Overview

DasNet Corporation (DasNet) is a certified network systems integration firm headquartered on Long Island, New York. We provide a full spectrum of information technology and communications network integration solutions to an international customer base comprised of United States Department of Defense (US DoD) agencies that support US government and foreign government personnel and missions. These integration solutions include satellite, wireless and ground-based information technology infrastructure, software and hardware application services, communication services that incorporate audio/visual telecommunications, information technology and program management services, and command center upgrades. DasNet is fully committed to the principle of satisfying our customers by ensuring a full and comprehensive understanding of the program and contractual tasks.
