Contractor will maintain these precautions or conditions throughout the time the contracted services are provided.

Or

Some or all of the employees of Contractor and any subcontractor are *covered employees*. If this box is checked, I further certify that:

(1) Contractor has obtained all required criminal history record information regarding its covered employees. None of the covered employees has a disqualifying criminal history.

(2) If Contractor receives information that a covered employee subsequently has a reported criminal history, Contractor will immediately remove the covered employee from contract duties and notify the District in writing within 3 business days.

(3) Upon request, Contractor will provide the District with the name and any other requested information of covered employees so that the District may obtain criminal history record information on the covered employees.

Shipping Warranty Parts

- ByteSpeed guarantees all warranty issues are handled in a timely manner. Most warranty parts will ship the same day. Accelerated shipping is also an available option when needed for crucial situations.
- All ByteSpeed warranty parts will ship with pre-paid return labels for the bad part to return to Bytespeed, with the exception of Chromebooks (customers who purchase Chromebooks are responsible for repair shipping, even if the system is under warranty).
- ByteSpeed offers a custom parts closet option with quantity orders. The parts closet is in essence an extension of ByteSpeeds inventory on your site, it is only to be used for maintaining and repairing ByteSpeed computers. As parts are used from the parts closet, customers need to follow the standard RMA process to replenish new parts for their parts closet. This helps eliminate down time and makes warranty requests much easier for both ByteSpeed and our customers.
