***Continuous Contract:** Any existing written agreement (including any renewals that are exercised) between a prime contractor and a HUB vendor, where the HUB vendor provides the prime contractor with goods or service under the same contract for a specified period of time. The frequency the HUB vendor is utilized or paid during the term of the contract is not relevant to whether the contract is considered continuous. Two or more contracts that run concurrently or overlap one another for different periods of time are considered by CPA to be individual contracts rather than renewals or extensions to the original contract. In such situations the prime contractor and HUB vendor are entering (have entered) into "new" contracts.

HUB Subcontracting Plan (HSP)

In accordance with Texas Gov't Code §2161.252, the contracting agency has determined that subcontracting opportunities are probable under this contract. Therefore, all respondents, including State of Texas certified Historically Underutilized Businesses (HUBs) must complete and submit this State of Texas HUB Subcontracting Plan (HSP) with their response to the bid requisition (solicitation).

NOTE: Responses that do not include a completed HSP shall be rejected pursuant to Texas Gov't Code §2161.252(b).

The HUB Program promotes equal business opportunities for economically disadvantaged persons to contract with the State of Texas in accordance with the goals specified in the 2009 State of Texas Disparity Study. The statewide HUB goals defined in 34 Texas Administrative Code (TAC) §20.13 are:

- 11.2 percent for heavy construction other than building contracts,
- 21.1 percent for all building construction, including general contractors and operative builders' contracts,
- 32.9 percent for all special trade construction contracts,
- 23.7 percent for professional services contracts,
- 26.0 percent for all other services contracts, and
- 21.1 percent for commodities contracts.

-- Agency Special Instructions/Additional Requirements --

In accordance with 34 TAC §20.14(d)(1)(D)(iii), a respondent (prime contractor) may demonstrate good faith effort to utilize Texas certified HUBs for its subcontracting opportunities if the total value of the respondent's subcontracts with Texas certified HUBs meets or exceeds the statewide HUB goal or the agency specific HUB goal, whichever is higher. When a respondent uses this method to demonstrate good faith effort, the respondent must identify the HUBs with which it will subcontract. If using existing contracts with Texas certified HUBs to satisfy this requirement, only contracts that have been in place for five years or less shall qualify for meeting the HUB goal. This limitation is designed to encourage vendor rotation as recommended by the 2009 Texas Disparity Study.

SECTION-4: AFFIRMATION

As evidenced by my signature below, I affirm that I am an authorized representative of the respondent listed in SECTION 1, and that the information and supporting documentation submitted with the HSP is true and correct. Respondent understands and agrees that, if awarded any portion of the requisition:

- The respondent will provide notice as soon as practical to all the subcontractors (HUBs and Non-HUBs) of their selection as a subcontractor for the awarded contract. The notice must specify at a minimum the contracting agency's name and its point of contact for the contract, the contract award number, the subcontracting opportunity they (the subcontractor) will perform, the approximate dollar value of the subcontracting opportunity and the expected percentage of the total contract that the subcontracting opportunity represents. A copy of the notice required by this section must also be provided to the contracting agency's point of contact for the contract no later than ten (10) working days after the contract is awarded.
- The respondent must submit monthly compliance reports (Prime Contractor Progress Assessment Report – PAR) to the contracting agency, verifying its compliance with the HSP, including the use of and expenditures made to its subcontractors (HUBs and Non-HUBs). (The PAR is available at <http://www.window.state.tx.us/procurement/prog/hub/hub-forms/progressassessmentrpt.xls>).
- The respondent must seek approval from the contracting agency prior to making any modifications to its HSP, including the hiring of additional or different subcontractors and the termination of a subcontractor the respondent identified in its HSP. If the HSP is modified without the contracting agency's prior approval, respondent may be subject to any and all enforcement remedies available under the contract or otherwise available by law, up to and including debarment from all state contracting.
- The respondent must, upon request, allow the contracting agency to perform on-site reviews of the company's headquarters and/or work-site where services are being performed and must provide documentation regarding staffing and other resources.

TKOED'S LIFETIME PARTS REPLACEMENT WARRANTY ~ WHY IT SHOULD MATTER TO YOU ~

TKOED INCLUDES a **LIFETIME PARTS REPLACEMENT WARRANTY** on any desktops, notebooks, or select Chromebooks. This offer applies to both our professionally refurbished units as well as any NEW units that we are offering. For brand new equipment, our extended coverage "kicks-in" after the OEM warranty expires. All the "fine print" on our warranty can be found online as well as attached on page 2 of this document.

So why should this be such a big deal for you?

We all know that with any electronic equipment, components will sometimes fail. This is not debatable. What's important is how to manage these failures and their long-term costs. The TKOED **LIFETIME PARTS REPLACEMENT WARRANTY** is designed to help you manage these costs. Two main goals in mind:

1. **Improved Return on your Investment:** While Manufacturers and many Resellers offer longer warranties with additional up-front costs, the TKOED **LIFETIME PARTS REPLACEMENT WARRANTY** comes **included with** our quotes - not as an optional add-on. Having dealt exclusively with schools for 18 years now, we realize that you'll keep these units longer than just 1-year, so we insure there are no additional out of pocket costs for the life of the product.
2. Although this may bring our total quoted price marginally higher than other bids, the difference when compared to having a lifetime warranty coverage is negligible – swinging the long-term savings in favor of TKOED.

Here's a quick example of an OEM extended warranty plan: 1-year mail in coverage INCLUDED. Purchase their optional add-on warranty coverage at:

- +1 year (2-year total) @ \$39
- +2 years (3-years total) @ \$69
- +3 years (4-years total) @ \$89

The bottom line is that our **LIFETIME PARTS REPLACEMENT WARRANTY** may bring our total up-front price slightly higher than some of the other proposals, but over the length of ownership, our program will save you considerable money. Knowing that you won't need to deal with warranty replacement parts FOREVER, means you can focus your time and energy – and budgets – elsewhere.

We trust that taking into account the long-term costs and benefits - not just the bottom line on a bid document - is your focus and that our bid will force a second look and hopefully will be the most compelling solution for you overall.

TKOEDucation is excited about the chance to work with you to provide the most cost-effective solution to your computer needs now and going forward.

The TKOED LIFETIME PARTS REPLACEMENT WARRANTY Program

THE SPECIFICS

In business since 1997, we believe that our process, our staff, and our will company provide the very best equipment available. A World Class process deserves a World Class Warranty. As such, as of June 1st, 2015, we are INCLUDING a LIFETIME PARTS REPLACEMENT WARRANTY on any of our desktops, notebooks, or select Chromebooks. This offer applies to our professionally refurbished units AND anything new that you'd like us to quote. For new equipment, our extended coverage "kicks in" after the OEM warranty expires. Of course, the original purchase would have had to have been made through TKO Education. **In no uncertain terms, if you own the equipment, we will cover it. Not 5 years, not 10 or 12 years but for life if you are the original owner.**

No matter how good our process or our people are, we're still working with electronic components. Moving parts are where we typically expect to see part failures; the optical drive no longer ejects the disk, or a power supply fan stops spinning, that sort of thing. In these cases, once the specific part is identified, we simply send you the replacement part, which will arrive within a few days. If you are uncertain about how to replace the part, simply ask us for assistance. The beauty of the equipment we typically deal with is such that even someone with little or no computer experience can replace most of the moving parts in as little as a few minutes.

Should a more difficult repair be required (such as the replacement of a motherboard on a notebook), and you prefer not to do the replacement yourself, you may contact us and arrange to send the equipment back. TKO will cover the labor and return freight expense. We do ask that you keep at least one original box and the original packing material in this unlikely event as the equipment has to arrive in good, physical condition.

You may or may not know, but all Dell corporate grade computers include a lifetime of Technical Support directly from Dell. If you wish to bypass our technical support entirely, you can call Dell directly at 877.773.3355 or visit them at www.support.dell.com. Be sure to follow the prompts and input the Service Tag (found on the side of your PC or bottom of your notebook), so that you can find all the information you'll ever need.

TKO Education's LIFETIME PARTS REPLACEMENT WARRANTY is "all inclusive" with the exception of "consumable" parts. Examples of consumable parts would be a notebook or Chromebook battery or a toner/ink cartridge in a printer (although we don't offer a lifetime warranty on a printer in any case...). Notebook & Chromebook batteries carry a 6 month warranty on used/original batteries and a 1 year warranty if they are brand new.

NOTES:

1 - **Wear and tear is specifically NOT covered.** A keyboard where a key is missing or a mouse where the logo is worn clean - those sorts of things are "wear and tear" - not warranty parts.

2 - **TKOED's Parts Replacement Warranty is NOT an "accidental damage" insurance policy.** Liquid damage, abuse/neglect, or any damaged parts caused by accidental drops or even tampering are NOT covered under our warranty.

3 - **Our warranty offers are NON-TRANSFERABLE.** In other words, the **original owner** is the ONLY one that qualifies for support or warranty parts.

Please contact us prior to any sale should you wish further clarification on any specifics of our Warranty. We are more than happy to assist with your complete understanding and satisfaction in doing business with TKO Education.
