Welcome to the Dynamic Small Business Search

All search form hotlinks open a new browser window.

All form fields that require typing in data have "tooltips" with data format information.

Search Guidance**NEW FEATURES FOR MOBILE USERS:**

Phone number hotlinks can be used to dial the number on mobile phones.
Address hotlinks can be used to show the address in Google Maps.

This is generally a self-certifying database. The SBA does not make any representation as to the accuracy of any of the data included, other than certifications relating to 8(a) Business Development, HUBZone or Small Disadvantaged Business status. The SBA strongly recommends that contracting officers diligently review a bidder's small business self-certification before awarding a contract.
