Overview

<p>Layer 3 Communications is a network consulting firm specializing in local and wide area networking. We are dedicated to providing reliable and cost-efficient technology solutions that meet technology needs today and in the years ahead. Our areas of expertise include network design, infrastructure upgrades, relocation services, critical network element monitoring, and large project implementation. We also provide Network Systems Integration for Local Area Networks and Wide Area Networks including Internet Access, Virtual Private Networks, Remote Access, Network Security, and Firewalls.</p>
