### Overview

AZTECA Designs and Construction is a minority, woman-owned, HUB, DBE certified company that specializes in self performing all interior and exterior finishes that can provide an array of construction services and products not limited to ceiling tile, painting and flooring supplies. In addition, AZTECA also provides full removal and disposal of large demolition interior projects. AZTECA designers can create and provide a customized design for all projects as a courtesy for your business or institution. AZTECA realizes that you have many options and choices when it comes to choosing a General Contractor company and therefore truly values our customers. AZTECA strives towards providing personal stewardship on each project and management staff is very involved every step of the way. We also have crews around the clock to meet those strenuous deadlines. The executive team personally makes certain that delivery of service and quality work is foremost on any job. AZTECA Designs and Construction currently holds multiple cooperative contracts, many of our clients utilize the cooperative contracts for quicker and more efficient procurement practices. We've been in business going for 17 years now, and what has kept our doors open is God and our repeated customers. Our customers have pushed us to become more than just a flooring contractor. Today we are a complete finish-out general construction company. The AZTECA team is hardworking, ethical, loyal, caring, and has a "WE CAN DO IT" attitude. With over 70 years of aggregate experience, we understand that there is more to obtaining work, it is about customer satisfaction. That is why AZTECA Designs and Construction provides quality control on all our projects. We are eager to earn your business and thank you for the opportunity to present our company.
