Overview

Triun, LLC is a small, minority owned general contractor founded in 2006. Triun is headquartered in San Antonio, Texas. Triun specializes in public and civil works projects for state, local, education and federal government clients. Triun's Construction division offers construction services, pre-construction services, job site and project management, administrative support, and document control. Our differentiator lies in the fact that we have in-house civil engineering staff with the experience to plan, design, and manage teams in the development of a wide variety of public projects
