## **Overview**

*The EnrollWise Online Student Registration and Enrollment System Delivers equity and trust in school admissions via the most family-friendly and intuitive online experience available. Our School Directory, application, lottery and waitlist system has been battle tested in the largest schools districts in the nation including New York City. Developed with a human centered design focus, the EnrollWise platform features a robust rules engine that allows administrators to integrate with existing student information systems and respond rapidly to the changing landscape of admissions policy. The platform includes a school directory, rules engine, matching and offer module, robust APIs, notifications, text and email messaging, secure document upload, events and calendaring, scheduling, in app messaging, lotteries, waitlists, predictive analytics, reporting, multiple match algorithms including the Gale Shapley deferred acceptance algorithm, AVS and Address look-up, and GIS zoning capabilities.*
