

Customer Support

The Vendor shall provide timely and accurate customer support for orders to TIPS Members as agreed by the Parties. Vendors shall respond to such requests within a commercially reasonable time after receipt of the request. If support and/or training is a line item sold or packaged with a sale, support shall be as agreed with the TIPS Member.

Agreements

Agreements for purchase will normally be put into effect by means of a contract, agreement, or purchase order(s) executed by authorized agents of the TIPS Member participating government entities, but other means of placing an order may be used at the Member's discretion. Vendor accepts and understands that when a purchase order or similar purchase document is sent from a customer through TIPS to the Vendor, TIPS is recording the purchase and verifying whether the purchase is within the parameters of the TIPS Contract only. Vendor agrees that TIPS is not a legal party to the purchase order or similar purchase document and TIPS is not responsible for identifying fraud, mistakes, or misrepresentations for the specific order. Vendor agrees that any purchase order or similar purchase document issued from a customer to Vendor, even when processed through TIPS, constitutes a legal contract between the customer and Vendor only. A Vendor that accepts a purchase order or similar purchase document and fulfills an order, even when processed through TIPS, is representing that the vendor has carefully reviewed the purchase order or similar purchase document for legality, authenticity, and accuracy.

Tax exempt status

Most TIPS Members are tax exempt and the related laws and/or regulations of the controlling jurisdiction(s) of the TIPS Member shall apply.

Assignments of Agreements

No assignment of this Agreement may be made without the prior notification of TIPS. Written approval of TIPS shall not be unreasonably withheld. Payment for delivered goods and services can only be made to the awarded Vendor, Vendor designated reseller or vendor assigned company, where permitted by TIPS.

Disclosures

- Vendor and TIPS affirm that they, or any authorized employees or agents, have not given, offered to give, nor intend to give at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor or service to a public servant in connection with this Agreement.
- Vendor shall attach, in writing, a complete description of any and all relationships that might be considered a conflict of interest in doing business with the TIPS program.
- The Vendor affirms that, to the best of his/her knowledge, the offer has been arrived at independently, and is submitted without collusion with anyone to obtain information or gain any favoritism that would in any way limit competition or give an unfair advantage over other vendors in the award of this Agreement.

Term of Agreement and Renewals

The Agreement with TIPS is for approximately five years with an option for renewal for an additional one consecutive year. If TIPS offers the renewal extension year, the Vendor will be notified by email to the primary contact of the awarded Vendor and shall be deemed accepted by the Vendor unless the awarded Vendor notifies TIPS of its objection to the additional term in writing. TIPS may or may not exercise some or all of the available

extension(s) provided in the original solicitation beyond the base five-year term. Whether or not to offer some or all of the extension is at the sole discretion of TIPS.

“Start Date” for Term Calculation Purposes Only: Regardless of actual award/effective date of Contract, for Agreement “term” calculation purposes only, the Agreement “Start Date” is the last day of the month that “Award Notifications” are anticipated as published in the Solicitation.

Example: *In this example, if the anticipated “Award Date” published in the Solicitation is May 22, 2022, but extended negotiations delay award until June 27, 2022, the end date of the resulting initial “five-year” term, (which is subject to an extension(s)) will still be May 31, 2027 for purposes of this example.*

“Termination Date”: The scheduled Agreement “termination date” shall be the last day of the month of the month of the original solicitation’s anticipated “Award Date” plus five years.

Example: *In this example, if the original term is approximately five years, and the solicitation provides an anticipated award date of May 22, 2022, the expiration date of the original five-year term shall be May 31, 2027 for purposes of this example.*

Extensions: Any extensions of the original term shall begin on the next day after the day the original term expires unless otherwise specified.

Example Following the Previous Example: *In this example, if TIPS offers a one-year extension, the expiration of the extended term shall be May 31, 2028 unless otherwise specified.*

TIPS may offer to extend Vendor Agreements to the fullest extent the original Solicitation permits.

Automatic Renewal Clauses Incorporated in Awarded Vendor Agreements with TIPS Members Resulting from the Solicitation and with the Vendor Named in this Agreement.

No Agreement for goods or services with a TIPS Member by the awarded vendor named in this Agreement that results from the solicitation award named in this Agreement, may incorporate an automatic renewal clause that exceeds month to month terms with which the TIPS Member must comply. All renewal terms incorporated in an Agreement by the vendor with the TIPS Member shall only be valid and enforceable when the vendor receives written confirmation by purchase order, executed Agreement or other written instruction issued by the TIPS Member for any renewal period. The purpose of this clause is to avoid a TIPS Member inadvertently renewing an Agreement during a period in which the governing body of the TIPS Member has not properly appropriated and budgeted the funds to satisfy the Agreement renewal. This term is not negotiable and any Agreement between a TIPS Member and a TIPS awarded vendor with an automatic renewal clause that conflicts with these terms is rendered void and unenforceable.

Shipments

The Vendor shall ship, deliver or provide ordered products or services within a commercially reasonable time after the receipt of the order from the TIPS Member. If a delay in said delivery is anticipated, the Vendor shall notify TIPS Member as to why delivery is delayed and shall provide an estimated time for completion of the order. TIPS or the requesting entity may cancel the order if estimated delivery time is not acceptable or not as agreed by the parties.

Invoices

Each invoice or pay request shall include the Vendor’s TIPS Contract number, the TIPS Member’s purchase

order number or other identifying designation as provided in the order by the TIPS Member. If applicable, the shipment tracking number or pertinent information for verification of TIPS Member receipt shall be made available upon request.

Payments

The TIPS Member will make payments directly to the Vendor, the Vendor Assigned Dealer or as agreed by the Vendor and the TIPS Member after receiving invoice and in compliance with applicable payment statute(s), whichever is the greater time or as otherwise provided by an agreement of the parties.

Pricing

Price increases will be honored according to the terms of the solicitation and vendor proposal. All pricing submitted to TIPS shall include the participation fee, as provided in the solicitation, to be remitted to TIPS by the Vendor. Vendor will not show adding the fee to the invoice presented to TIPS Member customer.

Participation Fees and Reporting of Sales to TIPS by Vendor

The Participation Fee that was published as part of the Solicitation and the fee published is the legally effective fee, along with any fee conditions stated in the Solicitation. Collection of the fees by TIPS is required under Texas Government Code §791.011 Et seq. Fees are due on all TIPS purchases reported by either Vendor or Member. Fees are due to TIPS upon payment by the Member to the Vendor, Reseller or Vendor Assigned Dealer. Vendor, Reseller, or Vendor Assigned Dealer agrees that the participation fee is due to TIPS for all Agreement sales immediately upon receipt of payment including partial payment, from the Member Entity and must be paid to TIPS at least on a monthly basis, specifically within 31 calendar days of receipt of payment, if not more frequently, or as otherwise agreed by TIPS in writing and signed by an authorized signatory of TIPS. Thus, when an awarded Vendor, Reseller or Vendor Assigned Dealer receives any amount of payment, even partial payment, for a TIPS sale, the legally effective fee for that amount is immediately due to TIPS from the Vendor and fees due to TIPS should be paid at least on a monthly basis, specifically within 31 calendar days of receipt of payment, if not more frequently.

Reporting of Sales to TIPS by Vendor

Vendor is required to report all sales under the TIPS contract to TIPS. When a public entity initiates a purchase with a TIPS Awarded Vendor, if the Member inquires verbally or in writing whether the Vendor holds a TIPS Contract, it is the duty of the Vendor to verify whether or not the Member is seeking a TIPS purchase. Once verified, the Vendor must include the TIPS Contract number on any communications and related sales documents exchanged with the TIPS Member entity. To report sales, the Vendor must login to the TIPS Vendor Portal online at https://www.tips-usa.com/vendors_form.cfm and click on the PO's and Payments tab. Pages 3-7 of the [Vendor Portal User Guide](#) will walk you through the process of reporting sales to TIPS. Please refer to the TIPS [Accounting FAQ's](#) for more information about reporting sales and if you have further questions, contact the Accounting Team at accounting@tips-usa.com. The Vendor or vendor assigned dealers are responsible for keeping record of all sales that go through the TIPS Agreement and submitting same to TIPS. Failure to properly report or render the participation fee to TIPS shall constitute a breach of this agreement with our parent governmental entity, Texas Education Service Center Region 8, as established by the Texas legislature and shall be grounds for termination of this agreement and any other agreement held with TIPS and possible legal action. Any overpayment of participation fees to TIPS by a Vendor will be refunded to the Vendor within ninety (90) days of receipt of notification if TIPS receives written notification of the overpayment not later than the expiration of six (6) months from the date of overpayment and TIPS determines that the amount was not legally due to TIPS pursuant to this agreement and applicable law. It is the Vendor's responsibility to identify which sales are TIPS Agreement sales and pay the correct participation fee due for TIPS Agreement sales. Any notification of overpayment received by TIPS after the expiration of six (6) months

from the date of overpayment will be non-refundable. Region 8 ESC and TIPS reserve the right to extend the six (6) month deadline to notify if approved by the Region 8 ESC Board of Directors. TIPS reserves all rights under the law to collect the fees due. Please contact TIPS at tips@tips-usa.com or call (866) 839-8477 if you have questions about paying fees.

Indemnity

The Vendor agrees to indemnify and hold harmless and defend TIPS, TIPS Member(s), officers and employees from and against all claims and suits by third parties for damages, injuries to persons (including death), property damages, losses, and expenses including court costs and reasonable attorney’s fees, arising out of, or resulting from, Vendor’s performance under this Agreement, including all such causes of action based upon common, constitutional, or statutory law, or based in whole or in part, upon allegations of negligent or intentional acts on the part of the Vendor, its officers, employees, agents, subcontractors, licensees, or invitees. Parties found liable shall pay their proportionate share of damages as agreed by the parties or as ordered by a court of competent jurisdiction over the case. **NO LIMITATION OF LIABILITY FOR DAMAGES FOR PERSONAL INJURY OR PROPERTY DAMAGE ARE PERMITTED OR AGREED BY TIPS/ESC REGION 8.** Per Texas Education Code §44.032(f), and pursuant to its requirements only, reasonable Attorney’s fees are recoverable by the prevailing party in any dispute resulting in litigation.

State of Texas Franchise Tax

By signature hereon, the Vendor hereby certifies that he/she is not currently delinquent in the payment of any franchise taxes owed the State of Texas under Chapter 171, Tax Code.

Miscellaneous

The Vendor acknowledges and agrees that continued participation in TIPS is subject to TIPS sole discretion and that any Vendor may be removed from the participation in the Program at any time with or without cause. Nothing in the Agreement or in any other communication between TIPS and the Vendor may be construed as a guarantee that TIPS or TIPS Members will submit any orders at any time. TIPS reserves the right to request additional proposals for items or services already on Agreement at any time.

Purchase Order Pricing/Product Deviation

If a deviation of pricing/product on a Purchase Order or contract modification occurs between the Vendor and the TIPS Member, TIPS must be notified within five (5) business days of receipt of change order.

Termination for Convenience of TIPS Agreement Only

TIPS reserves the right to terminate this agreement for cause or no cause for convenience with a thirty (30) days prior written notice. Termination for convenience is conditionally required under Federal Regulations 2 CFR part 200 if the customer is using federal funds for the procurement. All purchase orders presented to the Vendor, but not fulfilled by the Vendor, by a TIPS Member prior to the actual termination of this agreement shall be honored at the option of the TIPS Member. The awarded Vendor may terminate the agreement with ninety (90) days prior written notice to TIPS 4845 US Hwy North, Pittsburg, Texas 75686. The vendor will be paid for goods and services delivered prior to the termination provided that the goods and services were delivered in accordance with the terms and conditions of the terminated agreement. This termination clause does not affect the sales agreements executed by the Vendor and the TIPS Member customer pursuant to this agreement. TIPS Members may negotiate a termination for convenience clause that meets the needs of the transaction based on applicable factors, such as funding sources or other needs.

TIPS Member Purchasing Procedures

Usually, purchase orders or their equal are issued by participating TIPS Member to the awarded vendor and should indicate on the order that the purchase is per the applicable TIPS Agreement Number. Orders are typically emailed to TIPS at tipspo@tips-usa.com.

- Awarded Vendor delivers goods/services directly to the participating member.
- Awarded Vendor invoices the participating TIPS Member directly.
- Awarded Vendor receives payment directly from the participating member.
- Fees are due to TIPS upon payment by the Member to the Vendor. Vendor agrees to pay the participation fee to TIPS for all Agreement sales upon receipt of payment including partial payment, from the Member Entity or as otherwise agreed by TIPS in writing and signed by an authorized signatory of TIPS.

Licenses

Awarded Vendor shall maintain, in current status, all federal, state and local licenses, bonds and permits required for the operation of the business conducted by awarded Vendor. Awarded Vendor shall remain reasonably fully informed of and in compliance with all ordinances and regulations pertaining to the lawful provision of goods or services under the Agreement. TIPS and TIPS Members reserves the right to stop work and/or cancel an order or terminate this or any other sales Agreement of any awarded Vendor whose license(s) required for performance under this Agreement have expired, lapsed, are suspended or terminated subject to a 30-day cure period unless prohibited by applicable statute or regulation.

Novation

If awarded Vendor sells or transfers all assets, rights or the entire portion of the assets or rights required to perform this Agreement, a successor in interest must guarantee to perform all obligations under this Agreement. A simple change of name agreement will not change the Agreement obligations of awarded vendor. TIPS will consider Contract Assignments on a case by case basis. TIPS must be notified within five (5) business days of the transfer of assets or rights.

Site Requirements (*only when applicable to service or job*)

Cleanup: When performing work on site at a TIPS Member's property, awarded Vendor shall clean up and remove all debris and rubbish resulting from their work as required or directed by TIPS Member or as agreed by the parties. Upon completion of work, the premises shall be left in good repair and an orderly, neat, clean and unobstructed condition.

Preparation: Awarded Vendor shall not begin a project for which TIPS Member has not prepared the site, unless awarded Vendor does the preparation work at no cost, or until TIPS Member includes the cost of site preparation in a purchase order. Site preparation includes, but is not limited to: moving furniture, installing wiring for networks or power, and similar pre-installation requirements.

Registered sex offender restrictions: For work to be performed at schools, awarded Vendor agrees that no employee of a subcontractor who has been adjudicated to be a registered sex offender will perform work at any time when students are, or reasonably expected to be, present unless otherwise agreed by the TIPS Member. Awarded Vendor agrees that a violation of this condition shall be considered a material breach and may result in the cancellation of the purchase order at the TIPS Member's discretion. Awarded Vendor must identify any additional costs associated with compliance of this term. If no costs are specified, compliance with this term will be provided at no additional charge.

Safety Measures

Awarded Vendor shall take all reasonable precautions for the safety of employees on the worksite, and shall erect and properly maintain all necessary safeguards for protection of workers and the public. The Vendor may submit an acceptable use directive for Vendor's names and logos with which TIPS agrees to comply. Any use of TIPS name and logo or any form of publicity, inclusive of press release, regarding this Agreement by awarded vendor must have prior approval from TIPS which will not be unreasonably withheld. Request may be made by email to TIPS@TIPS-USA.COM.

Supplemental Agreements

The TIPS Member entity participating in the TIPS Agreement and awarded Vendor may enter into a separate Supplemental Agreement or contract to further define the level of service requirements over and above the minimum defined in this Agreement such as but not limited to, invoice requirements, ordering requirements, specialized delivery, etc. Any Supplemental Agreement or contract developed as a result of this Agreement is exclusively between the TIPS Member entity customer and the Vendor. TIPS, its agents, TIPS Members and employees not a party to the Supplemental Agreement with the TIPS Member customer, shall not be made party to any claim for breach of such agreement unless named and agreed by the Party in question in writing in the agreement. If a Vendor submitting a Proposal requires TIPS and/or TIPS Member to sign an additional agreement, those agreements shall comply with the award made by TIPS to the Vendor. Supplemental Vendor's Agreement documents may not become part of TIPS' Agreement with Vendor unless and until an authorized representative of TIPS reviews and approves it. TIPS review and approval may be at any time during the life of this Vendor Agreement. TIPS permits TIPS Members to negotiate additional terms and conditions with the Vendor for the provision of goods or services under the Vendor's TIPS Agreement so long as they do not materially conflict with this Agreement.

Survival Clause

All applicable sales, leases, Supplemental Agreements, contracts, software license agreements, warranties or service agreements that were entered into between Vendor and TIPS or the TIPS Member Customer under the terms and conditions of this Agreement shall survive the expiration or termination of this Agreement. All Orders, Purchase Orders issued or contracts executed by TIPS or a TIPS Member and accepted by the Vendor prior to the expiration or termination of this agreement, shall survive expiration or termination of the Agreement, subject to previously agreed terms and conditions agreed by the parties or as otherwise specified herein relating to termination of this agreement.

Legal obligations

It is the responding Vendor's responsibility to be aware of and comply with all local, state and federal laws governing the sale of products/services identified in the applicable Solicitation that resulted in this Vendor Agreement and any awarded Agreement thereof. Applicable laws and regulations must be followed even if

not specifically identified herein.

Audit rights

Due to transparency statutes and public accountability requirements of TIPS and TIPS Members', the awarded Vendor shall, at their sole expense, maintain appropriate due diligence of all purchases made by TIPS Member that utilizes this Agreement. TIPS and Region 8 ESC each reserve the right to audit the accounting of TIPS related purchases for a period of three (3) years from the time such purchases are made. This audit right shall survive termination of this Agreement for a period of one (1) year from the effective date of termination. In order to ensure and confirm compliance with this agreement, TIPS shall have authority to conduct audits of Awarded Vendor's pricing or TIPS transaction documentation with TIPS Members with 30 days' notice unless the audit is ordered by a Court Order or by a Government Agency with authority to do so without notice. Notwithstanding the foregoing, in the event that TIPS is made aware of any pricing being offered to eligible entities that is materially inconsistent with the pricing under this agreement, TIPS shall have the ability to conduct the audit internally or may engage a third- party auditing firm to investigate any possible non- compliant conduct or may terminate the Agreement according to the terms of this Agreement. In the event of an audit, the requested materials shall be reasonably provided in the time, format and at the location acceptable to Region 8 ESC or TIPS. TIPS agrees not to perform a random audit the TIPS transaction documentation more than once per calendar year, but reserves the right to audit for just cause or as required by any governmental agency or court with regulatory authority over TIPS or the TIPS Member.

Force Majeure

If by reason of Force Majeure, either party hereto shall be rendered unable wholly or in part to carry out its obligations under this Agreement then such party shall give notice and full particulars of Force Majeure in writing to the other party within a reasonable time after occurrence of the event or cause relied upon, and the obligation of the party giving such notice, so far as it is affected by such Force Majeure, shall be suspended during the continuance of the inability then claimed, except as hereinafter provided, but for no longer period, and such party shall endeavor to remove or overcome such inability with all reasonable dispatch.

Choice of Law

The Agreement between the Vendor and TIPS/ESC Region 8 and any addenda or other additions resulting from this procurement process, however described, shall be governed by, construed and enforced in accordance with the laws of the State of Texas, regardless of any conflict of laws principles.

Venue, Jurisdiction and Service of Process

Any Proceeding arising out of or relating to this procurement process or any contract issued by TIPS resulting from or any contemplated transaction shall be brought in a court of competent jurisdiction in Camp County, Texas and each of the parties irrevocably submits to the exclusive jurisdiction of said court in any such proceeding, waives any objection it may now or hereafter have to venue or to convenience of forum, agrees that all claims in respect of the Proceeding shall be heard and determined only in any such court, and agrees not to bring any proceeding arising out of or relating to this procurement process or any contract resulting from or any contemplated transaction in any other court. The parties agree that either or both of them may file a copy of this paragraph with any court as written evidence of the knowing, voluntary and freely bargained for agreement between the parties irrevocably to waive any objections to venue or to convenience of forum. Process in any Proceeding referred to in the first sentence of this Section may be served on any party anywhere in the world. Venue for any dispute resolution process, other than litigation, between TIPS and the Vendor shall be located in Camp or Titus County, Texas.

Notification may occur via phone, the web, courier, email, fax, or in person. Upon notification of a pending request, the awarded Vendor shall acknowledge the TIPS Member’s request as soon as possible, but must make contact with the TIPS Member within two working days.

Status of TIPS Members as Related to Vendors Contract Information

Vendor’s Resellers as Related to This Agreement

Vendor’s Named Resellers (“Resellers”) under this Agreement shall comply with all terms and conditions of this agreement and all addenda or incorporated documents. All actions related to sales by Authorized Vendor’s Resellers under this Agreement are the responsibility of the awarded Vendor. If Resellers fail to report sales to TIPS under your Agreement, the awarded Vendor is responsible for their contractual failures and shall be billed for the fees. The awarded Vendor may then recover the fees from their named reseller as the law allows.

Support Requirements

If there is a dispute between the awarded Vendor and TIPS Member, TIPS or its representatives may, at TIPS sole discretion, assist in conflict resolution if requested by either party. TIPS, or its representatives, reserve the right to inspect any project and audit the awarded Vendor’s TIPS project files, documentation and correspondence related to the requesting TIPS Member’s order. If there are confidentiality requirements by either party, TIPS shall comply to the extent permitted by law.

Incorporation of Solicitation

The TIPS Solicitation which resulted in this Vendor Agreement, whether a Request for Proposals, the Request for Competitive Sealed Proposals or Request for Qualifications solicitation, or other, the Vendor’s response to same, and all associated documents and forms made part of the solicitation process, including any addenda, are hereby incorporated by reference into this Agreement as if copied verbatim.

Remember this is a **MINIMUM** discount percentage. So, be sure that the discount percentage inserted here can be applied to ANY OFFERING OF GOODS OR SERVICES THROUGHOUT THE LIFE OF THE CONTRACT.

CAUTION: BE CERTAIN YOU CAN HONOR THIS **MINIMUM** DISCOUNT PERCENTAGE ON ANY OFFERED SERVICE OR GOOD NOW OR DURING THE LIFE OF THE CONTRACT.

What is the **MINIMUM** percentage discount off of any item or service you offer to TIPS Members that is in your regular catalog (as defined in the solicitation specifications document), website, store or shelf pricing or when adding new goods or services to your offerings during the life of the contract? The resulting price of any goods or services Catalog list prices after this discount is applied is a ceiling on your pricing and not a floor because, in order to be more competitive in the individual circumstance, you may offer a larger discount depending on the items or services purchased and the quantity at time of sale. Please note that any specific greater discount offered for a particular product, brand, or service listed in Vendor's proposal will control and Vendor will be required to honor that greater specific discount, in excess of the minimum discount, for that particular product, brand, or service for the life of the contract.

Indemnification

The ESC Region 8 and TIPS is a Texas Political Subdivision and a local governmental entity; therefore, is prohibited from

indemnifying third parties pursuant to the Texas Constitution (Article 3, Section 52) except as specifically provided by law or as

ordered by a court of competent jurisdiction. A provision in a contract to indemnify or hold a party harmless is a promise to pay for

any expenses the indemnified party incurs, if a specified event occurs, such as breaching the terms of the contract or negligently

performing duties under the contract. Article III, Section 49 of the Texas Constitution states that "no debt shall be created by or on

behalf of the State ... " The Attorney General has counseled that a contractually imposed obligation of indemnity creates a "debt" in

the constitutional sense. Tex. Att'y Gen. Op. No. MW-475 (1982). Contract clauses which require the System or institutions to

indemnify must be deleted or qualified with "to the extent permitted by the Constitution and Laws of the State of Texas." Liquidated

damages, attorney's fees, waiver of vendor's liability, and waiver of statutes of limitations clauses should also be deleted or qualified

OUR COMMITMENT TO YOU

Our deep passion for creativity and innovation empowers the production of award-winning storage solutions leading the industry in innovation, strength and safety.

Certwood Limited began its modest molding operations with two, second hand injection-molding machines in a 4,500 sq. ft. factory in the summer of 1986. From the beginning, the company's commitment to its customers was simple; provide the highest quality, competitively priced products, delivered on time.

Today, Certwood continues reaching markets across the globe. Production operations have expanded to 20 molding machines operating 24 hours/day in a modern 60,000 sq. ft. factory warehouse in North Luton, UK. Combined with an additional 40,000 sq. ft. distribution center located in Wintersville, Ohio, Certwood provides short lead-time deliveries throughout North America and Europe.

As a division of Certwood Limited, StorSystemUSA, commits to meet the standards as the day we first opened our doors. Every move we make from equipment and facility investments to personnel and delivery expertise, we promise to provide the highest quality, competitively priced products, delivered on time through exemplary personalized service and support. As we continue our growth, we commit to exceed the needs and ever-evolving changes of the 21st Century through continuous innovation benefitting the end-user.

DESIGN & INNOVATION

Innovation is simply defined as a new idea, device or method and the transformation of such an idea, device or method into a product or service that creates value as well as a new market.

Certwood Limited's humble beginnings were actually born out of innovation. Over 30 years ago, the modular storage industry produced just one color of Tote Trays. Envisioning a true need in the marketplace for color, the founder, with the approval of his current customer, set out to create the first modular Tote Trays in color. In retrospect, this was such a simple concept, but at the time, this idea was seen as groundbreaking with considerable risks in creation of a new market.

Over the next three decades, Certwood Limited has grown to become a market leader in innovation. Due to a tenacious desire to evolve, Certwood Limited has produced a series of industry "firsts" within the StorSystem™ product line supporting its unwavering success and growth. A sampling of these innovative ideas is as follows:

- First to produce "color" Tote Trays
- First to produce a modular 'family' of Tote Trays
- First to manufacture wide line Tote Trays
- First to introduce a holistic 3-tier storage solution
- First to design an 'E-Z Peel' labeling system
- First to innovate the patented safety mechanism, Glide & Tilt®
- First to fabricate a true Crystal Clear & Crystal Colored Line of Tote Trays
- First to be awarded both FIRA Ergonomics Excellence Award and FIRA Innovation Award

A FUTURE-PROOFING CONVERSATION

Planning for a Changeable Future

Requirements of educational environments are shifting. Pedagogy is demanding designers to create spaces to embrace collaborative as well as personalized learning. These requirements, embedded with a series of **future-proofing design strategies**, requires outside the box thinking. Industry experts and supporting research state certain attributes of educational environments such as diversity, simplicity, and agility help create engaging environments empowering permissions as well as a holistic approach to facility design.

Storage solutions require **diversity**. Diversity enables the end-user to create and maintain an evolving self-organized environment. If the ultimate goal is to allow stakeholders to begin with a blank canvas to create specific environments, to “fit” end-users at specific points in time, we understand we will need to provide solutions for “the stuff” that will be moved into these environments. Diverse storage solutions allow end-users to effectively move manipulatives and resources in and out of environments as needed, then easily rehouse into one single organized storage system.

StorSystem™ is the “supporting cast” for Next Generation educational environments. Each component within the StorSystem™ product line can simply and easily be reorganized, repositioned, and reconfigured satisfying today’s requirements for mobile, flexible environments. StorSystem™ is **agile**. Its ease of movement and repositioning speaks to its ability to assist an entire school community with its variety of carts, interchangeable trays and inserts. StorSystem™ is **flexible**. In lieu of historically static storage solutions, it is designed specifically to be transitional and repurposed throughout an entire facility as educational environments evolve.

In the desire to future-proof evolving environments, storage solutions must embrace adaptability while being resilient. In our evolving environments, only one certainty exists: the requirements of the spaces will shift. This is precisely why a holistic approach to storage solutions will permit and enhance change as the requirements evolve.

THREE-TIER SYSTEM

A HOLISTIC APPROACH TO STORAGE SOLUTIONS

Proper organization is important. However, within recent emerging pedagogy, which demands mobile, fluid and agile environments, organization is becoming significantly more important. In order to truly maintain these Next Generation environments, clutter as well as immobile or static objects cannot hinder the learning space. This is precisely why StorSytem™ has created a systematic, scalable organizational tool that is both agile and flexible, providing a place for every tool and resource allowing for personalized, flexible space to occur.

As architects design Next Generation educational environments, they are reducing the amount of fixed, traditional storage solutions and are leaning on manufacturers to incorporate mobile storage solutions in their offerings. The StorSystem™ three-tier approach of systematic storage solutions permit end-users to self-organize, store, dispense, and collect the wide assortment of educational needs.

Three-Tier System: The Trio

Three unique sets of components make up the holistic storage solution: **High-Capacity Wall Units**, **Mobile Carts**, Individual **Tote Trays** and **Inserts**. Each component has its specific purpose and function. Although each can function independently, **The Trio** is most powerful in maintaining fluid and agile Next Generation environments together.

How it Works

The end-user simply arrives at a **High-Capacity Wall Unit** storage solution with an appropriately sized **Mobile Cart**, selects the specific **Tote Trays** required for the day's needs, places them in the agile cart and then delivers them to the educational environment. **Tote Trays** and or **Inserts** can additionally be removed and placed on collaborative stations. Once the task or project is completed, the **TotTrays** are rehoused or redistributed to additional locations within the space or facility.

HIGH-CAPACITY STORAGE

High-Capacity Storage Wall Units

The use of high-capacity storage solutions within grade level storage or resource rooms enable learning environments to be free of clutter, supporting highly mobile activities within these environments while reducing square footage requirements. Modular design permits storage flexibility allowing any interchangeable combination of Tote Tray depths for a specific width.

Sturdy Construction: Front and rear fully welded, 1” square, 16-gauge steel tube frames with baked-on epoxy finish. Top panels constructed from 18-gauge formed steel sheets with baked-on epoxy finish. Glide & Tilt® structural runners, molded from engineering grade ABS, secured to steel tube frames. Frames nested utilizing fluted coated steel metal frame connectors. Units fitted with adjustable feet.

Function: Easily scalable: use as a repository maximizing storage capacity in small as well as large spaces. Because it’s modular, it can easily be reconfigured to meet your specific needs.

STEM2MAKER

Nimble, Swift and Class Act Mobile Cart systems have proven success in the integration of STEM2Maker resources into “all” learning environments. These agile sets of tools eliminate the logistical concerns of defined destinations such as a STEM Lab or MakerSpace. Although important spaces within an educational facility, these “spaces” no longer need to have scheduling and accessibility conflicts when a multitude of mobile options exist.

Mobility of a system is a key element but equipment must also be durable, agile, reconfigurable, and respond to a multitude of needs as these tools provide access to all learners when required. Mobility releases this static mindset of a defined “space” by bringing the specific tools and resources to the students at specific points in time. With the utilization of StorSystem™ solutions, resources are easily delivered anywhere innovation, creativity, and inquiry is occurring within an educational facility.

Realizing STEM2Maker can be a personalized idea, in lieu of defining a static quantifiable response to these hands-on learning strategies, StorSystem™ has designed a mobile system permitting STEM2Maker to be scalable as well as customizable. Meet **Innov-8**.

MEET INNOV-8

“The world that our children live in and will move into is one that will continue to evolve.”

This is precisely why StorSystemUSA by Certwood created **Innov-8**. The Innov-8 Cart is purposely designed as an extremely flexible, diverse, agile tool with the ability to be personalized to meet the evolving requirements of today’s hands-on tasks only to be simply and easily replenished with a completely different set of resources ready for its next task. Innov-8 responds to the scalable requirements in the shift of enabling creative problem solving, critical thinking, and collaboration into all learning environments.

Innov-8 is not based on a single idea, concept, pedagogy or strategy. It delivers a multitude of materials, supporting a vast array of applications transporting them into any education environment or setting. **Innov-8** has the unique ability to store and access from the front, side and top. Every dry-erase surface can be utilized for vertical storage with the use of pegboard and or magnetic solutions. From high tech to low tech, artistic design, science and math, Innov-8 provides innovative opportunities supporting the extremely large to the smallest of resources. Innov-8 may act alone or be grouped into larger configurations.

Our Next Generation of learners need to be problem solvers, creative thinkers and modifiers of their world and it is our responsibility to provide the right set of tools as they learn to analyze, question, elaborate, refine and evaluate their own ideas... to create and to **Innov-8**.

**SAFETY CHARACTERIZES EVERYTHING WE MANUFACTURE.
SAFETY IS A CORE FUNDAMENTAL DESIGN REQUIREMENT;
IT EMBODIES EVERYTHING WE DO.**

STORSYSTEM SAFETY

Safety characterizes everything we manufacture. Safety is a core fundamental design requirement. It embodies everything we do.

We believe safety is paramount, particularly within fluid environments. The award winning Glide & Tilt® Runner System was created as an innovative safety solution to prevent Tote Trays and their contents from falling out under any circumstances. This key feature permits StorSystem™ to lead the industry in safety, especially as our evolving educational environments favor tall and elevated storage solutions.

Safety of the end-user is reinforced by the leading quality our **Tote Trays** are “**Shatterproof**”, passing and far exceeding the strongest of all international testing and protocol. Our impact test certifications are extremely important in demonstrating StorSystem™ safety components. The StorSystem™ Tote Tray product is the only storage tray in its class that far exceeds the rigorous standards of BS: 5873 (1998) PART 4 for an impact drop test.

The Crystal Clear line of Tote Trays reinforces safety by permitting the full view of the tray’s contents to understand potential risks prior to movement.

The Crystal Clear Tote Tray Lids are specifically designed to provide the “nesting” of subsequent Tote Trays when stacked. This nesting feature permits the reposition of stacked Tote Trays without the fear of accidental falls from sliding.

Lastly, StorSystem™ adherence to the international tip standard is vital in flexible, mobile environments.

STORSYSTEM CERTIFICATIONS

StorSystem™ by Certwood impact test certifications are extremely important in demonstrating the safety component of our products. STORSYSTEM SUSTAINABILITY

At Certwood Limited, we take extreme pride in the sustainable attributes of our company.

Our manufacturing plant produces zero scrap content into the waste stream as part of the manufacturing process.

We maximize the use of recycled content and firmly believe, if we manufacture extremely durable and shatterproof components, it eliminates post-consumer waste streams as well.

Our Tote Trays and Runners are fully recyclable.

Our factory utilizes latent heat from the production process to heat the entire facility.

Innovative Storage Solutions

We are committed to manufacture our entire line of products with durability in mind. Gone are the days of purchasing static furniture moved only one to two times per year.

Educational furniture products must endure being moved four to five times a day. StorSystem™ withstands the test of the most mobile collaborative environments.

All of our products meet or exceed international standards of strength and stability. Steel components are fully welded, metal finishes are epoxy powder coated, and all casters are heavy duty rated.

Our ‘Shatterproof’ Tote Trays and Runners, complete with Limited Lifetime Warranties, are molded from SuperTuff HIPS and engineering grade ABS containing numerous chemical resistance properties.

We are committed to being innovative and to continue working with our industry partners to provide creative storage solutions while innovating new solutions.
