Overview

Eduphoria provides education professionals applications that assist with every aspect of the school day. Online testing, student progress monitoring, lesson planning, and district level administrative tasks are accessible through our collaborative platform.

Professional Growth and Evaluation

Strive is a growth-focused system that combines professional development, goal setting, and the appraisal process to monitor success over time.

Data Analysis and Assessment

Aware is an enhanced assessment system with simplified test construction, administration, and custom analysis of student learning.

Lesson Planning and Curriculum

Forethought is a curriculum management and lesson planning tool that helps districts organize learning standards based on scope and sequence.
