discoloration due to aging or failure to follow applicable electrical codes. This warranty shall be void for luminaires installed into an application for which it is not intended, or intentionally damaged, or installed in abnormal environmental conditions as prescribed by Kenall. Accumulation of particulates on the optical surfaces shall not be factored into the lumen depreciation.

Kenall assumes no responsibility for labor or freight costs incurred in connection with the installation, removal or replacement of products determined to be defective. To the maximum extent permitted by applicable law, Kenall hereby disclaims all warranties and conditions, whether expressed, implied or statutory, including, but not limited to, merchantability or fitness for a particular purpose, other than those explicitly provided by Kenall hereunder.

To the maximum extent permitted by applicable law, Kenall shall, in no event, be liable for any special, incidental, indirect or consequential damages whatsoever, including, but not limited to, loss of profits.

Kenall further reserves the right to change the terms of this warranty on future sales of luminaires without prior notification and without incurring obligation and expressly disclaim all warranties not stated in this limited warranty.

These Terms and Conditions of Sale on Goods & Services (these "Terms") apply to the sale of goods (the "Products") and/or services (the "Services") by Myers Emergency Power Systems, LLC. The Myers Emergency Power Systems, LLC selling entity is hereinafter referred to as "Supplier" and the buyer is hereinafter referred to as "Buyer". These Terms are the only terms and conditions applicable to the sale or other provision of Supplier goods and services to Buyer except those that relate to prices, quantities, and delivery schedules, and any other terms included in Supplier's quotation (the "Quotation"), which terms control in the event of any conflict with these Terms, unless otherwise agreed upon by Supplier in a signed writing. Except as expressly contemplated in these Terms, Supplier rejects any other terms and conditions appearing on, referenced in, or attached to Buyer issued documents. Buyer's acceptance of a Quotation, submission of a purchase order, or acceptance of delivery of goods and/or services, each constitute its acceptance of these Terms.

1. PRICES AND DELIVERY

Prices quoted are exclusive of, and Buyer will pay, shipping and related fees, foreign, federal, state, local excise, sales, use, personal property and any other taxes or duties, except only taxes based on Supplier's income. Any certificates or other evidence of applicable exemptions to such taxes or duties must be provided to Supplier prior to invoicing or such taxes or duties will be charged to Buyer; provided, however, if Supplier does not collect such items from Buyer and is later requested or required to pay the same to any taxing authority, Buyer shall promptly make payment to Supplier or directly to such taxing authority if requested by Supplier.

Supplier does not represent that its prices are equal to or lower than those charged to other customers or comparable to prices offered by a third party.

The parties agree that the pricing in the Quotation properly reflects any and all discounts (including without limitation the value of any discounts, rebates, or other price concessions) and such discounts are intended to reflect discounts or other reductions in price within the meaning of the discount exception to the Federal Anti-Kickback Statute 42 U.S.C. Section 1320a-7b (b) (3) (A). Buyer will properly report and appropriately reflect such discounted prices on cost reports or claims submitted to any state or federal program that provides reimbursement to Buyer for the discounted goods and/or services. Buyer will also retain invoices and other price documentation and make them available to federal and state officials upon request.

Shipments shall be made in accordance with the delivery schedule outlined in the applicable (i) Quotation or (ii) purchase order expressly accepted by Supplier (a "Purchase Order"). Unless otherwise provided in the applicable Quotation, (i) Buyer shall be responsible for arranging shipping to and from Supplier's facilities and payment of all costs related thereto and (ii) terms shall be FOB Supplier's dock, and Supplier shall bear no risk of loss following the pickup therefrom.

Products to be exported, if any, are subject to Supplier's ability to obtain export licenses and other necessary papers within a reasonable time. Buyer will furnish all consular and customs declarations and will accept and bear all responsibility for penalties resulting from errors or omissions therefrom. Except as otherwise expressly stated on the Quotation, Buyer shall be responsible for all costs of shipping and transport of the Products, including packing materials, and any import and/or export duties.

2. ORDERS

Buyer shall not return or exchange shipped Products without Supplier's express prior written permission (which may be withheld in Supplier's sole discretion). Products returned to Supplier without Supplier's permission shall be returned to Buyer at Buyer's sole cost and expense. Products returned with Supplier's permission may be subject to a restocking fee.

Buyer may not cancel any order and shall be liable for a fee equal to 100% of the contract value plus any cancellation charge incurred by Supplier and any expenses or fees incidental to such cancellation, including the cost of any raw or production materials purchased in furtherance of such order.

To the extent (i) Buyer requires or requests that Supplier initiate or prepare for production of the Products or performance of the Services (whether or not pursuant to an order, a Quotation or forecasts) or (ii) Supplier informs Buyer that it is initiating or preparing for production of the Products or performance of the Services based on Buyer forecasts or other information provided by Buyer (and Buyer does not instruct Supplier to defer initiation or preparations for production within 5 days of being so informed), including by purchasing (or entering into a commitment to purchase) any raw materials, Buyer shall be responsible for all costs incurred by Supplier in connection with, or incidental to, fulfilling such requirement or requests (including the cost of purchasing the raw materials), whether or not such Products or Services are ultimately required by Buyer, regardless of the absence of a purchase order for such Products, Services or raw materials.

Buyer shall inspect the Products promptly following taking possession thereof and inform Supplier of any failure of such Products to comply in all material respects with any applicable specifications agreed to by Buyer and Supplier or the warranties applicable thereto. If any of the Products fail to comply in any material respects with any applicable specifications or warranties, Buyer may reject such Products by providing prompt written notice of such rejection to Supplier (in any event within two (2) business days following such inspection) and Supplier shall replace such non-compliant Products at its expense.

3. EXCUSABLE DELAYS

Supplier shall not be liable for any loss, damage, cost or expense resulting from delays arising out of causes beyond its control and without its fault or negligence, including acts of God, acts of the government, fires, floods, strikes, freight embargoes, delays in transportation, difficulties in obtaining labor, materials, manufacturing facilities or transportation, and unusually severe weather (each a "Force Majeure Event"), nor shall such delay affect the remainder of any order. Upon such Force Majeure Event, the time for performance shall be suspended for the duration of the Force Majeure Event. If the Force Majeure Event materially impacts Supplier's ability to meet its obligations at the agreed upon price, Supplier may reasonably increase pricing upon written notice to Buyer.

4. PAYMENT

Except as otherwise set forth in an applicable Quotation, amounts due in respect of the Products and Services will be paid within thirty (30) days from the earlier of (i) Buyer's receipt of an invoice for such Products or Services and (ii) Buyer's acceptance of such Products or Supplier's performance of such Services, as applicable. In the event Buyer's payments are not paid when due under the terms of the Quotation, Supplier may charge interest at a rate specified on the Quotation for the period commencing on the due date until the same are paid in full, or the highest interest rate permitted by applicable law, whichever is lower. Supplier may require payment in advance due to its risk assessment of Buyer's financial condition. Payments by Buyer are not subject to setoff or recoupment for any present or future claim Buyer may have against Supplier or its affiliates.

If Buyer fails to make payments when due, Supplier may immediately repossess all Products not paid in full and may suspend provision of the Products or Services, and Buyer shall pay for any reasonable out-of-pocket expenses incurred by Supplier in collecting payments, including without limitation, third-party attorneys' and collections fees.

Until Buyer has paid the entire purchase price, Buyer grants and conveys to Supplier and Supplier retains, a purchase money security interest in the Products. Upon written request by Supplier, Buyer will execute any document necessary for Supplier to perfect the security interest, and Buyer authorizes Supplier to file this document and any appropriate financing statement for purposes of such perfection.

5. WARRANTY

Supplier hereby provides a limited warranty to Buyer that all Products furnished by Supplier to Buyer shall be free of adulteration at the time Buyer takes possession and free of defects in workmanship. In the event of breach of the foregoing warranty, Supplier shall take reasonable action, at Supplier's expense, to correct such breach or replace the non-conforming Products with conforming Products. **The foregoing remedy is Buyer's sole and exclusive remedy against Supplier for breach of this warranty. Supplier hereby expressly disclaims all implied warranties, including without limitation any implied warranty as to merchantability or fitness for a particular purpose.**

For the avoidance of doubt, Supplier shall not be liable to Buyer or otherwise for any defect or deficiency which results, in whole or in part, from (i) negligent storage or handling of the Products by Buyer, its employees, agents, or contractors, or use that is inconsistent with normal storage or operational conditions or (ii) any misuse, alteration or damage occurring after title of the Products has transferred to Buyer pursuant to the terms hereof.

6. TERMINATION FOR DEFAULT

Supplier may terminate all or any part of any Purchase Order or Quotation, upon prior written notice of default to Buyer, if Buyer becomes insolvent or subject to proceedings under any law relating to bankruptcy, insolvency or the relief of debtors. Upon such termination, Buyer shall be liable for 100% of the contract value plus any costs or expenses incurred by Supplier in connection with such termination.

7. INTELLECTUAL PROPERTY

Supplier and its licensors will retain all intellectual property rights to the Products and Services (other than Buyer IP (as defined below)), including without limitation, designs, drawings, patterns, plans, specifications, technology, technical data, software and information, technical processes and business methods, whether patentable or not, arising from the sale or other provision of the Products or Services to Buyer. Buyer will not enforce against Supplier, Supplier's Buyers or their respective affiliates any intellectual property rights that include any system, process or business method utilizing or otherwise relating to Products or Services acquired from Supplier. Buyer acknowledges that the packaging and labeling of the Products will bear Buyer's trade names and trademarks ("Buyer IP"). Buyer hereby grants Supplier a non-exclusive, worldwide and royalty-free license to use such Buyer IP in connection with such packaging and labeling. Buyer shall review all packaging materials prior to order and provide its written approval (including by e-mail) of the use of such packaging materials for the Products.

8. ASSIGNMENT

Neither party may assign these Terms or a Purchase Order without the prior written consent of the other party, provided that Supplier may assign to any of its affiliates. Any attempted assignment of these Terms or any Purchase Order in violation of the foregoing shall be null and void.

9. COMPLIANCE WITH LAWS

The parties will comply with all applicable federal, state or local laws, orders, regulations and/or ordinances applicable to the sale, purchase and distribution of the Products and the performance and use of the Services, including without limitation anti-bribery, anti-corruption, import/export, privacy and anti-kickback laws.

10. LIMITATION OF LIABILITY

EXCEPT AS OTHERWISE REQUIRED BY LAW, IN NO EVENT WILL SUPPLIER BE LIABLE TO BUYER OR ANY THIRD PARTY FOR ANY INDIRECT, SPECIAL, INCIDENTAL, CONSEQUENTIAL OR PUNITIVE DAMAGES (INCLUDING WITHOUT LIMITATION DAMAGES FOR BUSINESS INTERRUPTION OR LOSS OF PROFITS) BASED UPON BREACH OF ANY WARRANTY, BREACH OF CONTRACT, NEGLIGENCE, STRICT LIABILITY, OR ANY OTHER LEGAL THEORY. SUPPLIER'S MAXIMUM LIABILITY HEREUNDER WILL NOT EXCEED THE PRICE OF THE PRODUCTS OR SERVICES FURNISHED BY SUPPLIER GIVING RISE TO THE CLAIM. Supplier's rights and remedies in these Terms are in addition to, and not in lieu of, any other rights or remedies that Supplier may have at law or in equity.

11. GOVERNING LAW AND VENUE

These Terms are governed by and shall be construed in accordance with the laws of the Commonwealth of Pennsylvania, excluding its conflicts of law rules. The parties consent to the sole and exclusive venue and jurisdiction of the federal and state courts situated in or having jurisdiction over the Commonwealth of Pennsylvania. The United Nations Convention on Contracts for the International Sale of Goods shall not apply. Any action by Buyer for loss or damage arising from or related to the goods and/or services must be commenced within the earlier of one (1) year from the date of delivery or occurrence of the event, or such claim will be forever barred. If Supplier substantially prevails in any legal dispute, Buyer shall pay all reasonable costs incurred by Supplier, including but not limited to collection costs, attorneys' fees and costs of legal action.

12. INDEPENDENT CONTRACTOR

Except as specifically and expressly provided herein, the parties shall be considered independent contractors for the purposes of these Terms and any ORDER. The relationship between Buyer and Supplier shall not be that of partners, agents or joint venturers. Nothing in these Terms or any order shall be deemed to constitute a partnership, agency agreement or joint venture between them for any purpose whatsoever.

13. ENTIRE AGREEMENT; MODIFICATIONS; WAIVER; SURVIVAL

These Terms, any Quotation and any Purchase Order constitute the entire agreement between the parties, there being no other promises, terms, conditions, or obligations, referring to the subject matter not contained or referred to herein. If any provision of these Terms, to any extent, is declared invalid or unenforceable, the remainder of these Terms will not be affected thereby and will continue to be valid and enforceable to the fullest extent permitted by law. Any modifications hereto must be in writing and signed by both parties. Supplier's failure to strictly enforce any of these terms shall not be considered a waiver of any of its rights hereunder. The termination or expiration of these Terms will not affect the survival and continuing validity of any provision which expressly or by implication is intended to continue in force after such termination or expiration.

Limited Warranty: Indoor Professional Luminaires (United States)

Philips Lighting North America Corporation (“**Philips**”) warrants to the original purchaser (“**Purchaser**”) that the Philips branded indoor professional luminaires identified on Schedule 1 (“**Products**”) will be free from defects in material and workmanship which cause the Product to fail to operate in accordance with the performance specifications set forth in documentation published for or provided with the Product (“**Specifications**”) for the applicable period and subject to the additional terms and conditions set forth on Schedule 1 from the date of purchase (as set forth in the applicable invoice) (“**Warranty Period**”). Philips warrants that any standard finish on a Product will be free of cracking, peeling, excessive fading, and corrosion defects during the applicable Warranty Period. To the extent that an authorized Philips distributor is the Purchaser of the Products, such distributor may transfer this limited warranty to subsequent purchasers of the Products, provided that such Products are resold in new condition and in their original packaging. Third party components incorporated into the Product that are not manufactured by Philips are excluded from this warranty, but may be covered by a third party manufacturer. Such third party manufacturer shall be solely responsible for the costs related to any claims associated with any such component. For non-LED Products, ballasts and lamps manufactured by Philips are warranted separately and the terms of such warranties are located at www.philips.com/warranties. For LED Products, the Product shall be considered defective only if 15% or more of the LED components fail for such Product. Certain luminaire components may be adversely affected by contaminants. If sulfur, chlorine, or petroleum based solutions, or other contaminants will be in the area of operation, please consult factory as damage caused by these contaminants are not covered under our warranty.

If any Product covered by this limited warranty is returned by Purchaser in accordance with Philip’s Terms and Conditions of Sale (available at www.philips.com/termsandconditionsprofessional) within the Warranty Period, and Philips determines to its satisfaction that such Product failed to satisfy this warranty, Philips will, at its option, repair or replace the Product or the defective part thereof, or reimburse Purchaser for the purchase price, subject to the terms and conditions set forth herein. For purposes of clarity, "repair or replace the Product or the defective part thereof" does not include any removal or reinstallation costs or expenses, including, without limitation, any labor costs or expenses, shipping costs to return non-conforming Products or any damages that may occur during the return of Product to Philips. If Philips chooses to replace the Product and is not able to do so because it has been discontinued or is not available, Philips may replace it with a comparable product. Philips reserves the right to use new, reconditioned, refurbished, repaired or remanufactured products or parts in the repair or replacement of any Product covered by this limited warranty.

This limited warranty is subject to the following additional conditions:

- The Products have been properly handled, stored, wired, transported, installed, operated and maintained in accordance with the applicable Specifications.
- A Philips representative will have access to the failed Products and the fixtures used to operate them. If the fixture or other parts become suspect, the representative shall have the right to invite other manufacturers’ representatives to evaluate the lighting system components.
- The Product has been purchased directly from an authorized Philips distributor/dealer for use in the United States.
- Purchase receipt for the Product is available for inspection by Philips.

This limited warranty does not apply to damage or failure to perform arising as a result of any acts of God or from any abuse, misuse, abnormal use, improper power supply, powers surges or fluctuations, corrosive environments, neglect, exposure or any use or installation in violation of the instructions or restrictions prescribed by Philips or any applicable standard or code, including those contained in the latest National Electrical Code, Standards for Safety of Underwriters Laboratory, Inc. (UL) or the American National Standards Institute (ANSI). No agent, distributor or dealer is authorized to change, modify or extend the terms of this limited warranty on behalf of Philips. THIS LIMITED WARRANTY IS VOID IF THE PRODUCT IS NOT USED FOR THE PURPOSE FOR WHICH IT IS DESIGNED OR IF ANY REPAIRS OR ALTERATIONS ARE MADE BY ANY PERSON NOT AUTHORIZED BY PHILIPS IN WRITING.

THIS LIMITED WARRANTY IS THE ONLY WARRANTY GIVEN BY PHILIPS WITH RESPECT TO THE PRODUCTS AND THE SOLE REMEDY FOR ANY AND ALL CLAIMS, IN CONTRACT, IN TORT OR OTHERWISE ARISING FROM THE FAILURE OF PRODUCT AND IS GIVEN IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, WHICH WARRANTIES ARE HEREBY EXPRESSLY DISCLAIMED. PURCHASER'S EXCLUSIVE REMEDY FOR ANY NONCONFORMITY OR DEFECT IN ANY PRODUCT SHALL BE ONLY AS EXPLICITLY SET FORTH HEREIN. UNDER NO CIRCUMSTANCES SHALL PHILIPS' AGGREGATE LIABILITY ARISING OUT OF OR IN CONNECTION WITH A DEFECTIVE PRODUCT, IN CONTRACT, TORT OR OTHERWISE, EXCEED THE PURCHASE PRICE OF THE PRODUCT TO WHICH SUCH LIABILITY RELATES. IN NO EVENT SHALL PHILIPS BE LIABLE FOR SPECIAL, INCIDENTAL, CONSEQUENTIAL, INDIRECT OR COMPENSATORY DAMAGES, INCLUDING, WITHOUT LIMITATION, DAMAGES RESULTING FROM LOSS OF USE, PROFITS, BUSINESS OR GOODWILL EVEN IF PHILIPS WAS ADVISED OF OR WAS OTHERWISE AWARE OF THE POSSIBILITY OF SUCH DAMAGES.

This limited warranty is effective for the purchases of the Product on or after the effective date set forth herein and is in consideration of and is expressly subject to and conditioned by the terms set forth herein. Philips reserves the right to modify this warranty from time to time and any modifications shall be effective for all orders placed on or after the effective date of such revised warranty.

STANDARD SIGNS, INC. TERMS & CONDITIONS FOR THE SALE OF GOODS

I. GENERAL PROVISIONS AND CONDITIONS

A. NATURE OF CONTRACT AND NAMES OF PARTIES. This agreement between Standard Signs, Inc. ("Seller") of 9115 Freeway Drive, Macedonia, Ohio 44056 and Buyer is for the sale of goods ("Goods") identified on the face of this Agreement and/or Seller's Order Acknowledgement (collectively "Agreement"). Seller recognizes that Buyer may desire to use its own acknowledgement form to reflect this agreement; however, any provisions in Buyer's acknowledgement form which modify, conflict with or contradict any provisions of this Agreement, shall not be binding between the parties. An acceptance of any of the Goods covered by this Agreement or Seller's Order Acknowledgement shall constitute an acceptance of these terms and conditions and shall constitute the entire understanding between Seller and Buyer.

B. INTEGRATED AGREEMENT. All orders are subject to approval by Seller at its offices in Macedonia, Ohio. The parties agree and understand that no waiver or alteration of terms contained in this Agreement, including but not limited any verbal alteration or agreement between Buyer and any agent of Seller, shall bind Seller unless in writing, signed by an executive officer of the Seller. No course of prior dealings between the parties and no usage of the trade shall supplement or explain any term used in this Agreement. Buyer acknowledges that it has not relied upon any sample, model, description or exact technical specifications in placing its order. The parties intend the terms of this Agreement to be the final, complete and exclusive expression of their agreement.

C. TERMINATION, CANCELLATION CHARGES. Seller reserves the right to begin production of orders and/or to ship Goods in stock immediately unless specifically requested otherwise. Buyer may not terminate, modify, cancel, or defer shipment of the Goods under this Agreement, except with Seller's prior written consent and subject to conditions then agreed upon. Cancellation will involve cancellation charges for all work performed, including but not limited to engineering and production work performed, up to receipt of written cancellation provided by Buyer to Seller. Buyer agrees to pay these charges as a condition of sale.

D. GOVERNING LAW, VENUE, JURISDICTION. The laws of the state of Ohio shall govern this Agreement, the construction of its terms, and the interpretation of all rights and duties of Buyer and Seller. Buyer agrees that venue shall lie in Summit County, Ohio. Buyer and Seller agree that they are amenable to suit in Ohio, and therefore, subject themselves to the jurisdiction of the state courts in Ohio by entering into this Agreement.

E. MANDATORY ARBITRATION. Except for a breach of the Intellectual Property Rights and Confidentiality provisions contained in this Agreement, for which Seller may seek equitable relief, including temporary and permanent injunction, against Buyer, the parties shall arbitrate any dispute, claim or controversy arising out of or relating to this Agreement in Ohio in accordance with the commercial rules of the American Arbitration Association then in effect. The party requesting arbitration of a dispute shall give written notice to the other party as soon as possible within the applicable time frames set forth in this Agreement for pursuing a dispute, claim or controversy. The parties agree that the results of the arbitration will bind the parties and that the prevailing party may enter judgment upon the award rendered in the highest court in Ohio, state or federal.

F. STATUTE OF LIMITATIONS. Pursuant to Ohio Revised Code Section 1302.98 the parties agree that an action for breach of this agreement, or any other cause of action arising from this agreement, must be commenced if at all within one year from when the cause of action accrued.

G. WAIVER. Neither the parties nor any interpreting legal authority shall construe any failure of Seller to demand rigid adherence to one or more of this Agreement's provisions, on one or more occasions, as a waiver or deprive Seller of the right to insist upon strict compliance in the future.

H. BINDING EFFECT, ASSIGNMENT. This Agreement shall bind and inure to the benefit of the parties and their successors and assigns; provided, however, that Buyer may not assign or transfer this Agreement, in whole or in part, except with prior written consent of Seller.

I. LEGAL CONSTRUCTION. In case any one or more of the provisions contained in this Agreement are held to be invalid, illegal, or unenforceable in any respect, the invalidity, illegality, or unenforceability shall not affect any other provision and this Agreement shall be construed as if the invalid, illegal, or unenforceable provision had never been contained in it.

J. EQUAL EMPLOYMENT OPPORTUNITY. The parties incorporate herein by reference the Equal Opportunity clause, Section 202 of Executive Order 11246, as amended, relative to equal employment opportunities and implementing rules and regulations of the Secretary of Labor.

II. PACKAGING, SHIPMENT, RISK OF LOSS, DELIVERY

A. PACKAGING. Seller shall package the Goods in standard commercial package that is acceptable to commercial carrier. Seller shall furnish special customer packaging only upon Buyer's written request and Buyer shall bear the cost for any special packing requirements. Buyer agrees to hold Seller harmless for any damage to the Goods caused by Buyer's special packaging requirements.

B. SHIPMENT, RISK OF LOSS. Seller ships all Goods F.O.B. Seller's plant. Seller ships LUMACURVE Goods with freight allowed within the contiguous 48 US states via the lowest overland rate, on orders exceeding a net value of \$2500. If qualified, Seller will ship LUMACURVE Goods consigned to Alaska or Hawaii freight allowed to the contiguous U.S. port of exit. Buyer shall bear the expense of the shipping costs to Alaska or Hawaii. If Buyer requests premium routing, Buyer shall pay the shipping cost differential. Buyer may combine any LUMACURVE Goods manufactured by Standard Signs, Inc. consigned to a single destination within the 48 contiguous U.S. states when calculating invoice value for freight allowance. Seller ships Porcelain Enamel Goods to Buyer in a reasonably commercial manner. Seller invoices Buyer for all shipping charges incurred and Buyer is responsible for payment of all shipping charges. The risk of loss passes to Buyer upon Seller's delivery to a common carrier for shipment to Buyer. Seller may treat each shipment made as a separate transaction.

C. DELIVERY. Unless expressly specified to the contrary, Seller shall ship Goods as soon as practicable. Shipping dates represent Seller's best estimate and are approximate based upon current availability of materials, present productions schedules, and prompt receipt of all necessary information. Failure to meet these dates shall not constitute default by Seller nor shall Seller be liable for any failure to perform by reason of causes beyond its control. These causes include, but are not limited to, storms, floods, fires, accidents, wars, shortages of fuel, materials, transportation facilities, labor disputes and shortages, legislative action, judicial action and acts of God. In the event of any delay or nonperformance, Seller may at its option and without liability, upon written notice to Buyer, cancel all or any portion of this Agreement and/or extend any date upon which any performance under this Agreement is due.

III. PRICE, PAYMENT TERMS, INTEREST, COLLECTION FEES & COSTS, TITLE, SECURITY INTEREST, RETURNS

A. PRICE. The price for the Goods that are the subject matter of this Agreement are set forth on the face side of this Agreement. Prices stated are subject to change without notice in the event of: (i) alterations in specifications, quantities, designs, or delivery schedules; (ii) increases in the cost of fuel, power, material, supplies, or labor; and/or (iii) foreign or domestic legislation enacted by any level of government, including tax legislation, which increases the cost of producing, warehousing, or selling the Goods purchased by Buyer. Seller shall not provide Buyer with any discount unless a discount is set forth on the face side of this Agreement. Prices do not include federal, state or local taxes as applicable and Seller will add these taxes to the sales price when Seller is legally obligated to collect the taxes unless Buyer provides Seller with a proper tax exemption certificate. If Seller pays any taxes on the Goods, Buyer shall immediately reimburse Seller for any tax payment upon demand. All prices are subject to correction for stenographic, typographic and clerical errors.

B. PAYMENT TERMS, CREDIT. The terms of payment for Goods are net thirty (30) days from the date of invoice, unless otherwise agreed between the parties. Seller may require advanced payment of 50% of the total order amount for all Porcelain Enamel Goods at the time Buyer orders Porcelain Enamel Goods. Seller extends credit purely at its discretion. If in Seller's judgment, Buyer's financial condition does not justify the terms of payment specified, Seller may at its option (1) cancel this Agreement; or (2) refuse to perform further under this Agreement unless Buyer shall immediately pay for all Goods which Seller has delivered to Buyer.

C. INTEREST, COLLECTION FEES & COSTS, TITLE, SECURITY INTEREST. Buyer agrees to pay a delinquency charge of 1½% per month (18% per annum) on any outstanding balances owed by Buyer and not paid after sixty (60) days from invoice date until Buyer renders payment in full. If Seller must pursue legal action against Buyer to collect any amounts owed by Buyer to Seller, Buyer agrees to pay Seller's expenses, including reasonable attorneys' fees, incurred as a result of the legal action. Until Buyer pays Seller the purchase price and all other sums due in full, Seller retains title to all goods shipped by Seller to Buyer. Seller may, at its discretion, seek additional security from Buyer on any amount due to Seller for goods shipped from Seller to Buyer and thus Seller may retain a security interest in the Goods and in all proceeds of the Goods. Buyer shall execute a financing statement(s) on request and irrevocably authorize Seller to execute and file same.

D. RETURNS. This return policy applies only to LUMACURVE Goods (with the exception of LUMACURVE legend panels which are custom made and not returnable). Seller only accepts returned Goods within 90 days from shipment date. Seller will not accept Goods returned for credit without Seller's permission.

Buyer must contact Seller and obtain verbal permission to return any Goods and at that time Seller will issue a return confirmation number to Buyer. All returned Goods require a return confirmation number, and Seller reserves the right to reject any returned Goods without a return confirmation number. Seller will not issue any refunds prior to Seller's receipt of the returned Goods. Buyer must return any Goods for which it seeks a refund in good, usable condition. If Seller, at its sole discretion, determines that the Goods that Buyer seeks to return are not in good, usable condition, Seller reserves the right to reject the return of the Goods and deny Buyer a refund for the Goods. All accepted returned Goods are subject to a 25% restocking charge. Seller will not refund original freight charges. Buyer, at its sole expense, shall bear all freight charges incurred to return any Goods to Seller. All Seller's Porcelain Enamel Goods are custom made and not returnable. The original manufacturer's return policy shall apply to any non-Seller manufactured Goods sold through Seller that Buyer seeks to return. Buyer must notify Seller and obtain a return confirmation number as stated above in Seller's return policy.

IV. WARRANTY, LIMITATION OF LIABILITY, INDEMNIFICATION

A. LIMITED WARRANTY. THE FOLLOWING WARRANTY FROM SELLER IS EXPRESSED IN LIEU OF ANY OTHER WARRANTY, EXPRESS OR IMPLIED, OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR USE, AND ALL OTHER OBLIGATIONS OR LIABILITIES ON THE PART OF SELLER. SELLER NEITHER ASSUMES NOR AUTHORIZES ANY OTHER PERSON TO ASSUME FOR IT ANY OTHER LIABILITY IN CONNECTION WITH THE SALE OF SELLER'S GOODS.

THE FOLLOWING WARRANTY APPLIES TO LUMACURVE GOODS ONLY. SELLER WARRANTS THAT LUMACURVE GOODS ARE FREE FROM DEFECTS IN WORKMANSHIP AND MATERIALS FOR A PERIOD OF THREE (3) YEARS FROM DATE OF INSTALLATION. SELLER WARRANTS THAT LUMACURVE "LED" LAMPS AND LUMACURVE "LED" SYSTEM ELECTRONIC PARTS ONLY ARE FREE FROM DEFECTS IN WORKMANSHIP AND MATERIALS FOR A PERIOD OF FOUR (4) YEARS FROM DATE OF INSTALLATION. If Buyer finds Goods defective, Buyer's sole and exclusive remedy and Seller's sole and exclusive obligation shall be, at Seller's option, replacement or repair of Goods. This exclusive remedy shall not fail for its essential purpose so long as Seller is willing and able to repair or replace defective Goods in the prescribed manner. Buyer's remedy is subject to an inspection and determination by Seller at Seller's Plant, that any alleged defect, malfunction or other failure of Goods is not the result of misuse, mishandling, misapplication, neglect (including but not limited to improper maintenance), accident, improper installation, modification (including but not limited to use of unauthorized parts or attachments), or adjustment or repair performed by anyone other than Seller or one of Seller's authorized agents.

IF SELLER MANUFACTURES THE GOODS ACCORDING TO BUYER'S SPECIFICATIONS, SELLER DOES NOT WARRANT THE ADEQUACY OF BUYER'S SPECIFICATIONS OR THAT THE GOODS WILL PERFORM IN ACCORDANCE WITH BUYER'S SPECIFICATIONS. SELLER DOES NOT WARRANT ANY GOODS SOLD BY SELLER BUT NOT MANUFACTURED BY SELLER. THIS WARRANTY DOES NOT COVER LABOR OR OTHER COSTS OR EXPENSES TO REMOVE OR INSTALL ANY DEFECTIVE, REPAIRED OR REPLACED GOODS.

The parties expressly acknowledge that any technical advice that Seller furnishes to Buyer with respect to the use of the Goods, Seller provides without charge, and Seller assumes no obligation or liability for the advice given or the results obtained, and Buyer accepts any advice that Seller provides at Buyer's risk. This warranty is void in the event that anyone other than Seller makes repairs to the Goods without prior written authorization from Seller.

IF BUYER SEEKS REJECTION OF GOODS DELIVERED FOR NONCONFORMITY WITH THIS AGREEMENT, SELLER'S ORDER ACKNOWLEDGEMENT, OR PACKING LIST DISCREPANCIES, BUYER MUST SEND WRITTEN NOTIFICATION TO SELLER OF THE REJECTION OF THE GOODS WITHIN FORTY-EIGHT (48) HOURS AFTER DELIVERY OF THE GOODS TO BUYER. This notification shall state the basis of the alleged nonconformity and a description of the portion of the shipment rejected. Buyer's failure to send written notification to the Seller within forty-eight (48) hours after delivery shall result in Seller deeming that no nonconformities or packing list discrepancies existed at the time of delivery to Buyer.

SELLER OFFERS NO WARRANTY ON AND NO WARRANTY APPLIES TO PORCELAIN ENAMEL GOODS.

B. LIMITATION OF LIABILITY. Pursuant to Ohio Revised Code Sections 1302.29 and 1302.93 Seller's liability for Buyer's damages is limited in the event of a breach or repudiation of this contract or of any of the provisions by Seller. SELLER'S LIABILITY (WHETHER UNDER THE THEORIES OF BREACH OF CONTRACT OR WARRANTY, NEGLIGENCE, STRICT LIABILITY OR OTHERWISE) FOR ITS GOODS IS LIMITED TO REPAIRING OR REPLACING GOODS FOUND BY SELLER AS DEFECTIVE, OR AT SELLER'S OPTION, TO REFUNDING THE PURCHASE PRICE OF THE GOODS OR PARTS. AT SELLER'S REQUEST, BUYER WILL SEND AT BUYER'S SOLE EXPENSE, ANY ALLEGEDLY DEFECTIVE GOODS TO THE PLANT OF SELLER. BUYER SHALL NOT BE ENTITLED TO RECOVER INCIDENTAL OR CONSEQUENTIAL DAMAGES INCLUDING THOSE ARISING OUT OF OR UPON THE RIGHTS RAISED OUT OF A CLAIMED BREACH OF WARRANTY, BREACH OF IMPLIED WARRANTY OF MERCHANTABILITY, WARRANTY FOR A PARTICULAR PURPOSE OR USE, OR ANY LOSSES, COSTS, EXPENSES, LIABILITIES AND DAMAGES (INCLUDING, BUT NOT LIMITED TO, LOSS OF USE OR PROFITS, DAMAGES TO PROPERTY, ALL LIABILITIES OF BUYER TO ITS CUSTOMERS OR THIRD PERSONS, AND ALL OTHER SPECIAL OR CONSEQUENTIAL DAMAGES) WHETHER DIRECT OR INDIRECT, AND WHETHER RESULTING FROM, OR CONTRIBUTED TO BY THE DEFAULT OR NEGLIGENCE OF SELLER, ITS AGENTS, EMPLOYEES, OR SUBCONTRACTORS, WHICH MIGHT BE CLAIMED AS THE RESULT OF THE USE, MISUSE OR FAILURE OF THE GOODS DELIVERED. Additionally, Buyer shall not be entitled to recover any costs for materials expended or used, initiated at the request of Buyer.

C. INDEMNIFICATION. Buyer agrees to indemnify and hold harmless Seller from and against all claims for bodily injury, illness, death or property damage, liabilities, damages, losses and expenses, including attorneys' fees, arising: (1) from the use or misuse of the Goods by Buyer, Buyer's customers or any other party; (2) the infringement of any United States patent, copyright, trade secret, trademark or similar intellectual property rights, arising from the manufacture or purchase of the Goods; or (3) out of the performance of this Agreement.

V. INTELLECTUAL PROPERTY RIGHTS, CONFIDENTIALITY

A. INTELLECTUAL PROPERTY RIGHTS. Seller shall retain all intellectual property rights to the Goods that are the subject matter of this Agreement. Seller's intellectual property rights include, but are not limited to patent, trademark, trade name and copyright rights. Specifically, Seller retains the right to file for patent protection under 35 U.S.C. §1 et seq. for the Goods which are the subject matter of this Agreement.

B. CONFIDENTIALITY. Buyer shall consider confidential the Goods and all specifications, drawings, prototype articles and information furnished by Seller or prepared by Seller for Buyer in connection with this Agreement. Filamento Limited Warranty

May 17th, 2017

1. Limited Warranty ("Warranty"). Subject to the exclusions set forth below, Filamento Lighting ("Filamento") warrants its commercial light emitting diode (LED) fixtures, including the LED arrays, the LED drivers, and integral control devices ("Product(s)") to be free from defect in material and workmanship for its rated warranty life ("Warranty Period") as specified in the Product brochure, beginning from the date of shipment of such Products to the original purchaser or original end user, as specified in Filamento's shipment documents for each Product(s). The LED arrays in the Product(s) will be considered defective in material or workmanship only if a total of 15% or more of the individual LED's in the Product(s) fail to illuminate. Filamento warrants to the original end user the fixture finish for the Warranty Period from the date of shipment. At its sole option, Filamento will repair or replace the defective finish if it exhibits cracking, peeling, excessive fading or corrosion defects during the Warranty period. During the Warranty Period some staining, chalking or fading may occur. This is normal aging of the finish and is not a manufacturing defect, therefore it is not covered by this warranty. Neither polycarbonate nor acrylic material used in the Products is warranted against yellowing, as yellowing may naturally occur over time due to normal aging.

2. Exclusions. This Warranty applies only when the Product(s) are installed in applications in which ambient temperatures are within the range of specified operating temperatures and are operated within the electrical values shown on the Product specification.
