Overview

AmTab has been creating modern, popular, and fun learning environments since 1958. We take great pride in positively impacting student's daily life by helping their educational experience. AmTab builds partnerships with our end users that last a lifetime. The AmTab manufacturing facility is over 300,00 sq ft and caters to a robust team of employees. Our location is in Bensenville, Illinois just outside of Chicago. Our warehouse consists of products that are waiting to be shipped out as well as new creations being tested within our facility. At AmTab, we always go above and beyond for our end users and dealers. We believe in building partnerships and products that exceed industry expectations. Partnering with AmTab will ensure your project will have the highest quality products and best customer service in the marketplace.
