**The fee schedule for agreements awarded under solicitation is 2 %.**

### **Pricing for Line Items or Catalogue**

It is the intention of TIPS to establish an agreement to furnish and/or deliver all goods and services provided by awarded vendors to its members. Proposers are requested to submit a proposal for offering their complete and total line of available products and services to governmental entities, including school districts.

If a name brand is mentioned in the specifications, proposals on any reputable manufacturer's regularly produced equipment of such items of a similar nature or similarly used and substantially equivalent will be considered.

The list or category of goods or services sought by this solicitation is inclusive and not exclusive. There may be other similarly used items that are sold by the responding vendors that may be included as part of the proposing vendor's "catalogue" now or during the life of the agreement that are considered included in this solicitation and subject to the minimum discount proposed. Pricing may also be exclusively line item pricing or in combination with a minimum catalogue discount.

Example: During the life of the agreement, models change and new products come to market that are in the same category and are added to the vendor's "catalogue" and are available for purchase by users of the agreement.

### **Shipping cost**

Your proposed pricing may include shipping costs but are not required not expected to. Shipping method is determined by the vendor and the Member/Customer at the time of the

quote/purchase and satisfactory shipping methods and costs are agreed by the parties at that time.

**Definition of “catalogue”**

"Catalogue" means the available list of tangible personal property or services, in the most current listing, regardless of date, during the life of the contract, that takes the form of a catalogue, price list, schedule, shelf price or other form that:

- A. is regularly maintained by the manufacturer or vendor of an item; and
- B. is either published or otherwise available for inspection by a customer during the purchase process;
- C. to which the minimum discount proposed by the proposing vendor may be applied.

**Adding New or Replacement Goods Items During the Life of the Agreement**

Requires proposing a Discount off (PREFERRED MODEL) catalogue prices for goods or a markup on vendor’s cost of a good item.

Pay Careful Attention to This When Completing the Pricing spreadsheet.

**Adding New or Replacement Services During the Life of the Agreement**

Requires proposing a Discount off (PREFERRED MODEL) catalogue prices for goods because there is no manufacturer or supplier’s price in which to apply a markup percentage.

Pay Careful Attention to This When Completing the Pricing spreadsheet.

**Explanation:**

Markup on cost

When proposing a markup on cost model, the vendor shall be required to provide proof of actual cost to the vendor of the goods sold to verify pricing markup is properly and legally applied for the sale of the goods.

**NEW ITEMS:** TIPS will allow the addition of new goods items to be added to the agreement when they become available to the market through the vendor under the discount off published pricing model or markup on cost model. You must stipulate a discount or markup on catalogue price in the appropriate section of the pricing Excel sheet to be eligible for this option. You may stipulate discount off specific brands or lines of goods if you desire. Be thorough and concise. Any items added must be available to all customers, within legal or contractual limitations, if any. (Example: Apple products are not permitted to be sold to the education market but may be sold to other government customers.)

**REPLACEMENT OF DISCONTINUED OR LIMITED AVAILABILITY ITEMS:** When proposing a Line Item pricing model - TIPS will allow replacement items to the original list item if it is no longer manufactured or is available in limited quantities. Limited availability must be documented by a letter from the manufacturer. Vendor may replace it with an item of like kind and quality and the price will remain the same as proposed, except if it is cheaper, vendor shall lower the price accordingly and if it is more expensive due to vendor's actual cost from the manufacturer, it will be priced with the same markup as the item it replaces. Vendor shall be required to prove the cost and markup if the cost is higher than the original core list price to customer.

**You may propose, both discount off or markup AND line item pricing if you choose to.**

## **SPECIFICATIONS and PRICING FORMAT (EXCEL SPREADSHEET)**

Proposals on any reputable manufacturers regularly produced goods falling within the general categories solicited herein will be considered for award. If a name brand is mentioned, it is only to illustrate type and quality and is not intended to restrict competition. Any list included herein is inclusive and not exclusive. There may be other similarly used items that are sold by the responding vendors that may be included as part of the proposing vendor's "catalogue" now or during the life of the contract that are considered included in this RFP. Example: During the life of the contract, models change and new products come to market that are in the same category and are added to the vendor's "catalogue" and are available for purchase by users of the contract provided the catalogue discount or cost markup proposed is honored by the awarded vendor.

TIPS is soliciting proposals for vendors to provide goods items and services listed in the category title of this solicitation and otherwise contained herein.

### **SECURITY SYSTEMS, PRODUCTS AND SERVICES**

TIPS is soliciting value added vendors for proven national security products. TIPS is looking for providers that have a track record in installing and maintaining high quality security systems that control access and monitor facilities and otherwise provide security functionality for the member entity.

TIPS offers many of its contracts nationally. As such, we recognize that labor rates are not uniform in every locale. The contractor may propose different rates for different areas if necessary.

Services may include installation and maintenance or other services that are related to the category.

- Card access equipment and similar applications
- Closed-circuit television solutions
- Storage and management of video data
- Alarm intrusion systems
- Digital video recording solutions
- Any other security related products or systems.
- Proposers are encouraged to submit any other products and/or services they perform on a regular basis. This could include fire alarms or cabling services when connected to the security installation.

#### Pricing

- Provide price lists and discounts for all manufacturers' lines that you are approved to sell and install.
- Provide labor rates for regular and overtime periods and different geographical locations if applicable.
- Provide costs of extended warranties, if available.
- List any other value added services that you provide with pricing.

Since the list of items a vendor may carry is potentially very long, and items are removed and added to the market frequently, it may be more advantageous to propose a **minimum discount** off your catalogue for goods and services. You may offer different discounts for different brands or lines of goods if you choose.

**A zero discount off catalogue proposal is permitted, but** TIPS encourage vendors to propose the best discount they feel is necessary to compete with other retailers to provide the greatest benefit to TIPS members.

You may propose all goods as a line item list if you prefer but the PREFERRED proposal method is a minimum discount off catalogue prices. Line item proposal prices may only be increased by either the markup method or by application of the US Department of Labor (General (not industry specific) Consumer Price Index (CPI) percentage increase applied annually, so proposing the discount off catalogue price may provide easier price adjustments but ensures that they are applied fairly to all customers of the vendor because they are published for all customers to see. **You may propose, both discount off a catalogue AND line item pricing for specific lists of items if you choose to.** Caution: Using the Markup method of pricing require the proposer to make available to TIPS or its members proof of the cost of the item to the proposer to verify the markup is applied according to the terms of this solicitation ad resulting award.

You may stipulate different discounts off or markups on specific brands or lines of goods if you desire.

**PRICING FORMAT (EXCEL SPREADSHEET)**

**DO NOT PROPOSE “PRICE TO BE DETERMINED”.**

There are two (2) sections in the Excel sheet provided in the solicitation documents, please complete all that are applicable to your proposal. The discount off catalogue price is the preferred method and please propose that method in addition to any other method you desire to cover future item or service availability.

Example: IF you are providing a line item pricing sheet AND a discount off the rest of your catalogue, be sure to provide both the line item prices on the list of items proposed and a minimum discount off the rest of your catalogue. If different sections of your catalogue have different minimum discounts, please note accordingly.

**Excel sheet provided in electronic solicitation in ION Wave bidding site for TIPS.**

List any other services, maintenance agreements, mileage fees, travel costs, etc. with line item pricing for years One, Two and Three of the awarded contract AND/OR discount off Catalogue price as defined above.

**Vendor may provide additional pricing in another format.**

**ALL PRICING SHALL BE FIRM AND CALCULABLE AT THE TIME OF SALE DURING THE LIFE OF THE CONTRACT AND MUST COMPLY WITH THE VENDOR’S PROPOSED PRICING MODEL IN RESPONSE TO THE ORIGINAL SOLICITATION. DO NOT PROPOSE “PRICE TO BE DETERMINED”.**

Example: Proposed catalogue, web or store price for an item is \$10.00 each and your proposed minimum discount is 5%, then the price is firm and calculable as \$9.50.

Please provide any explanatory information on you pricing proposal you believe is necessary to fully inform TIPS of your intent.

**Service Incidental to the Sale of Goods**

Many times, the sale of goods may be accompanied by the installation or set up of said goods. Proposers may submit pricing for the services in the spreadsheet or in an attachment.

**Any and All Services may be proposed, but must be priced either as a line item or as a discount off the published Catalogue price for said services. You may provide a catalogue of services or a link to the available services or you may create a TIPS-specific Catalogue list of services with applicable pricing. Please specify or illustrate your chosen method.**

**If Line item goods pricing, and during the life of the award, prices may be increased only commensurate, dollar for dollar as your cost for the item increases. To increase the price of a line item prices good, vendor must submit proof form the manufacturer or distributor that the pricing has increased and by how much.**

**NOTE: FAILURE TO PROPOSE SERVICES SHALL EXCLUDE THEM FROM YOUR OFFERING THROUGH THIS AWARD SO, PLEASE INCLUDE THEM IN SOME CALCULABLE WAY. YOU MAY PROVIDE A PERCENTAGE DISCOUNT OFF POSTED PRICES OR CATALOGUE PRICES FOR THE LOCATION OF THE STORE OR IN SOME SPECIFIC MANNER THAT FITS YOUR BUSINESS MODEL.**

Pricing Spreadsheet must be downloaded from the "Attachments" section, completed and uploaded to the "Response Attachments" PRICING SPREADSHEET.

### **PROPOSAL SCORING AND EVALUATION**

A qualified evaluation committee will evaluate and score all proposals. Recommendations for award will be made to the Region 8 Education Service Center Board of Directors. Awards will be granted or denied at the monthly stated meeting of the Region 8 ESC Board of Directors. TIPS will base a recommendation for award on several factors mandated by the Texas Education Code section 44.031. The factors which will be considered and weighted points in each area as follows (100 total points): 30

TIPS shall use a final overall scoring system to include consideration for competitive pricing, best value price and cost evaluation. TIPS reserves the right to assign any number of point awards or penalties it considers warranted if a offeror stipulates exceptions, exclusions, or limitations of liabilities. Strong consideration will be given to the best value price as it relates to the products and services. However, price is ultimately only one of the factors taken into consideration in the evaluation and award. TIPS shall reserve the right to reject any or all proposals or any part of any proposal.

The following evaluation criteria are mandated for consideration by Texas Education Code § 44.031 (b).

- 1.** Purchase Price: (32) point weight. Per prices quoted as related to information within the request for proposals and the discount off MSRP or other published list pricing or stated prices of goods.
- 2.** The reputation of the vendor and of the vendor's goods or services; (1) point weight. References and TIPS staff knowledge and any other available information known to TIPS may be used to score this criterion.
- 3.** The quality of the vendor's goods or services; (30) point weight. References and TIPS staff knowledge and any other available information known or available through the RFP or otherwise to TIPS may be used to score this criterion.
- 4.** The total long-term cost to TIPS and its members to acquire the vendor's goods or services; (1) point weight. Same as 1 above as there is no objective long term cost on this type of award.

5. Extent to which the Goods or Services meet the Needs: (31) point weight. TIPS evaluators will determine if the proposal provides value to TIPS members and if the goods and/or services offered by the proposer meets the needs outlined in the solicitation.

6. Vendor's Past Relationship: (5) point weight –Only experience within the past 5 years will be evaluated unless otherwise specified. No past relationship is 2.5 points and a good relationship is 2.6 to 5 points and a poor relationship is 0 to 2.4 points

7. Impact on the Ability of the District to Comply with Laws and Rules Relating to Historically Underutilized Businesses: (0) point weight – There are no Texas laws that apply to this procurement but since federal funds are anticipated to be utilized during the life of this contract, the proposer should agree to abide by the federal regulations in the forms contained in this SOLICITATION document related to underutilized businesses in its subcontracting practices. This factor has been considered and due to the foregoing, no points will be assigned. NOTE: Failure to agree to comply with the federal regulations in the forms herein shall make use of federal funds to purchase the goods or services proposed unallowable.

8. Residency: for a contract for goods and services, ***other than goods and services related to telecommunications and information services, building construction and maintenance, or instructional materials***, whether the vendor or the vendor's ultimate parent company or majority owner:

(A) has its principal place of business in this state; or

(B) employs at least 500 persons in this state; and

(0) point weight- federal funds may be utilized by ESC Region 8 or TIPS member entities during the life of this contract, and residency is a prohibited criterion under federal regulation, it has been considered and assigned a weight of 0 points.
