TriVAN ROOFING

FLAT ROOF LEAK FREE SPECIALIST

OVER 15 YEARS OF SERVICE TO THE PUBLIC SECTOR

For years, TriVAN Roofing has valued the relationship with Duro-Last, the world's best commercial roof system. The Duro-Last Roofing system is perfect for any flat, low sloped, new or retrofit application. It is also a watertight, highly UV reflective, resistant to chemicals & cooking grease, fire retardant, sustains high winds, and virtually maintenance-free low slope solution. Duro-Last, having an OEM relationship with MBCI Metal, allows for a single source warranty under one manufacturer installed by one roofing company, TriVAN Roofing.

Our sustained growth and success in the single-ply thermoplastic roofing market can be attributed to the high-quality workmanship, professionalism, and integrity of our manufacture partner. TriVAN Roofing

efforts resulted in the Century Club Award, the President's Award, and achieved the top 11% ranking of Duro-Last Contractors Elite Certification status.

TriVAN was established in 2001 with the purpose to be run as a family business and as a corporation that adds honesty and integrity to an industry that has not always had the best reputation. The outstanding customer service enabled TriVAN to achieve an A+ Accredited rating with the Better Business Bureau in Fort Worth and Dallas counties.
