Overview

X-Cal is one of three companies founded by Tim and Dede Brown in order to meet the growing need for technical and vocational training. X-Cal operates in New Mexico, Colorado, Utah, Idaho, Montana, and Wyoming while Tech-Labs operates in both Texas and Oklahoma. Since 1977, these companies have developed into full-service educational equipment and instructional software providers. We work with market leaders in instructional software for science and technical training systems. X-Cal is one of North America's leading suppliers of industrial training in advanced manufacturing, industrial maintenance, mechatronics, wind energy, solar energy, and engineering equipment and curriculum. X-Cal is also one of North America's largest engineering apparatus distribution companies.
