Welcome to the Dynamic Small Business Search

All search form hotlinks open a new browser window.

All form fields that require typing in data have "tooltips" with data format information.

Search Guidance

NEW FEATURES FOR MOBILE USERS:

Phone number hotlinks can be used to dial the number on mobile phones.
Address hotlinks can be used to show the address in Google Maps.

This is generally a self-certifying database. The SBA does not make any representation as to the accuracy of any of the data included, other than certifications relating to 8(a) Business Development, HUBZone or Small Disadvantaged Business status. The SBA strongly recommends that contracting officers diligently review a bidder's small business self-certification before awarding a contract.

Dear Vendor,

You were registered on the State of Texas CMBL website under one or more of the following NIGP codes 830-00 or 990-00 which include the topic of the following solicitation.

The Interlocal Purchasing System (TIPS) has available now, at the link below, Solicitation 210504 Shelters for Storm, Active Shooter, and Other Emergencies (2 Part JOC). You are invited to participate.

<https://tips.ionwave.net/CurrentSourcingEvents.aspx>

Please note that there is no specific project to award. TIPS utilizes IDIQ Contracts, where IDIQ is an abbreviation of the term "Indefinite Delivery/Indefinite Quantity". This is a type of contract that provides an indefinite quantity of supplies or services during a fixed period of time or for the life of the awarded agreement. This solicitation was issued as a prospective award for a pricing agreement to be used when a TIPS Member entity needs the goods or services offered under the agreement.

Best regards,

Sarah Reynolds
