Government Authority:

Missouri Revised Statutes, Chapter 70, governs the power of political subdivisions to cooperate or contract with governmental units. *See* §§ 70.210-70.320, R.S.Mo. 2000. Section 70.220 specifically permits political subdivisions to contract and cooperate with any other governmental entity or with “[a]ny private person, firm association or corporation, for the planning, development, construction, acquisition or operation of any public improvement or facility, or for a common service; provided, that the subject and purposes of any such contract or cooperative action made and entered into by the political subdivision is within its scope of powers.” *Id.* Sections 70.250 and 70.260 provide authority for the participating entities to finance the joint undertaking. *Id.*¹

Regarding school districts in particular, Chapter 177, which concerns school property and equipment, provides that school districts may enter into agreements with not-for-profit corporations² in order to allow “the acquisition, construction, improvement, extension, repair, remodeling, renovation and financing of sites, buildings, facilities, furnishings and equipment for the use of the educational institution for educational purposes.” § 177.088 Moreover, such agreements must comply with statutory bidding requirements. *Id.*

¹ Although §§ 70.210-70.325 constitute general authority for cooperation, there are numerous statutes that authorize specific cooperative efforts. Section 537.620 provides that, notwithstanding any direct or implied prohibition in other statutes, any three or more political subdivisions may form a business entity for the purpose of providing liability insurance. Additionally, other Missouri statutes establish government employee retirement systems.

² Such not-for-profit must be formed under the general not for profit corporation law of Missouri, Chapter 355, R.S.Mo.
