MINER[®]

YOUR FACILITY EXPERT

YOUR FACILITY EXPERT SINCE 1994

OVER 22 YEARS OF SERVICE TO THE PUBLIC SECTOR

Miner[®] is North America's facility expert in equipment installation, repairs and asset management solutions to reduce customer costs and improve uptime, creating a safer and more sustainable environment.

Our sole focus is to drive down the cost of warehousing and materials management operations and to improve jobsite safety. Miner[®] Smart SolutionsSM deliver personal service and proven results across the country. As a pioneer in this endeavor, Miner[®] has developed cutting-edge systems and services that provide top-tier support to Fortune 500-class companies throughout North America.

We save our customers time and money by understanding their business, finding efficiencies in

their operation, providing faster systems repairs and delivering expertly executed proactive maintenance programs. We are the single-source solution for some of the world's largest brands, yet we remain true to smaller operations. Every customer we work with receives the same high level of attention, fast response rate and unwavering focus on getting them back on track.

Our promise to you is to get you up and running fast, fix it right the first time, everytime. We strive to communicate in real-time, provide low-cost solutions and to make safety a priority.
