### **Overview**

<p>Alliance Technology Group LLC dba Alliance Technology Group is a leading provider of IT solutions and services who has been in business for over 25 years providing technology solutions to organizations across the United States. Our core competencies include data networking, mobile networking, Unified Communications/VoIP, contact centers, physical security and public safety, managed IT services, cloud computing, cyber security, and data analytics solutions that positively impact agencies. As a system integrator, Alliance has developed purpose built solutions to address mission critical needs for clients resulting in a significant improvement in their functionality and a reduction of cost. Our Alliance team of certified engineers and professionals have experience in delivering solutions to customers in every industry including state/local/federal government (inclusive of every branch of the U.S. Department of Defense), not-for-profit, education (K-12, higher education, special education organizations), healthcare, financial, legal, and utilities. Alliance offers the latest advancements in technology and design systems that meet our customers' business needs while striving to protect the investment that has already been made.
