About Priefert

Founded by Marvin Priefert in 1964, Priefert has grown into one of the largest farm, ranch and rodeo equipment manufacturers in the world. Now in its third generation of leadership, Priefert is still family owned and operated. Its product offerings include cattle, equine, poultry, canine, and rodeo lines, making Priefert a one stop shop.

Located in Mt. Pleasant, TX, Priefert is vertically-integrated with total control over the manufacturing of their products. With over 20 acres under roof and over 200 acres dedicated to manufacturing, Priefert employs over 1000 employees.

Considered the leading innovator in the livestock handling industry, Priefert continues to develop and produce equipment that is safe and durable for both the animal and the operator. Priefert is recognized as having the highest quality equipment on the market and is proud to have its products used and endorsed by the top cattle, equine, rodeo and roping organizations in the country.
