The Interlocal Purchasing System (TIPS) and Texas Arkansas Purchasing System (TAPS)

## **About The Interlocal Purchasing System (TIPS) and The Texas-Arkansas Purchasing System (TAPS)**

TIPS/TAPS is available for use by all public and private schools, colleges, universities, cities, counties and other government entities in the States of **Alabama, Alaska, Arizona, Arkansas, California, Colorado, Delaware, District of Columbia, Florida, Georgia, Hawaii, Idaho, Illinois, Indiana, Iowa, Louisiana, Kansas, Kentucky, Louisiana, Maryland, Massachusetts, Michigan, Minnesota, Mississippi, Missouri, Montana, Nebraska, Nevada, New Jersey, New Mexico, North Carolina, North Dakota, Ohio, Oklahoma, Oregon, Pennsylvania, Rhode Island, South Carolina, South Dakota, Tennessee, Texas, Utah, Vermont, Virginia, Washington, Wisconsin and Wyoming.** Participation of government entities will provide the legally required competition for contracts for commonly purchased items, thereby saving the individual government agency the cost of going through the competitive process. The Vendor is expected to promote the use of TIPS/TAPS for this contract to Public Sector Organizations within the of membership. If a vendor is awarded a TIPS/TAPS contract, the vendor avoids the time and expense of going through the competitive process for each individual participating government agency.

### **Purpose of TIPS/TAPS**

- Provide government entities opportunities for greater efficiency and economy in acquiring goods and services.
- Take advantage of state-of-the-art purchasing procedures to insure the most competitive contracts.
- Provide competitive price solicitation and bulk purchasing for multiple government entities that yields economic benefits unobtainable by the individual entity.
- Provide quick and efficient delivery of goods and services by contracting with “high performance” vendors.
- Equalize purchasing power for smaller entities that are not able to command the best contracts for themselves.
- Assist government entities in maintaining the essential controls for budget and accounting purposes.
- Maintain credibility and confidence in business procedures by maintaining open competition for purchases and by complying with purchasing laws and ethical business practices.

### **Customer Service**

- Support groups for government entities must be “customer service oriented.” Purchasing and materials management must be able to respond to user needs in a manner that satisfies the needs of the agency.
- TIPS/TAPS staff is available to end users for guidance in making purchasing and contracting decisions.
- By establishing contracts for many commonly purchased items, TIPS/TAPS provides a way for government entities to avoid the time and expense of seeking competition for purchases on an agency-by-agency basis.
- TIPS/TAPS enables vendors to become more efficient and competitive by reducing the number of bids and proposals that require responses to be made to individual districts.

### **Financing of TIPS/TAPS**

- The total cost of the TIPS/TAPS program is funded through a Two Percent (2%) participation fee paid to TIPS/TAPS by the participating vendors. The fee is based on actual vendor invoiced sales.
- TIPS/TAPS does not charge any fees to participating government entities.

### **Purchasing Procedures**

- Contracts are established through open competition as prescribed by the laws of the States listed for membership. Purchase orders are issued by participating governmental entities directly to the Vendor.

**RFP- Trades, Temporary Labor and Materials Due February 16, 2012 at 3:00 p.m.**

- Vendors deliver goods/services directly to the participating agency and then invoice the participating agency. The Vendor receives payment directly from the participating agency.
