★ AMERICAN-OWNED & AMERICAN-MADE ★

Shaw Sports Turf is the largest synthetic turf company in the world that is both American-owned and offers American-made products. Our products are subjected to the most stringent quality standards in the industry. Each field we make undergoes a minimum of 450 scheduled quality checks. When we offer a product, we know it will perform and will last. We believe this is important to you as a customer and to our integrity as a business.

First, the competitiveness of the United States economy is, to a large degree, dependent upon the competitive of corporations based in the United States. For over five decades, Shaw has worked to be one of the most competitive American companies and the overall leader in the markets the company serves, including the synthetic turf market.

Shaw Sports Turf is owned by Berkshire-Hathaway, one of the largest and most respected companies in the world. As such, we can offer the highest quality products, as well as an investment in research and development to bring innovation to the synthetic turf market.
