### Overview

*Netsync Network Solutions is a HUB-certified, minority-owned, value-added reseller (VAR), specializing in collaboration and unified communications, data center and cloud, network infrastructure, wireless and mobility, physical and cyber security, end-user computing and VDI, optical transport/WAN, managed services and staffing solutions. Based in Houston, TX, with sales and engineering assets throughout Texas, Netsync uses a true business consultative approach to determine clients' requirements and architects innovative and synergistic IT solutions to meet clients' needs. This approach has earned Netsync various customer service excellence awards and recognition as a progressive partner that introduces the newest, best-of-breed products and solutions to clients. Holding the most prestigious industry certifications, our highly skilled and seasoned engineering team is available 24 hours a day, 7 days a week.*
