About BAK USA

Bak USA is a social enterprise that builds mobile computers in Buffalo, New York, USA.

Bak USA's lineup of computers includes the Atlas, a durable and versatile 2-in-1 laptop purpose-built for education (Windows OS, active stylus, rotatable camera, Intel processor). Now in its third generation, the Atlas is available to TIPS members through Microsoft Stores. Bak USA also builds the Seal, a rugged tablet purpose-built for workers in extreme conditions.

Committed to building computers in the United States, empowering people in urban communities, and changing lives around the world, Bak USA is relocalizing the creation of technology. Further, we are enabling TIPS members to make their mark on the world with a computer built in the United States. Together, we are reinventing what it means to make it in America. About TIPS

Founded in 2002, The Interlocal Purchasing System (TIPS), allows Education, Government and Non-Profit Agencies to purchase from any of their Awarded Vendors without having to competitively solicit and procure the products and services themselves. Established with over a decade of experience in the purchasing procurement industry, TIPS makes purchasing for their Members easy, compliant and economical.

Their competitively bid contracts streamline the purchasing process saving Members both time and money.

This process offers opportunities for greater efficiency in pricing and delivery of goods and services by contracting with their high quality Vendors, such as BAK USA.

COOPERATIVE PURCHASING
