RE: Safety Equipment & Supplies bid 1032416

On behalf of the Identification Systems Group (ISG), I am pleased to submit our response to your Safety Equipment & Supplies RFP. Since 2010, the ISG and our resellers have valued our contracts with TIPS. We currently hold TIPS contracts for Photo ID Systems, Safety Equipment, Cafeteria POS, and Notification Systems. We sincerely hope to be able to continue promoting TIPS with a new contract for Safety Equipment & Supplies.

The ISG is a nationwide association of identification systems dealers that cover the entire USA and Canada. We believe we are the largest and best network of identification experts. Combined, the ISG dealers have about 200 sales reps, 200 service technicians, and tens of thousands of customers.

For this bid, we are including all of the products and solutions listed in our current Safety Equipment & Supplies contract. We have reduced the pricing on a number of products for this bid. Safety Equipment includes a wide variety of solutions, such as Photo ID, Visitor Registration, Door Access Control, Contactless Cards, Tracking, Accountability, Tracking, Notification and Communications. These are all part of our bid. There are 13 total tabs in the price workbook.

It is important to point out that many systems sold include products from the Photo ID contract as well as the Safety Equipment contract. As an example, a customer may want to install photo ID, visitor registration, and door access control. They want the systems to be integrated together for important reasons related to the database and activating/deactivating of cards.

In today's world, safety and security is a key item on the minds of educators and government officials. The ISG dealers understand the various safety and security solutions, and how they work together.

On-site support is a major benefit provided by ISG dealers. We cover all areas of the USA on-site. From the initial sales consultation, to full installation, training and ongoing support, we take great care of the customers.

In addition to the important K-12 Education market, ISG dealers are also very experienced with state and local government, and first responders. Examples of our successes include public universities, police, fire, emergency management, city, county, court system, public health, and many more.

We promote our TIPS contract to the market and our dealers through a variety of methods. The TIPS contracts are shown on our website, along with our TIPS flyer. We continually update our dealers of changes to the contracts, and have conducted training webinars with their sales people. The ISG dealers participate in hundreds of trade shows each year, and promote the TIPS contract to prospects.

As TIPS has grown to all 50 states, I have seen an increase in awareness and activity. It certainly feels like the ISG is poised to significantly grow our business over the next three years.

Thank you for the opportunity to submit our bid response. Please let me know if you have any questions.

Sincerely,

*Tom Stiles*
