Overview

LINEV Systems is a world leader in X-Ray Security Screening Systems to prevent the introduction of weapons, drugs, and other threat items into correctional facilities and government entities. Combining innovative threat detection technologies with intelligent and flexible system designs, LINEV's screening and inspection systems provide exceptional automated processing, threat recognition and throughput rates. LINEV's technologies safeguard people, airports and aircraft, ships and the flow of goods, state boundaries, critical infrastructure, and public events all over the world against current and emerging threats such as terrorism and illegal trafficking. Founded in 2006, LINEV Systems Inc. has over 15 years of experience in security X-ray imaging and specializes in Full Body Scanners, Baggage X-ray Systems, and Cargo Screening Solutions.
