### Overview

*Our mission at Tubbesing is to provide our customers with superior technical expertise in the area of preservation and protection of critical data center equipment. We offer efficient, courteous, and cost-effective management. Our support extends to data centers of all sizes - hospitals, government sites, factories, independent school districts or anywhere a reliable infrastructure is required. Regularly scheduled maintenance on backup equipment is essential to the health of critical support facilities.*

*Our goal is to assist in strategy, summarize all work to be completed, prioritize the phases, create a solid financial plan, and methodically propose an accurate timetable while defining and compiling supplementary resources required for the best critical facility solution.*
