RECITALS

WHEREAS A.C.A. §19-11-249 Any public procurement unit may either participate in, sponsor, conduct, or administer a cooperative purchasing agreement for the acquisition of any commodities or services with one (1) or more public procurement units or external procurement activities in accordance with an agreement entered into between the participants. Such cooperative purchasing may include, but is not limited to, joint or multiparty contracts between public procurement units and open-ended state public procurement unit contracts which are made available to local public procurement units. Because the Agreement is not an "Interlocal Agreement" under the Interlocal Cooperative Act, but instead separately authorized by statute, Attorney General approval is unnecessary nor is an Interlocal Agreement. See Ark. Op. Atty. Gen. No. 2008-087, 2008 WL 2487900 (Ark. A.G.) dated June 17, 2008.
