Overview

Shimadzu Corporation, founded in 1875 in Kyoto Japan and the parent of Shimadzu Medical Systems USA (SMS), is a global provider of medical diagnostic equipment including conventional, interventional and digital X-Ray systems. Shimadzu Medical Systems USA was founded in 1987 with headquarters in Torrance California and sales and service offices throughout the United States, the Caribbean and Canada. Shimadzu Direct Operations began in 2004 and are head quartered out of Dallas Texas providing direct services across 6 states and Kenmore Washington providing direct services across 4 states. In keeping with the Shimadzu philosophy "Contributing to Society through Science and Technology", Shimadzu Medical Systems USA continually strives to bring competitive clinical solutions to our customers. In order to compete with the major domestic manufacturers, SMS provides products of the very highest quality and reliability as reflected by our corporate motto: Passion for Excellence.

1. Business Outline

Equipped with advanced X-ray image processing technology, these easy-to-use medical systems reduce the stress on patients. They contribute to the early detection and treatment of cancer and other diseases in medical facilities throughout the world.

2. Medical Systems and Equipment

Angiography / Fluoroscopy / Mobile X-ray / Radiography
