**Required Federal contract provisions of Federal Regulations for Construction Contracts
for contracts with TIPS OR TIPS MEMBERS**

The following provisions are required to be in place and agreed if the procurement is funded in any part with federal funds.

The TIPS OR TIPS MEMBERS is the subgrantee or Subrecipient by definition. The Rules are located in 2 CFR PART 200 - Appendix II to Part 200—Contract Provisions for Non-Federal Entity Contracts Under Federal Awards at 2 CFR PART 200

In addition to other provisions required by the Federal agency or non-Federal entity, all contracts made by the non-Federal entity under the Federal award must contain provisions covering the following, as applicable.

(D) Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). When required by Federal program legislation, all prime construction contracts in excess of \$2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, “Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction”). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland “Anti-Kickback” Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, “Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States”). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

Pursuant to Federal Rule (D) above, when federal funds are expended by TIPS OR TIPS MEMBERS, during the term of an award for all contracts and subgrants for construction or repair, when Federal Funds are expended, by the TIPS OR TIPS MEMBERS resulting for this procurement process the vendor will be in compliance with all provisions listed or referenced therein.

Does vendor agree? YES Initial of Authorized Company Official

(E) Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-Federal entity in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be

required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

Pursuant to Federal Rule above, when federal funds are expended by TIPS or TIPS Members, the proposer certifies that during the term of an award by the TIPS OR TIPS MEMBERS resulting from this procurement process for construction contracts awarded by grantees and subgrantees the proposer agrees to be in compliance with all requirements listed or referenced therein.

D. EXTENDED DAMAGE TO PROPERTY RENTED TO YOU (Tenant's Property Damage)

If Damage To Premises Rented To You is not otherwise excluded from this Coverage Part:

1. Under Paragraph 2. **Exclusions of Section I - Coverage A - Bodily Injury and Property Damage Liability**:
 - a. The fourth from the last paragraph of exclusion **j. Damage To Property** is replaced by the following:

- 9.a. A contract for a lease of premises. However, that portion of the contract for a lease of premises that indemnifies any person or organization for damage by fire, lightning, explosion, smoke, or leakage from automatic fire protection systems to premises while rented to you or temporarily occupied by you with the permission of the owner, or for damage to contents of such premises that are included in your premises rental or lease agreement, is not an "insured contract".

F. EXTENSION OF SUPPLEMENTARY PAYMENTS – COVERAGES A AND B

- 1. Under **Supplementary Payments – Coverages A and B**, Paragraph **1.b.** is replaced by the following:
 - b. Up to **\$3,000** for cost of bail bonds required because of accidents or traffic law violations arising out of the use of any vehicle to which the Bodily Injury Liability Coverage applies. We do not have to furnish these bonds.
- 2. Paragraph **1.d.** is replaced by the following:
 - d. All reasonable expenses incurred by the insured at our request to assist us in the investigation or defense of the claim or "suit", including actual loss of earnings up to **\$500** a day because of time off from work.

G. ADDITIONAL INSUREDS - BY CONTRACT, AGREEMENT OR PERMIT

- 1. Paragraph **2.** under **Section II – Who Is An Insured** is amended to include as an insured any person or organization whom you have agreed to add as an additional insured in a written contract, written agreement or permit. Such person or organization is an additional insured but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused in whole or in part by:
 - a. Your acts or omissions, or the acts or omissions of those acting on your behalf, in the performance of your on going operations for the additional insured that are the subject of the written contract or written agreement provided that the "bodily injury" or "property damage" occurs, or the "personal and advertising injury" is committed, subsequent to the signing of such written contract or written agreement; or

- b. Premises or facilities rented by you or used by you; or
- c. The maintenance, operation or use by you of equipment rented or leased to you by such person or organization; or
- d. Operations performed by you or on your behalf for which the state or political subdivision has issued a permit subject to the following additional provisions:
 - (1) This insurance does not apply to "bodily injury", "property damage", or "personal and advertising injury" arising out of the operations performed for the state or political subdivision;
 - (2) This insurance does not apply to "bodily injury" or "property damage" included within the "completed operations hazard".
 - (3) Insurance applies to premises you own, rent, or control but only with respect to the following hazards:
 - a) The existence, maintenance, repair, construction, erection, or removal of advertising signs, awnings, canopies, cellar entrances, coal holes, driveways, manholes, marquees, hoist away openings, sidewalk vaults, street banners, or decorations and similar exposures; or
 - b) The construction, erection, or removal of elevators; or
 - c) The ownership, maintenance, or use of any elevators covered by this insurance.

However:

1. The insurance afforded to such additional insured only applies to the extent permitted by law; and
2. If coverage provided to the additional insured is required by a contract or agreement, the insurance afforded to such additional insured will not be broader than that which you are required by the contract or agreement to provide for such additional insured.

With respect to Paragraph 1.a. above, a person's or organization's status as an additional insured under this endorsement ends when:

- (1) All work, including materials, parts or equipment furnished in connection with such work, on the project (other than service, maintenance or repairs) to be performed by or on behalf of the additional insured(s) at the location of the covered operations has been completed; or
- (2) That portion of "your work" out of which the injury or damage arises has been put to its intended use by any person or organization other than another contractor or subcontractor engaged in performing operations for a principal as a part of the same project.

With respect to Paragraph 1.b. above, a person's or organization's status as an additional insured under this endorsement ends when their written contract or written agreement with you for such premises or facilities ends.

With respects to Paragraph 1.c. above, this insurance does not apply to any "occurrence" which takes place after the equipment rental or lease agreement has expired or you have returned such equipment to the lessor.

The insurance provided by this endorsement applies only if the written contract or written agreement is signed prior to the "bodily injury" or "property damage".

We have no duty to defend an additional insured under this endorsement until we receive written notice of a "suit" by the additional insured as required in Paragraph b. of Condition 2. **Duties In the Event Of Occurrence, Offense, Claim Or Suit** under **Section IV – Commercial General Liability Conditions**.

2. With respect to the insurance provided by this endorsement, the following are added to Paragraph 2. **Exclusions under Section I - Coverage A - Bodily Injury And Property Damage Liability:**

This insurance does not apply to:

- a. "Bodily injury" or "property damage" arising from the sole negligence of the additional insured.
- b. "Bodily injury" or "property damage" that occurs prior to you commencing operations at the location where such "bodily injury" or "property damage" occurs.
- c. "Bodily injury", "property damage" or "personal and advertising injury" arising out of the rendering of, or the failure to render, any professional architectural, engineering or surveying services, including:
 - (1) The preparing, approving, or failing to prepare or approve, maps, shop drawings, opinions, reports, surveys, field orders, change orders or drawings and specifications; or
 - (2) Supervisory, inspection, architectural or engineering activities.

This exclusion applies even if the claims against any insured allege negligence or other wrongdoing in the supervision, hiring, employment, training or monitoring of others by that insured, if the "occurrence" which caused the "bodily injury" or "property damage", or the offense which caused the "personal and advertising injury", involved the rendering of, or the failure to render, any professional architectural, engineering or surveying services.

- d. "Bodily injury" or "property damage" occurring after:
 - (1) All work, including materials, parts or equipment furnished in connection with such work, on the project (other than service, maintenance or repairs) to be performed by or on behalf of the additional insured(s) at the location of the covered operations has been completed; or
 - (2) That portion of "your work" out of which the injury or damage arises has been put to its intended use by any person or organization other than another contractor or subcontractor engaged in performing operations for a principal as a part of the same project.
- e. Any person or organization specifically designated as an additional insured for ongoing operations by a separate **ADDITIONAL INSURED – OWNERS, LESSEES OR CONTRACTORS** endorsement issued by us and made a part of this policy.

3. With respect to the insurance afforded to these additional insureds, the following is added to **Section III – Limits Of Insurance:**

If coverage provided to the additional insured is required by a contract or agreement, the most we will pay on behalf of the additional insured is the amount of insurance:

- a. Required by the contract or agreement; or
 - b. Available under the applicable Limits of Insurance shown in the Declarations;
- whichever is less.

This endorsement shall not increase the applicable Limits of Insurance shown in the Declarations.

H. **PRIMARY AND NON-CONTRIBUTORY ADDITIONAL INSURED EXTENSION**

This provision applies to any person or organization who qualifies as an additional insured under any form or endorsement under this policy.

Condition 4. **Other Insurance of SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS** is amended as follows:

- a. The following is added to Paragraph a. **Primary Insurance:**

If an additional insured's policy has an Other Insurance provision making its policy excess, and you have agreed in a written contract or written agreement to provide the additional insured coverage on a primary and noncontributory basis, this policy shall be primary and we will not seek contribution from the additional insured's policy for damages we cover.

- b. The following is added to Paragraph **b. Excess Insurance**:

When a written contract or written agreement, other than a premises lease, facilities rental contract or agreement, an equipment rental or lease contract or agreement, or permit issued by a state or political subdivision between you and an additional insured does not require this insurance to be primary or primary and non-contributory, this insurance is excess over any other insurance for which the additional insured is designated as a Named Insured.

Regardless of the written agreement between you and an additional insured, this insurance is excess over any other insurance whether primary, excess, contingent or on any other basis for which the additional insured has been added as an additional insured on other policies.

I. ADDITIONAL INSURED - EXTENDED PROTECTION OF YOUR "LIMITS OF INSURANCE"

This provision applies to any person or organization who qualifies as an additional insured under any form or endorsement under this policy.

1. The following is added to Condition **2. Duties In The Event Of Occurrence, Offense, Claim or Suit**:

An additional insured under this endorsement will as soon as practicable:

- a. Give written notice of an "occurrence" or an offense that may result in a claim or "suit" under this insurance to us;
 - b. Tender the defense and indemnity of any claim or "suit" to all insurers whom also have insurance available to the additional insured; and
 - c. Agree to make available any other insurance which the additional insured has for a loss we cover under this Coverage Part.
 - d. We have no duty to defend or indemnify an additional insured under this endorsement until we receive written notice of a "suit" by the additional insured.
2. The limits of insurance applicable to the additional insured are those specified in a written contract or written agreement or the limits of insurance as stated in the Declarations of this policy and defined in **Section III – Limits of Insurance** of this policy, whichever are less. These limits are inclusive of and not in addition to the limits of insurance available under this policy.

**J. WHO IS AN INSURED - INCIDENTAL MEDICAL ERRORS / MALPRACTICE
WHO IS AN INSURED - FELLOW EMPLOYEE EXTENSION - MANAGEMENT EMPLOYEES**

Paragraph **2.a.(1)** of **Section II - Who Is An Insured** is replaced with the following:

- (1) "Bodily injury" or "personal and advertising injury":
- (a) To you, to your partners or members (if you are a partnership or joint venture), to your members (if you are a limited liability company), to a co-"employee" while in the course of his or her employment or performing duties related to the conduct of your business, or to your other "volunteer workers" while performing duties related to the conduct of your business;
 - (b) To the spouse, child, parent, brother or sister of that co-"employee" or "volunteer worker" as a consequence of Paragraph **(1) (a)** above;
 - (c) For which there is any obligation to share damages with or repay someone else who must pay damages because of the injury described in Paragraphs **(1) (a)** or **(b)** above; or
 - (d) Arising out of his or her providing or failing to provide professional health care services. However, if you are not in the business of providing professional health care services or providing professional health care personnel to others, or if coverage for providing professional health care services is not otherwise excluded by separate endorsement, this provision (Paragraph **(d)**) does not apply.

Paragraphs (a) and (b) above do not apply to "bodily injury" or "personal and advertising injury" caused by an "employee" who is acting in a supervisory capacity for you. Supervisory capacity as used herein means the "employee's" job responsibilities assigned by you, includes the direct supervision of other "employees" of yours. However, none of these "employees" are insureds for "bodily injury" or "personal and advertising injury" arising out of their willful conduct, which is defined as the purposeful or willful intent to cause "bodily injury" or "personal and advertising injury", or caused in whole or in part by their intoxication by liquor or controlled substances.

The coverage provided by provision J. is excess over any other valid and collectable insurance available to your "employee".

K. NEWLY FORMED OR ADDITIONALLY ACQUIRED ENTITIES

Paragraph 3. of Section II - Who Is An Insured is replaced by the following:

3. Any organization you newly acquire or form and over which you maintain ownership or majority interest, will qualify as a Named Insured if there is no other similar insurance available to that organization. However:
 - a. Coverage under this provision is afforded only until the expiration of the policy period in which the entity was acquired or formed by you;
 - b. Coverage A does not apply to "bodily injury" or "property damage" that occurred before you acquired or formed the organization; and
 - c. Coverage B does not apply to "personal and advertising injury" arising out of an offense committed before you acquired or formed the organization.
 - d. Records and descriptions of operations must be maintained by the first Named Insured.

No person or organization is an insured with respect to the conduct of any current or past partnership, joint venture or limited liability company that is not shown as a Named Insured in the Declarations or qualifies as an insured under this provision.

L. FAILURE TO DISCLOSE HAZARDS AND PRIOR OCCURRENCES

Under Section IV – Commercial General Liability Conditions, the following is added to Condition 6. Representations:

Your failure to disclose all hazards or prior "occurrences" existing as of the inception date of the policy shall not prejudice the coverage afforded by this policy provided such failure to disclose all hazards or prior "occurrences" is not intentional.

M. KNOWLEDGE OF OCCURRENCE, OFFENSE, CLAIM OR SUIT

Under Section IV – Commercial General Liability Conditions, the following is added to Condition 2. Duties In The Event of Occurrence, Offense, Claim Or Suit:

Knowledge of an "occurrence", offense, claim or "suit" by an agent, servant or "employee" of any insured shall not in itself constitute knowledge of the insured unless an insured listed under Paragraph 1. of Section II – Who Is An Insured or a person who has been designated by them to receive reports of "occurrences", offenses, claims or "suits" shall have received such notice from the agent, servant or "employee".

N. LIBERALIZATION CLAUSE

If we revise this Commercial General Liability Extension Endorsement to provide more coverage without additional premium charge, your policy will automatically provide the coverage as of the day the revision is effective in your state.

O. BODILY INJURY REDEFINED

Under Section V – Definitions, Definition 3. is replaced by the following:

3. "Bodily Injury" means physical injury, sickness or disease sustained by a person. This includes mental anguish, mental injury, shock, fright or death that results from such physical injury, sickness or disease.

P. EXTENDED PROPERTY DAMAGE

Exclusion a. of COVERAGE A. BODILY INJURY AND PROPERTY DAMAGE LIABILITY is replaced by the following:

a. Expected Or Intended Injury

"Bodily injury" or "property damage" expected or intended from the standpoint of the insured. This exclusion does not apply to "bodily injury" or "property damage" resulting from the use of reasonable force to protect persons or property.

Q. WAIVER OF TRANSFER OF RIGHTS OF RECOVERY AGAINST OTHERS TO US – WHEN REQUIRED IN A CONTRACT OR AGREEMENT WITH YOU

Under **Section IV – Commercial General Liability Conditions**, the following is added to **Condition 8. Transfer Of Rights Of Recovery Against Others To Us**:

We waive any right of recovery we may have against a person or organization because of payments we make for injury or damage arising out of your ongoing operations or "your work" done under a contract with that person or organization and included in the "products-completed operations hazard" provided:

1. You and that person or organization have agreed in writing in a contract or agreement that you waive such rights against that person or organization; and
2. The injury or damage occurs subsequent to the execution of the written contract or written agreement.

Our Projects

Three Rivers HomeLink

17,200-Square-Foot, Single-Story School, Richland, WA

The Richland School District in Eastern Washington needed a building suitable for its HomeLink students, who follow a curriculum between the district and home. This project demonstrates a complete construction project from the ground up. A freestanding entry canopy welcomes students, staff, and families to this full school campus, which was constructed entirely over summer break. The variety of rooms include standard classrooms, science labs, music rooms, offices, and multipurpose rooms.

The Boeing Company

85,680-Square-Foot, Two-Story Office Building, Everett, WA

Washington's largest private employer needed to house 600 new employees. The largest job completed by Pacific Mobile, this corporate campus includes 90 buildings with office space. The most remarkable part of the project was meeting the extremely tight deadline. Even Boeing employees were impressed watching the crew deliver and set everything up at www.boeing.com. Work completed for this project included: Sheetrock, perimeter electrical, elevators, and restrooms, all allowing for last-minute changes to be made.

Smart Academic Green Environments (SAGE)

Varying Sizes, Classrooms, Multiple Locations Throughout WA and OR

Smart Academic Green Environments (SAGE) qualify for LEED certification. They ensure students breathe three times the fresh air and benefit from four times more natural daylight than standard classrooms. They feature energy-efficient ERV (energy recovery ventilator) mechanical systems, low-velocity fans, variable ceilings, and continuous dimming luminaire lighting. An ERV unit provides an enclosed communication IDF (intermediate distribution frame). BqPCM Phase Change Material stabilizes temperatures.

County of Ventura Medical Center

12,000-Square-Foot, Single-Story Medical Facility, Ventura, CA

This mental health rehab center was built for the County of Ventura Medical Center to accommodate hospital expansion. In the 60 days from delivery to occupancy, the crew was able to ensure high-quality features. A 12-foot-wide covered porch along three sides, skylights, and Solatubes added natural daylight throughout the building. A full-service kitchen was located next to a general meeting area with 12-foot-high ceilings. This mental health facility was constructed to house patients in a warm, living lodge rather than a traditional hospital design. Stacked stone, exposed beam construction, and stained tongue-and-groove soffit accomplished that goal.

Pioneer Meadows Montessori Schools

10,080-Square-Foot, Single-Story School, Ferndale, WA

Pioneer Meadows Montessori Schools needed to house preschool and elementary students. This project included four interior classrooms, two exterior classrooms, a library, a staff lounge with a kitchen, and two administrative offices. Custom cabinetry designed for the young students includes cubbies, granite countertops, Porpo flooring, and Dutch interior doors and trim. A radiant heating system throughout the building ensures the students and staff remain comfortable as well.

Asante Health Systems

4,992-Square-Foot, Single-Story Medical Facility, Grants Pass, OR

This medical facility was built to accommodate additional office space needed for the adjacent hospital. The building was custom designed to include a reception counter, waiting area, 18 offices, conference room, exam rooms and storage. Special features include painted sheetrock interior walls, painted interior doors/window trims with accent walls, 26-oz. carpeting, T-grid suspended ceiling with recessed lighting and site-installed Dryvit stucco siding with large roof mansards.

Our Projects

Richland School District

Multiple 17,136-Square-Foot, Single-Story Classrooms, Richland, WA

Richland School District was in need of a single-story classroom facility that would accommodate both staff and students, and serve as a long-term solution to the District's continual increase in student enrollment. A multifaceted permanent modular was designed with a total of 12 large classrooms. The design was created to be replicated many times over. This repeatability design concept will further reduce the customer's cost per square foot over time.

Seattle Pacific University Phase III

8,000-Square-Foot, Two-Story Private University Classroom, Seattle, WA

The building blends in with existing brick modular classrooms. The exterior expression of the building blends in with existing brick modular classrooms that were built for SPU by Pacific Mobile Structures in 2002. The interior staircase is open to both stories, creating a large walkable book in the common area. Low VOC paint, upgraded roof mounted HVAC Systems and TPO roofing materials were all used to help achieve LEED Silver Certification.

Wanapum Heritage Center

13,464-Square-Foot, Single-Story Administration Building, Beverly, WA

More than 60 years in the making, the Wanapum natives and the Grant County Public Utility District joined to bring generations together, and this building serves as the administration and archival wing for the Wanapum Heritage Center. Pacific Mobile installed 18 modules seamlessly joining the traditionally built center to house the museum's offices, conference room, recording studio, archival library, restrooms and full-kitchen for the employees and the culture's history.

French American School of Puget Sound

13,800-Square-Foot, Second-Story Classroom Addition, Mercer Island, WA

This second-story addition was added to French Americans existing single-story facility to accommodate the increasing enrollment at this elite school. The addition featured a low-slope rubber membrane roof with mansard, painted metal exterior window awnings, painted smooth hard-board siding, 1" X2" wood slats added for aesthetic purposes, and roof-mounted electric heat-pumps. The interior of the building was designed with 8" 1-grid ceilings, painted sheetrock and tack-board interior walls, 1/8" block tile flooring with 26 nylon carpeting, and painted wood interior doors and window trims.

Centralia Life Skills Classroom

3,024-Square-Foot, Single-Story Classroom Facility, Centralia, WA

Designed for Centralia Community College, this facility was designed to teach preschoolers and college students functional life skills. This building comes complete with two life skills classrooms, a teaching kitchen, conference room, full laundry facility, therapy room and office space for the teachers. The interior of the building includes extra sheathing, interior tack-board over sheetrock, and sound insulation to interior walls.

City of Arlington

7,489-Square-Foot, Single-Story Office Building, Arlington, WA

The City of Arlington's Public Works Department needed to replace their existing office building. Our approach was to design and engineer a building that utilized both modular and conventional construction methods. The result was a structure that had a finish roof height of 28 feet from grade and utilized materials that are typical of conventional construction such as log entry columns, custom timber frame canopies, stamped and stained concrete and river rock waistcoat around the perimeter of the building.

Pacific Mobile Ceres Branch
4,980 sq. ft. Single-Story Office Building
