

TIPS VENDOR AGREEMENT

Between Palmieri Furniture and _____
(Company Name)

THE INTERLOCAL PURCHASING SYSTEM (TIPS), a Department of Texas Education Service Center Region 8 for TIPS RFP 220303 Furniture, Furnishings and Services

General Information

The Vendor Agreement ("Agreement") made and entered into by and between The Interlocal Purchasing System (hereinafter "TIPS") a government cooperative purchasing program authorized by the Region 8 Education Service Center, having its principal place of business at 4845 US Hwy 271 North, Pittsburg, Texas 75686 and the TIPS Vendor. This Agreement consists of the provisions set forth below, including provisions of all attachments referenced herein. In the event of a conflict between the provisions set forth below and those contained in any attachment, the provisions set forth shall control unless otherwise agreed by the parties in writing and by signature and date on the attachment.

A Purchase Order ("PO"), Agreement or Contract is the TIPS Member's approval providing the authority to proceed with the negotiated delivery order under the Agreement. Special terms and conditions as agreed between the Vendor and TIPS Member should be added as addendums to the Purchase Order, Agreement or Contract. Items such as certificate of insurance, bonding requirements, small or disadvantaged business goals are some, but not all, of the possible addendums.

Terms and Conditions

Freight

All quotes to Members shall provide a line item for cost for freight or shipping regardless if there is a charge or not. If no charge for freight or shipping, indicate by stating "No Charge", "\$0", "included in price" or other similar indication. Otherwise, all shipping, freight or delivery charges shall be passed through to the TIPS Member at cost with no markup and said charges shall be agreed by the TIPS Member unless alternative shipping terms are agreed by TIPS as a result of the proposal award. Shipping method is determined by the vendor and the Member/Customer at the time of the quote/purchase by the Member/Customer and satisfactory shipping methods and costs are agreed upon at that time.

Warranty Conditions

All new supplies equipment and services shall include manufacturer's minimum standard warranty unless otherwise agreed to in writing. Vendor shall be legally permitted to sell all products offered for sale to TIPS Members if the offering is included in the Request for Proposal ("RFP") category. All goods proposed and sold shall be new unless clearly stated in writing.

Customer Support

The Vendor shall provide timely and accurate customer support for orders to TIPS Members as agreed by the Parties. Vendors shall respond to such requests within a commercially reasonable time after receipt of the request. If support and/or training is a line item sold or packaged with a sale, support shall be as agreed with the TIPS Member.

Agreements

Agreements for purchase will normally be put into effect by means of a contract, agreement, or purchase order(s) executed by authorized agents of the TIPS Member participating government entities, but other means of placing an order may be used at the Member's discretion. Vendor accepts and understands that when a purchase order or similar purchase document is sent from a customer through TIPS to the Vendor, TIPS is recording the purchase and verifying whether the purchase is within the parameters of the TIPS Contract only. Vendor agrees that TIPS is not a legal party to the purchase order or similar purchase document and TIPS is not responsible for identifying fraud, mistakes, or misrepresentations for the specific order. Vendor agrees that any purchase order or similar purchase document issued from a customer to Vendor, even when processed through TIPS, constitutes a legal contract between the customer and Vendor only. A Vendor that accepts a purchase order or similar purchase document and fulfills an order, even when processed through TIPS, is representing that the vendor has carefully reviewed the purchase order or similar purchase document for legality, authenticity, and accuracy.

Tax exempt status

Most TIPS Members are tax exempt and the related laws and/or regulations of the controlling jurisdiction(s) of the TIPS Member shall apply.

Assignments of Agreements

No assignment of this Agreement may be made without the prior notification of TIPS. Written approval of TIPS shall not be unreasonably withheld. Payment for delivered goods and services can only be made to the awarded Vendor, Vendor designated reseller or vendor assigned company, where permitted by TIPS.

Disclosures

- Vendor and TIPS affirm that they, or any authorized employees or agents, have not given, offered to give, nor intend to give at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor or service to a public servant in connection with this Agreement.
- Vendor shall attach, in writing, a complete description of any and all relationships that might be considered a conflict of interest in doing business with the TIPS program.
- The Vendor affirms that, to the best of his/her knowledge, the offer has been arrived at independently, and is submitted without collusion with anyone to obtain information or gain any favoritism that would in any way limit competition or give an unfair advantage over other vendors in the award of this Agreement.

Term of Agreement and Renewals

The Agreement with TIPS is for approximately five years with an option for renewal for an additional one consecutive year. If TIPS offers the renewal extension year, the Vendor will be notified by email to the primary contact of the awarded Vendor and shall be deemed accepted by the Vendor unless the awarded Vendor notifies TIPS of its objection to the additional term in writing. TIPS may or may not exercise some or all of the available

extension(s) provided in the original solicitation beyond the base five-year term. Whether or not to offer some or all of the extension is at the sole discretion of TIPS.

“Start Date” for Term Calculation Purposes Only: Regardless of actual award/effective date of Contract, for Agreement “term” calculation purposes only, the Agreement “Start Date” is the last day of the month that “Award Notifications” are anticipated as published in the Solicitation.

Example: *In this example, if the anticipated “Award Date” published in the Solicitation is May 22, 2022, but extended negotiations delay award until June 27, 2022, the end date of the resulting initial “five-year” term, (which is subject to an extension(s)) will still be May 31, 2027 for purposes of this example.*

“Termination Date”: The scheduled Agreement “termination date” shall be the last day of the month of the month of the original solicitation’s anticipated “Award Date” plus five years.

Example: *In this example, if the original term is approximately five years, and the solicitation provides an anticipated award date of May 22, 2022, the expiration date of the original five-year term shall be May 31, 2027 for purposes of this example.*

Extensions: Any extensions of the original term shall begin on the next day after the day the original term expires unless otherwise specified.

Example Following the Previous Example: *In this example, if TIPS offers a one-year extension, the expiration of the extended term shall be May 31, 2028 unless otherwise specified.*

TIPS may offer to extend Vendor Agreements to the fullest extent the original Solicitation permits.

Automatic Renewal Clauses Incorporated in Awarded Vendor Agreements with TIPS Members Resulting from the Solicitation and with the Vendor Named in this Agreement.

No Agreement for goods or services with a TIPS Member by the awarded vendor named in this Agreement that results from the solicitation award named in this Agreement, may incorporate an automatic renewal clause that exceeds month to month terms with which the TIPS Member must comply. All renewal terms incorporated in an Agreement by the vendor with the TIPS Member shall only be valid and enforceable when the vendor receives written confirmation by purchase order, executed Agreement or other written instruction issued by the TIPS Member for any renewal period. The purpose of this clause is to avoid a TIPS Member inadvertently renewing an Agreement during a period in which the governing body of the TIPS Member has not properly appropriated and budgeted the funds to satisfy the Agreement renewal. This term is not negotiable and any Agreement between a TIPS Member and a TIPS awarded vendor with an automatic renewal clause that conflicts with these terms is rendered void and unenforceable.

Shipments

The Vendor shall ship, deliver or provide ordered products or services within a commercially reasonable time after the receipt of the order from the TIPS Member. If a delay in said delivery is anticipated, the Vendor shall notify TIPS Member as to why delivery is delayed and shall provide an estimated time for completion of the order. TIPS or the requesting entity may cancel the order if estimated delivery time is not acceptable or not as agreed by the parties.

Invoices

Each invoice or pay request shall include the Vendor’s TIPS Contract number, the TIPS Member’s purchase

order number or other identifying designation as provided in the order by the TIPS Member. If applicable, the shipment tracking number or pertinent information for verification of TIPS Member receipt shall be made available upon request.

Payments

The TIPS Member will make payments directly to the Vendor, the Vendor Assigned Dealer or as agreed by the Vendor and the TIPS Member after receiving invoice and in compliance with applicable payment statute(s), whichever is the greater time or as otherwise provided by an agreement of the parties.

Pricing

Price increases will be honored according to the terms of the solicitation and vendor proposal. All pricing submitted to TIPS shall include the participation fee, as provided in the solicitation, to be remitted to TIPS by the Vendor. Vendor will not show adding the fee to the invoice presented to TIPS Member customer.

Participation Fees and Reporting of Sales to TIPS by Vendor

The Participation Fee that was published as part of the Solicitation and the fee published is the legally effective fee, along with any fee conditions stated in the Solicitation. Collection of the fees by TIPS is required under Texas Government Code §791.011 Et seq. Fees are due on all TIPS purchases reported by either Vendor or Member. Fees are due to TIPS upon payment by the Member to the Vendor, Reseller or Vendor Assigned Dealer. Vendor, Reseller, or Vendor Assigned Dealer agrees that the participation fee is due to TIPS for all Agreement sales immediately upon receipt of payment including partial payment, from the Member Entity and must be paid to TIPS at least on a monthly basis, specifically within 31 calendar days of receipt of payment, if not more frequently, or as otherwise agreed by TIPS in writing and signed by an authorized signatory of TIPS. Thus, when an awarded Vendor, Reseller or Vendor Assigned Dealer receives any amount of payment, even partial payment, for a TIPS sale, the legally effective fee for that amount is immediately due to TIPS from the Vendor and fees due to TIPS should be paid at least on a monthly basis, specifically within 31 calendar days of receipt of payment, if not more frequently.

Reporting of Sales to TIPS by Vendor

Vendor is required to report all sales under the TIPS contract to TIPS. When a public entity initiates a purchase with a TIPS Awarded Vendor, if the Member inquires verbally or in writing whether the Vendor holds a TIPS Contract, it is the duty of the Vendor to verify whether or not the Member is seeking a TIPS purchase. Once verified, the Vendor must include the TIPS Contract number on any communications and related sales documents exchanged with the TIPS Member entity. To report sales, the Vendor must login to the TIPS Vendor Portal online at https://www.tips-usa.com/vendors_form.cfm and click on the PO's and Payments tab. Pages 3-7 of the [Vendor Portal User Guide](#) will walk you through the process of reporting sales to TIPS. Please refer to the TIPS [Accounting FAQ's](#) for more information about reporting sales and if you have further questions, contact the Accounting Team at accounting@tips-usa.com. The Vendor or vendor assigned dealers are responsible for keeping record of all sales that go through the TIPS Agreement and submitting same to TIPS. Failure to properly report or render the participation fee to TIPS shall constitute a breach of this agreement with our parent governmental entity, Texas Education Service Center Region 8, as established by the Texas legislature and shall be grounds for termination of this agreement and any other agreement held with TIPS and possible legal action. Any overpayment of participation fees to TIPS by a Vendor will be refunded to the Vendor within ninety (90) days of receipt of notification if TIPS receives written notification of the overpayment not later than the expiration of six (6) months from the date of overpayment and TIPS determines that the amount was not legally due to TIPS pursuant to this agreement and applicable law. It is the Vendor's responsibility to identify which sales are TIPS Agreement sales and pay the correct participation fee due for TIPS Agreement sales. Any notification of overpayment received by TIPS after the expiration of six (6) months

from the date of overpayment will be non-refundable. Region 8 ESC and TIPS reserve the right to extend the six (6) month deadline to notify if approved by the Region 8 ESC Board of Directors. TIPS reserves all rights under the law to collect the fees due. Please contact TIPS at tips@tips-usa.com or call (866) 839-8477 if you have questions about paying fees.

Indemnity

The Vendor agrees to indemnify and hold harmless and defend TIPS, TIPS Member(s), officers and employees from and against all claims and suits by third parties for damages, injuries to persons (including death), property damages, losses, and expenses including court costs and reasonable attorney's fees, arising out of, or resulting from, Vendor's performance under this Agreement, including all such causes of action based upon common, constitutional, or statutory law, or based in whole or in part, upon allegations of negligent or intentional acts on the part of the Vendor, its officers, employees, agents, subcontractors, licensees, or invitees. Parties found liable shall pay their proportionate share of damages as agreed by the parties or as ordered by a court of competent jurisdiction over the case. **NO LIMITATION OF LIABILITY FOR DAMAGES FOR PERSONAL INJURY OR PROPERTY DAMAGE ARE PERMITTED OR AGREED BY TIPS/ESC REGION 8.** Per Texas Education Code §44.032(f), and pursuant to its requirements only, reasonable Attorney's fees are recoverable by the prevailing party in any dispute resulting in litigation.

State of Texas Franchise Tax

By signature hereon, the Vendor hereby certifies that he/she is not currently delinquent in the payment of any franchise taxes owed the State of Texas under Chapter 171, Tax Code.

Miscellaneous

The Vendor acknowledges and agrees that continued participation in TIPS is subject to TIPS sole discretion and that any Vendor may be removed from the participation in the Program at any time with or without cause. Nothing in the Agreement or in any other communication between TIPS and the Vendor may be construed as a guarantee that TIPS or TIPS Members will submit any orders at any time. TIPS reserves the right to request additional proposals for items or services already on Agreement at any time.

Purchase Order Pricing/Product Deviation

If a deviation of pricing/product on a Purchase Order or contract modification occurs between the Vendor and the TIPS Member, TIPS must be notified within five (5) business days of receipt of change order.

Termination for Convenience of TIPS Agreement Only

TIPS reserves the right to terminate this agreement for cause or no cause for convenience with a thirty (30) days prior written notice. Termination for convenience is conditionally required under Federal Regulations 2 CFR part 200 if the customer is using federal funds for the procurement. All purchase orders presented to the Vendor, but not fulfilled by the Vendor, by a TIPS Member prior to the actual termination of this agreement shall be honored at the option of the TIPS Member. The awarded Vendor may terminate the agreement with ninety (90) days prior written notice to TIPS 4845 US Hwy North, Pittsburg, Texas 75686. The vendor will be paid for goods and services delivered prior to the termination provided that the goods and services were delivered in accordance with the terms and conditions of the terminated agreement. This termination clause does not affect the sales agreements executed by the Vendor and the TIPS Member customer pursuant to this agreement. TIPS Members may negotiate a termination for convenience clause that meets the needs of the transaction based on applicable factors, such as funding sources or other needs.

TIPS Member Purchasing Procedures

Usually, purchase orders or their equal are issued by participating TIPS Member to the awarded vendor and should indicate on the order that the purchase is per the applicable TIPS Agreement Number. Orders are typically emailed to TIPS at tipspo@tips-usa.com.

- Awarded Vendor delivers goods/services directly to the participating member.
- Awarded Vendor invoices the participating TIPS Member directly.
- Awarded Vendor receives payment directly from the participating member.
- Fees are due to TIPS upon payment by the Member to the Vendor. Vendor agrees to pay the participation fee to TIPS for all Agreement sales upon receipt of payment including partial payment, from the Member Entity or as otherwise agreed by TIPS in writing and signed by an authorized signatory of TIPS.

Licenses

Awarded Vendor shall maintain, in current status, all federal, state and local licenses, bonds and permits required for the operation of the business conducted by awarded Vendor. Awarded Vendor shall remain reasonably fully informed of and in compliance with all ordinances and regulations pertaining to the lawful provision of goods or services under the Agreement. TIPS and TIPS Members reserves the right to stop work and/or cancel an order or terminate this or any other sales Agreement of any awarded Vendor whose license(s) required for performance under this Agreement have expired, lapsed, are suspended or terminated subject to a 30-day cure period unless prohibited by applicable statute or regulation.

Novation

If awarded Vendor sells or transfers all assets, rights or the entire portion of the assets or rights required to perform this Agreement, a successor in interest must guarantee to perform all obligations under this Agreement. A simple change of name agreement will not change the Agreement obligations of awarded vendor. TIPS will consider Contract Assignments on a case by case basis. TIPS must be notified within five (5) business days of the transfer of assets or rights.

Site Requirements (*only when applicable to service or job*)

Upon completion of work, the premises shall be left in good repair and an orderly, neat, clean and unobstructed condition.

Request may be made by email to TIPS@TIPS-USA.COM.

Supplemental Agreements

The TIPS Member entity participating in the TIPS Agreement and awarded Vendor may enter into a separate Supplemental Agreement or contract to further define the level of service requirements over and above the minimum defined in this Agreement such as but not limited to, invoice requirements, ordering requirements, specialized delivery, etc. Any Supplemental Agreement or contract developed as a result of this Agreement is exclusively between the TIPS Member entity customer and the Vendor. TIPS, its agents, TIPS Members and employees not a party to the Supplemental Agreement with the TIPS Member customer, shall not be made party to any claim for breach of such agreement unless named and agreed by the Party in question in writing in the agreement. If a Vendor submitting a Proposal requires TIPS and/or TIPS Member to sign an additional agreement, those agreements shall comply with the award made by TIPS to the Vendor. Supplemental Vendor's Agreement documents may not become part of TIPS' Agreement with Vendor unless and until an authorized representative of TIPS reviews and approves it. TIPS review and approval may be at any time during the life of this Vendor Agreement. TIPS permits TIPS Members to negotiate additional terms and conditions with the Vendor for the provision of goods or services under the Vendor's TIPS Agreement so long as they do not materially conflict with this Agreement.

Survival Clause

All applicable sales, leases, Supplemental Agreements, contracts, software license agreements, warranties or service agreements that were entered into between Vendor and TIPS or the TIPS Member Customer under the terms and conditions of this Agreement shall survive the expiration or termination of this Agreement. All Orders, Purchase Orders issued or contracts executed by TIPS or a TIPS Member and accepted by the Vendor prior to the expiration or termination of this agreement, shall survive expiration or termination of the Agreement, subject to previously agreed terms and conditions agreed by the parties or as otherwise specified herein relating to termination of this agreement.

In order to ensure and confirm compliance with this agreement, TIPS shall have authority to conduct audits of Awarded Vendor's pricing or TIPS transaction documentation with TIPS Members with 30 days' notice unless the audit is ordered by a Court Order or by a Government Agency with authority to do so without notice. Notwithstanding the foregoing, in the event that TIPS is made aware of any pricing being offered to eligible entities that is materially inconsistent with the pricing under this agreement, TIPS shall have the ability to conduct the audit internally or may engage a third- party auditing firm to investigate any possible non- compliant conduct or may terminate the Agreement according to the terms of this Agreement. In the event of an audit, the requested materials shall be reasonably provided in the time, format and at the location acceptable to Region 8 ESC or TIPS. TIPS agrees not to perform a random audit the TIPS transaction documentation more than once per calendar year, but reserves the right to audit for just cause or as required by any governmental agency or court with regulatory authority over TIPS or the TIPS Member.

Force Majeure

If by reason of Force Majeure, either party hereto shall be rendered unable wholly or in part to carry out its obligations under this Agreement then such party shall give notice and full particulars of Force Majeure in writing to the other party within a reasonable time after occurrence of the event or cause relied upon, and the obligation of the party giving such notice, so far as it is affected by such Force Majeure, shall be suspended during the continuance of the inability then claimed, except as hereinafter provided, but for no longer period, and such party shall endeavor to remove or overcome such inability with all reasonable dispatch.

Choice of Law

The Agreement between the Vendor and TIPS/ESC Region 8 and any addenda or other additions resulting from this procurement process, however described, shall be governed by, construed and enforced in accordance with the laws of the State of Texas, regardless of any conflict of laws principles.

The parties agree that either or both of them may file a copy of this paragraph with any court as written evidence of the knowing, voluntary and freely bargained for agreement between the parties irrevocably to waive any objections to venue or to convenience of forum. All actions related to sales by Authorized Vendor's Resellers under this Agreement are the responsibility of the awarded Vendor. If Resellers fail to report sales to TIPS under your Agreement, the awarded Vendor is responsible for their contractual failures and shall be billed for the fees. The awarded Vendor may then recover the fees from their named reseller as the law allows.

Support Requirements

If there is a dispute between the awarded Vendor and TIPS Member, TIPS or its representatives may, at TIPS sole discretion, assist in conflict resolution if requested by either party. TIPS, or its representatives, reserve the right to inspect any project and audit the awarded Vendor's TIPS project files, documentation and correspondence related to the requesting TIPS Member's order. If there are confidentiality requirements by either party, TIPS shall comply to the extent permitted by law.

Incorporation of Solicitation

The TIPS Solicitation which resulted in this Vendor Agreement, whether a Request for Proposals, the Request for Competitive Sealed Proposals or Request for Qualifications solicitation, or other, the Vendor's response to same, and all associated documents and forms made part of the solicitation process, including any addenda, are hereby incorporated by reference into this Agreement as if copied verbatim.

Remember this is a **MINIMUM** discount percentage. So, be sure that the discount percentage inserted here can be applied to ANY OFFERING OF GOODS OR SERVICES THROUGHOUT THE LIFE OF THE CONTRACT.

CAUTION: BE CERTAIN YOU CAN HONOR THIS **MINIMUM** DISCOUNT PERCENTAGE ON ANY OFFERED SERVICE OR GOOD NOW OR DURING THE LIFE OF THE CONTRACT.

What is the **MINIMUM** percentage discount off of any item or service you offer to TIPS Members that is in your regular catalog (as defined in the solicitation specifications document), website, store or shelf pricing or when adding new goods or services to your offerings during the life of the contract? The resulting price of any goods or services Catalog list prices after this discount is applied is a ceiling on your pricing and not a floor because, in order to be more competitive in the individual circumstance, you may offer a larger discount depending on the items or services purchased and the quantity at time of sale. Please note that any specific greater discount offered for a particular product, brand, or service listed in Vendor's proposal will control and Vendor will be required to honor that greater specific discount, in excess of the minimum discount, for that particular product, brand, or service for the life of the contract.

Indemnification

The ESC Region 8 and TIPS is a Texas Political Subdivision and a local governmental entity; therefore, is prohibited from

indemnifying third parties pursuant to the Texas Constitution (Article 3, Section 52) except as specifically provided by law or as

ordered by a court of competent jurisdiction. A provision in a contract to indemnify or hold a party harmless is a promise to pay for

any expenses the indemnified party incurs, if a specified event occurs, such as breaching the terms of the contract or negligently

performing duties under the contract. Article III, Section 49 of the Texas Constitution states that "no debt shall be created by or on

behalf of the State ... " The Attorney General has counseled that a contractually imposed obligation of indemnity creates a "debt" in

the constitutional sense. Tex. Att'y Gen. Op. No. MW-475 (1982). Contract clauses which require the System or institutions to

indemnify must be deleted or qualified with "to the extent permitted by the Constitution and Laws of the State of Texas." Liquidated

damages, attorney's fees, waiver of vendor's liability, and waiver of statutes of limitations clauses should also be deleted or qualified

with "to the extent permitted by the Constitution and laws of State of Texas."

8 **Texas Business and Commerce Code § 272 Requirements as of 9-1-2017**

2 SB 807 prohibits construction contracts to have provisions requiring the contract to be subject to the laws of another state, to be required to litigate the contract in another state, or to require arbitration in another state. "Construction contracts" are for the design, construction, alteration, renovation, remodeling, or repair of any building or improvement to real property, or for furnishing materials or equipment for the project. The term also includes moving, demolition, or excavation. BY RESPONDING TO THIS SOLICITATION, AND WHEN APPLICABLE, THE PROPOSER AGREES TO COMPLY WITH THE TEXAS BUSINESS AND COMMERCE CODE § 272 WHEN EXECUTING CONTRACTS WITH TIPS MEMBERS THAT ARE TEXAS GOVERNMENT ENTITIES.

PARTNERS FOR RESPONSIBLE FORESTRY

ABOUT FOREST STEWARDSHIP COUNCIL (FSC)

The Forest Stewardship Council (FSC) is a not-for-profit organization founded in 1993 and is an international certification and labeling system dedicated to setting standards & promoting responsible management of the world's forests. This means that forests are evaluated to meet FSC's strict environmental and social standards. Fibre from certified forests is then tracked all the way to the consumer through the FSC Chain of Custody system. FSC-certified wood, paper and other forest products are then sold with the FSC label by certified companies in the marketplace.

FSC is the only forest certification system to be exclusively preferred by government agencies, corporations, and others around the world. Leading organizations are not only purchasing FSC-certified products, but they are also putting in place formal procurement policies requiring that suppliers provide FSC-certified products. FSC harnesses market demand to ensure responsible forest management.

FSC is the gold standard in forest certification, it is the only system supported by groups such as WWF, Sierra Club, Greenpeace, Natural Resources Defense Council and National Wildlife Federation, Canada Parks and Wilderness Society (CPAWS), and The Sierra Club of Canada. All of these organizations and many more, recognize FSC certification as the only legitimate, and the most rigorous, forest certification system in the world.

Today, more than 380 million acres of forest are certified under FSC's system, including more than 150 million acres in the US and Canada.

PALMIERI'S ENVIRONMENTAL COMMITMENT

We take pride on our dedication & commitment to use the latest materials and technology to meet the demands of the marketplace; evaluating and improving our process while being both socially and environmentally conscious.

At a time when making "greener" choices is a priority, we're proud to be partnered with The Forest Stewardship Council (FSC) and be among the selected few who may offer FSC-certified products—an environmentally-responsible alternative for designers, architects and engineers can rely on.

Specializing in working with wood, we are mindful of the impact that our products have on the environment. We select materials that do not negatively impact, reduce waste wherever we can and operate in a work environment that is both safe and secure.

CHAIN-OF-CUSTODY CERTIFICATION

Wood products such as furniture may only carry the FSC label if the manufacturer is Chain-of-Custody (COC) certified by FSC Accredited Certifier. Certification, is a voluntary certification system available to supply chain companies who want to demonstrate their commitment to responsible forest management by having their company's planning, practices and products independently evaluated against FSC's Chain-of-Custody standards.

Palmieri Furniture, is committed to FSC & COC processes and earned COC certification in 2002 after successfully completing the Rainforest Alliance Program. By choosing COC certified materials, architects, businesses, consumers alike can make informed choices about the forest products they buy, to create environmentally responsible constructions or renovations for a positive change to keep our forests healthy for generations to come.

ADVANTAGES TO CHOOSING FSC-CERTIFIED PRODUCTS

Over the past 20 years, FSC has earned a reputation as the most rigorous, credible forest certification system. Thus, there are significant advantages to choosing FSC-certified products:

- **Credibility** - FSC is an independent, member-led group organized into social, environmental, and economic chambers that have equal authority. Members elect the board of directors and vote on major decisions. Anyone committed to responsible forest management can become a member of FSC. This open and balanced approach is unique to FSC and ensures a diversity of perspectives are represented in decision making.
- **Environmental Protection** - FSC's forest management standards expand protection of water quality, prohibit harvest of rare old-growth forest, prevent loss of natural forest cover and prohibit highly hazardous chemicals, which are all unique aspects of the system. For example, FSC prohibits the use of atrazine, which is otherwise legal in the US but banned in Europe because it has been shown to cause water pollution and birth defects. Other certifications allow atrazine use, including aerial spraying of the chemical.
- **Community Engagement** - FSC requires forest managers - on both public and private lands - to engage local community members and to protect customary rights of indigenous people, ensuring their voices are part of the certification process and impacts of forest operations are addressed. In addition, FSC requires the results of certification audits to be released to the public, even on private lands, which makes FSC unique among forest certifications.
- **Access to Markets** - Many major companies have policies that state a preference for FSC-certified products. Green building standards, including the US Green Building Council's LEED program, provide incentives for using FSC-certified materials. Increasingly, consumers are requesting FSC-certified products in retail stores across the country. Many governments require the use of FSC-certified products. Companies that produce FSC-certified products gain access to these markets, and many others.

ABOUT AWI'S QUALITY CERTIFICATION PROGRAM

The AWI's Quality Certification Program (OCP) is an industry-recognized quality assurance system that design professionals and building owners rely on to validate the skills and abilities of architectural woodworkers. Through a comprehensive testing and inspection, woodworking firms are evaluated in their ability to manufacture and install a wide variety of millwork per quality grade criteria set forth by the Architectural Woodwork Standards (AWS). The OCP performs a rigorous vetting and licensing process that requires woodworkers to:

- Provide ten trade references
- Complete test on Architectural Woodwork Standards
- Complete shop drawing review
- Have a plant inspection
- Provide samples of work for qualified AWS sections
- Have first 2 OCP projects inspected

Once all AWI's OCP requirements are fulfilled, the woodworker receives a certificate of achievement to present as proof of their license.

The AWI first published the Architectural Woodwork Quality Standards Illustrated (OSI) in 1961. Over the years it has evolved into the 8th edition and served as "the authoritative resource for specifying interior architectural woodwork". In 2009, Architectural Woodwork Institute (AWI), the Architectural Woodwork Association of Canada (AWMAC) and the Woodwork Institute (WI) united and published Architectural Woodwork Standards (AWS)—a new standard that replaced and superseded both the OSI and WI's Manual of Millwork (MM). AWS shows technical and design illustrations and addresses all facets of architectural woodwork, from raw lumber and veneer through factory finishing and installation. In 2014, AWS has published its 2nd edition. AWI Quality Certification Program (2017) Retrieved from <http://awiccp.org/About>

- Premium Grade: The grade specified when the highest degree of control over quality in the execution of the design intent and providing the highest level of quality in materials, workmanship and installation.
- Custom Grade: The grade specified for most high quality architectural woodwork. This grade provides a well-defined degree of control over the quality of materials, workmanship and installation of a project.
- Economy Grade: The grade defining the minimum expectations of quality, workmanship, materials and installation.

BUILDING THE ENVIRONMENTAL STANDARD WITH USGBC & LEED

The vision and mission of the U.S. Green Building Council (USGBC) is to improve the quality of life by transforming the design, composition and operation of the places where we live, learn, work and play. USGBC created a green building movement that ensures a healthy and dynamic balance between environmental, social and economic prosperity for the whole community, through their triple bottom line solutions: People, Planet & Profit. USGBC operates through LEED: Leadership in Energy & Environmental Design—a most widely used green building certification program for buildings and communities. This rating system is based on prerequisites and credits that a project meets to achieve a certification level: Certified, Silver, Gold and Platinum. USGBC Strategic Plan (2012) Retrieved from <http://www.usgbc.org/about>

WHY LEED?

LEED certification means healthier, more productive places, reduced stress on the environment by encouraging energy and resource-efficient buildings, and savings from increased building value, higher lease rates and decreased utility costs. LEED certified buildings will directly contribute 29.8 billion to U.S. GDP by 2018. LEED projects are responsible for diverting over 80 million tons of waste from landfills. Compared to the average commercial building, LEED Gold buildings in the General Services Administration's (GSA) portfolio consume a quarter less energy and generate 34% lower greenhouse gas emissions.

LEED is developed in a transparent, consensus-based process that includes several rounds of public comments and approval from USGBC members. In turn, LEED ensures that leaders can demand more from our buildings, creating healthy experiences, conserving precious resources and benefitting the business bottom line. Better Buildings Are Our Legacy (2017) Retrieved from <http://www.usgbc.org/leed>

HOW LEED WORKS?

LEED projects earn points across 9 basic areas that address key aspects of green buildings:

1. Integrative Process
2. Location and transportation
3. Sustainable sites
4. Water efficiency
5. Energy and atmosphere
6. Materials and resources
7. Indoor environmental quality
8. Innovation
9. Regional priority

LEED covers the following building phases, from new construction to existing buildings, from all industry sectors:

1. BD+C: Building Design + Construction
2. ID+C: Interior Design + Construction
3. O+M: Building Operations + Maintenance
4. HOMES: Single + Multifamily Homes
5. ND: Neighborhood Development

Based on the number of points achieved, a project earns one of the 4 LEED rating levels: Certified, Silver, Gold and Platinum. LEED works for all buildings—from homes to corporate headquarters—at all phases of development. LEED certified buildings are resource-efficient. They use less water, energy and reduce greenhouse gas emissions.

PALMIERI FURNITURE: USGBC MEMBERSHIP, COC CERTIFIED AND LEED APPROVED

ADA

ACCOMMODATION AND ACCESSIBILITY FOR EVERYONE IS A PRIORITY.

ABOUT THE AMERICANS WITH DISABILITIES ACT (ADA)

The ADA is one of America's most comprehensive pieces of civil rights legislation that prohibits discrimination and guarantees that people with disabilities have the same opportunities as everyone else to participate in the mainstream of American life – to enjoy employment opportunities, to purchase goods and services, and to participate in state and local government programs and services. It gives federal civil rights protections to individuals with disabilities similar to those provided to individuals on the basis of race, color, sex, national origin, age, and religion. It guarantees equal opportunity for individuals with disabilities in public accommodations, employment, transportation, state and local government services, and telecommunications.

Many business facilities were built with features that do not accommodate people with disabilities, including people who use wheelchairs. This lack of accessibility makes it impossible for many people with disabilities to take part in everyday activities such as going to work, eating in a restaurant, or shopping in a store. The ADA recognizes that, for people with disabilities to participate in the everyday activities in their communities, they need to have access to employment as well as to the goods and services provided by businesses. With you every

EVERY
STEP
OF
THE
WAY

You want a **furniture company** that is always there for you

The lives of those you feel responsibility for change constantly.

It could be children entering kindergarten. High school students preparing for college and university. Graduates entering the corporate world. In every situation, the physical environments they grow and learn in continually change. Just as they themselves change.

At Palmieri, we're an innovating, expanding company in an evolving industry. We are a furniture company, but we're about more than desks and tables and chairs and shelves. We're about people learning. Sharing. Laughing. Studying. Collaborating...

We are Palmieri. And we're with you every step of the way.

PALMIERI Building on a strong foundation

Palmieri is built on values of genuine commitment and honesty. Values that embrace quality, craftsmanship and innovation.

From the company's modest origins in Italy over a half-century ago to the modern, international business it is today, Palmieri has grown and evolved over the decades, but our values remain steadfast and true.

Four pillars of strength

While fulfilling the needs of our four distinct furniture markets: K-12, Library, College/University, and Corporate - we never forget that, first and foremost, we're meeting people's needs. Your needs... and the needs of those you serve.

K-12: the formative years

Young minds need furniture that stimulates learning.

We're all products of our environment.

And so it's fitting we make products - modular tables, workstations, collaborative furniture, configurable tables - that ensure the environments for growing minds are the best they can be.

Whether those young minds are entering Kindergarten or leaving Grade 12, we believe their learning environments should be positive and stimulating. Creative and comfortable. Pragmatic and inspired.

Making colleges and universities smarter than ever

Post-secondary success depends on well-designed spaces.

Academic environments continue to evolve with the times. Colleges and universities are becoming much more collaborative, yet still must offer areas for quiet, focused work. Technology informs these spaces, whether through ample power for devices, or rooms offering projection systems and conference tables to practice presentations.

Recognizing that technology will continue to change, design flexibility - including modular and configurable furniture - is central to both short and long-term success. Educational environments reflect a brave new world. And we're excited to be part of it.
