OR

SOME (Section B) or all of the employees of Contractor and any subcontractor are covered employees. If this box is checked, I further certify that:

(1) Contractor has obtained all required criminal history record information regarding its covered employees. None of the covered employees has a disqualifying criminal history.

(2) If Contractor receives information that a covered employee subsequently has a reported criminal history, Contractor will immediately remove the covered employee from contract duties and notify the District in writing within 3 business days.

"Tallowood's lighting and rigging infrastructure would not exist without Barbizon's influence and direction throughout the planning, implementation, and commissioning process. We now have a lighting and system rigging system that can easily grow and expand into the future."

*Gary Revis*

*Tallowood Baptist Church – Houston, TX*

"Our lighting and dimming equipment is dated and a challenge to keep up and running, yet you are right there to assist our needs. It has been especially helpful that you will meet with my electricians at the site to perform repairs and provide information to them and school drama instructors."
