Provisions for purchase with federal funds for contracts exceeding \$100,000
These forms are for non-construction contracts

Many TIPS members (grantees and sub-grantees) purchase goods and services with federal funds. When a member engages a contract exceeding \$100,000 and paid with federal funds, provisions are triggered by various Code of Federal Regulations requirements. Primarily 34 CFR 80.36 from the Department of Education and 7 CFR 3015 & 3016 from the Department of Agriculture for School Lunch Program. There may be other Federal programs from time to time that are not enumerated above that may fund certain projects using outside vendors. These are not optional for the contracting entity and in order to spend the federal funds certain provision and certifications must be in place to ensure legal compliance.

If you company wishes to be eligible to participate in a TIPS contract in which a member utilizes federal funds on contracts exceeding \$100,000, you must complete the following forms can provide the certifications as required on the subsequent pages.

Independence Day Memories
a poetic figure

(Pffft . . .)
 Sitting on the same riverbank,
 this time in a lawn chair,
 (The crickets roared, and
 his eighty-year-old eyes are clouding,
 as each blooming fireburst brings another
 the mosquitoes showed no mercy.)
 distant moment as beautiful and sudden
 (Bloom!)
 as a skybomb's spark.

Sitting on the same riverbank,
 his four-year-old eyes had grown
 (Pffft . . .)
 wide with amazement,
 (The crickets roared, and)
 as the Fourth-of-July fireflowers
 blossomed and bloomed
 brighter than stars.
 (Bloom!)
 breaking the night.

(Pffft . . .)
 A twelve-year-old boy
 on the last day of summer
 (the mosquitoes showed no mercy.)
 spins full 'til at the hanging
 rope, seizes it, swings on it,
 flies beyond it (Bloom!) a wingless bird,
 singing his jubilation to the heavens,
 splashes into the river and emerges to see her standing on the same
 riverbank.
