## Our Mission.

"TIG will earn its place as a trusted partner to our clients, providing only the highest level of service, value and advanced technology to power their strategic business goals."

## AN EASIER WAY TO PURCHASE

### About TIG

As a growing solutions provider, TIG is acutely aware of the ever-changing demographics and needs in our various markets and how these changes influence future technology. With over 36 years of experience implementing revenue driving technology solutions, TIG has grown by building strong relationships with clients and market leading partners. Our ability to stay agile strengthens us and this commitment is a vital part of our business achievements and essential to our customer's long-term sustainability.

Headquartered in San Diego, California; TIG has 22 branch offices in the United States and a global footprint that comprises offices in Canada, China, and an extensive global partner network covering 5 continents. ISO 9001:2015 certification allows TIG to service diverse markets across government, education, large enterprise healthcare and SMB markets.

### About TIPS

Founded in 2002, The Interlocal Purchasing System (TIPS), allows Education, Government and Non-Profit Agencies to purchase from any of their Awarded Vendors without having to competitively solicit and procure the products and services themselves. Established with over a decade of experience in the purchasing procurement industry, TIPS makes purchasing for their Members easy, compliant and economical.

Their competitively bid contracts streamline the purchasing process saving Members both time and money. This process offers opportunities for greater efficiency in pricing and delivery of goods and services by contracting with their high quality Vendors, such as TIG.
