Overview

For over 7 years, Micro-X1 provides facility services and deep cleaning while providing the only long-term solution to viruses, mold, bacteria, and other harmful pathogens to industry leaders like Chick Fil A, DR Horton, Bimbo Bread USA and many others. Our EPA registered and tailored solutions are safe to deliver 90 days or more continuous antimicrobial protection of virtually any surface. Micro-X1 OPS LLC is comprised of a team of industry experts focused on providing comprehensive health and safety programs through advanced preventative technologies, residual effective antimicrobials, and facility maintenance solutions. The targeted result of our solutions is simple: improved asset values and increased usable life of assets, enhanced cleaning efficiency & reduced threat of public health events is good for everyone.

Our programs are focused on small or large construction projects, renewing surfaces, eliminating current illness outbreaks, and further preventing the odor and illness transmission in facilities. Our consultative, tailored approach puts people's health and personal assets first. Micro-X1 creates optimized efficiencies to provide facility managers and companies significant labor and sanitation supply cost savings. At the same time, we show you immediate ATP Swab Test Verification data while your long term benefits of reduced Absenteeism, Presenteeism & Productivity Costs due to high traffic illness can be tracked.
