Re: Corona Virus

Classic Services and CG Environmental have teamed together to supply the needed service for the cleaning and disinfecting of facilities, plants and equipment for the Corona Virus. Classic Services and CG Environmental are located in Kennedale, Texas and will respond to anyone in the State of Texas.

You need to be proactive by performing cleaning to help reduce the potential impact of an outbreak from a virus like Coronavirus, Ebola, Flu, or other serious contagions, such as bloodborne pathogens, and even toxic chemicals. Routine facility cleaning will help keep you customers and employees healthy and reduce employee absenteeism.

Cg Environmental AKA Cleaning Guys were there when Ebola hit Dallas Fort Worth. Cg Environmental responded immediately to decontaminate the infected facilities, plant and equipment.

Classic Services/ CG Environmental has fully trained staff to clean, contain and dispose of virtually any chemical or biotoxin that threatens your customers or employees. Classic Services/CG Environmental offers 24/7 cleaning and waste disposal, and will even clean overnight while your facility is vacant.

Classic Services is appreciative to be of service to your organization. If we can be of any further assistance to you, please contact us.

Respectfully Submitted,

Classic Services
